**Bible Faith Study Course** Kenneth E. Hagin, 1974      **FAITH STUDY COURSE SERIES** ISAAH MACWEALTH, There are several misconceptions about the subject matter of faith These misconceptions have left many believers experiencing unfulfilled and an unsatisfactory walk with God This is because they do not understand what faith really is Some others confuse faith with hope and believe There are also those who assume that they have faith but are only operating in fear and doubt This is why it is important to study the basic concept of faith So in this book we will look into what faith is the Satan kind of faith the God kind of faith and so much more After reading this book you will be armed with the understanding of the true concept of faith what faith is not and Satan s strategy to keep your faith inactive      Prosperity Gospel? Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought      **Bold Faith** Ben Pugh, 2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity      **Next Level Leadership Training: Volume One** Rick Johnston, 2015-04-29 Every local church requires leaders Many believers are given responsibility to lead but fail to sustain their leadership Developing the people who lead is essential to building strong churches and demonstrating the kingdom message to those who do not know Christ The nonpublic lifestyle of a leader is what vitally supports the public expression of his or her grace Jesus said Follow me and I will make you fishers of men Those three simple phrases are the essence of Rick Johnston s Next Level Leadership Training Johnston provides a syllabus for training such leaders Bible saturated lessons are the foundation of teaching Classroom

interaction tips external resource suggestions and life implementation steps given at the end of each lesson provide the opportunity to increase in grace Theological foundations relationship building assignments and miracle demonstrations defined in this text provide a wide ranging training course for every local church

**The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic

approach that acknowledges how the worldview both strengthens and subverts Pentecostalism      **A Different Gospel** Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson      Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas      *The New Pentecostal Message?* Lewis Brogdon, 2015-06-22 The prosperity movement has influenced millions of people in North America Asia Europe South America and Africa through Pentecostal Charismatic and nondenominational preachers in some of the largest churches in the world CNN ABC and Time magazine have examined the preachers and churches in this popular and controversial movement Scholars and church leaders have studied it for more than two decades producing dozens of books and articles on it Considering the widespread popularity of the prosperity movement and the attention it is given by its critics Brogdon asks Is prosperity preaching the new Pentecostal message In order to answer this question one has to examine the prosperity movement as a Pentecostal movement instead of a Word of Faith movement that is a revised form of New Thought metaphysics and Science of Mind Brogdon provides an introduction to the prosperity movement as a Pentecostal movement He asks important questions in the study of the prosperity movement such as who popularized prosperity teaching Oral Roberts or Ken Hagin Do all Pentecostals agree with the prosperity doctrine Is prosperity teaching good news to the poor

Has prosperity replaced the emphasis on the Holy Spirit The answers may surprise you *The Art of My Life* Joe Pearce, 2020-01-06 Award winning fine artist Joe Pearce brings wisdom humor and creative perspective to the trials tribulations and party that is life After growing up in the drug culture of the 70 s Joe Pearce turned to a fundamentalist church for personal redemption He felt called to become a traveling evangelist and musical artist which is how he met his wife Joe eventually transitioned away from that belief system to become part of corporate America Joe was working a job in financial services 20 years into marriage when his wife developed severe schizophrenia The Art of My Life explores Joe s struggles with care taking for and coping with his wife s illness Joe tells a raw blatantly honest narrative of his unique life experiences while weaving in themes of his and other s art with the hopes of helping people find their passion along their own unique paths Charisma and Christian Life , 1991-07 **Religious Studies in Alberta** Ronald Neufeldt, 2006-01-01 This first volume on the state of the art in religious studies in Canada offers a description and critique of the field in the colleges universities and secondary schools in Alberta Among the findings philosophical theological and textual approaches to the study of religion predominate to the relative neglect of methodologies employed in fields such as sociology and anthropology the quality and quantity of published research is significant but focusses on Christian studies some interdisciplinary study is being carried on and benefits religious studies as well as other fields religious studies scholars in Alberta have a relatively high public profile but their exercise of public responsibility is time consuming and can jeopardize career advancement in view of wide spread religious illiteracy among students descriptive courses must not be neglected in favour of analytical ones An appendix listing courses offered in the schools surveyed concludes the volume Receiving the Promises of God Otis Felton, 2016-02-29 Receiving the Promises of God chronicles a ten year struggle during which time the author felt he received a specific promise from God in February 1999 to replace everything he had lost highlighted by the fulfillment of that promise At the time he had only lost his job By January 2008 he had lost everything However by July 2009 God had replaced everything Receiving the Promises of God details the events from losing everything to how the Lord restored everything and more **My Imaginary Conversation with Joe Rogan About Christianity, the Supernatural, and Little Green Men** Kevin Cortez, 2023-04-10 Many sincere Christians are misreading culture and as a result they are having difficulty with their faith So what is going on It is said that comedy reflects the current culture and many people now look to comedians not just to make fun of the world but to make sense of it Joe Rogan the host of the world s 1 podcast is one of the most influential comedians and media personalities With over 11 million listeners per episode Rogan s audience is four times larger than all the top prime time cable TV hosts combined This book was inspired by a podcast episode in which Joe Rogan shared his views on Christianity To date not a single guest on Rogan s show has responded adequately to his misconceptions about the Christian faith Thus the other side of the story has not been presented to his millions of listeners In *My Imaginary Conversation with Joe Rogan About Christianity the Supernatural and Little Green Men A Survival Guide for*

