Freedom Writers Diary By Erin Gruwell:

The Freedom Writers Diary (20th Anniversary Edition) The Freedom Writers, Erin Gruwell, 2007-04-24 1 NEW YORK TIMES BESTSELLER The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, Freedom Writers: Stories from the Heart. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of unteachable at-risk students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks; none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the Freedom Writers. Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture, Freedom Writers. And now, with this twentieth anniversary edition, readers are brought up to date on the lives of the Freedom Writers as they blend indispensable takes on social issues with uplifting stories of attending college and watching their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

Dear Freedom Writer The Freedom Writers, Erin