Living in a Post Christian Culture Kevin Cortez gives a compelling response to Rogan's mistaken opinions. As you read you will discover how to respond to those who malign your beliefs amicably. The author takes complex theological concepts and presents them in a way that is easy to understand and apply to everyday life. He draws on a wide range of historical philosophical and scientific sources to build his case and his analysis is rigorous and well supported. He addresses many of the common criticisms of Christianity such as its role in unfair atrocities and its perceived irrelevance in the face of modern science. He offers insightful responses that challenge readers to rethink their assumptions. The book is divided into fourteen chapters and five Survival Guides each addressing a different aspect of Christianity's most commonly misunderstood concepts. It navigates a range of topics including morality, science, philosophy and history to demonstrate Christianity's enduring relevance and importance in our contemporary world. Each chapter includes simple questions encouraging readers to reflect on their own beliefs and attitudes toward God. In addition to using scripture to support his claims, Cortez uses his forty years of personal experiences and encounters within the Christian subculture to illustrate his points. Perhaps most notably, he is unafraid to tackle controversial issues such as the miraculous, New Atheism, psychedelics, UFOs, aliens, The Big Bang Theory, speaking in tongues, the born gay question, the prosperity gospel and demonology. His thought-provoking perspective is refreshingly nuanced and balanced. Whether you are a lifelong Christian or just beginning to explore faith, this book will deepen your understanding of God and give you a wealth of biblical references and theological concepts to build a God-centered life that can withstand the challenges of living in this post-Christian culture. Overall, for anyone interested in exploring the relevance and importance of Christianity in the modern world, Cortez's careful analysis, engaging writing and personal reflections make this book a must-read for believers and skeptics alike. *Sir Ellis Clarke* Timothy

Seigler, 2023-06-12 Dr Seigler has done a highly commendable job in producing a detailed biography on the life of Sir Ellis Clarke. His work *Sir Ellis Clarke: A Royal Son of the Soil* is insightful, thought-provoking and written in a reader-friendly style. Dr Lawrence Rossow, Former Dean, University of Houston, Victoria, *Sir Ellis Clarke: A Royal Son of the Soil* is an eloquent biography that introduces Americans to the life of Sir Ellis Clarke, a modern-day Founding Father of Trinidad and Tobago. Readers in the United States and around the world will be the likely beneficiaries of Dr Seigler's insight into how Sir Ellis struggled to devise a workable constitution for his own nation, might illuminate the constitutional jurisprudence of the United States. Dr Harvey Hinton, Former Assistant professor of Social Studies at North Carolina Central University. [Eleazar and the Messiah](#)

Robert Tremmel, 2021-04-30 My book presents the four gospels from the perspective of another eyewitness: a man named Eleazar. Eleazar is the Aramaic name for Lazarus, who is an historical character in the Gospel of John. I believe along with a minority of New Testament Scholars that Lazarus was the principle author of that gospel. As such, he was certainly an eyewitness to Jesus' ministry in Judea and perhaps even Galilee. I tried to write this book by keeping that narrator, Eleazar, in the background because I don't want it to read primarily as a first-person novel. Actually, I do, and I don't. I say that

because it is a lot more than an historical novel At times it certainly reads like a novel but the scholarly element is always present I do this by quoting most of the passages from the the four gospels and portions of Acts All the quotes are in italics so the reader is sure they are from the New Testament There are also numerous footnotes which are used to explain said passages Eleazar is basically my sounding board as he reacts to the gospel story He is actually myself and the reader as we struggle to understand the gospel message and its challenges My aim in my ministry is to get people to read the Bible particularly the gospels This book gives them the opportunity to do that but in a more relaxed and convenient way My book is not just for Catholics but everyone regardless of their denomination I respect all protestant denominations and have learned a great deal from many of them My approach is that of a scripture scholar where in I do not espouse a particular doctrine but merely let the words of scripture speak for themselves

**The Philosophy of the Christian Curriculum** R. J.

Rushdoony, 2012-10-17 The Christian School represents a break with humanistic education but too often in leaving the state school the Christian educator has carried the state's humanism with him A curriculum is not neutral it is either a course in humanism or training in a God centered faith and life The liberal arts curriculum means literally that course which trains students in the arts of freedom This raises the key question is freedom in and of man or Christ The Christian art of freedom that is the Christian liberal arts curriculum is emphatically not the same as the humanistic one It is urgently necessary for Christian educators to rethink the meaning and nature of the curriculum It should be clear then that whether history science mathematics grammar literature ecology civic duty or law every aspect of curriculum must be reconstructed along Biblical lines The overall objective is for Christian families to prepare and equip themselves for service in the Kingdom of God and this cannot be done without a rethinking of the philosophy of the Christian curriculum In this study Rousas John Rushdoony develops the philosophy of the Christian curriculum It is the pioneering study in this field and it is important reading for all Christian educators

**What to Do When Faith Seems Weak and Victory Lost** Kenneth E. Hagin, 1979-05 There is no need to be defeated God has given us His Word He is all the equipment we need Kenneth E Hagin writes in the preface to his book What to Do When Faith Seems Weak and Victory Lost I meet Christians all the time who have problems Rev Hagin continues They have come to the place where they say I don't know what to do Have you ever been there This is the reason for this book These 10 steps taken in sequence will bring anyone out of defeat into certain victory In the book's summary Rev Hagin warns Do not make the mistake multiplied thousands of Christians are making That is wondering and wavering concerning the will of God in anything that is promised by God
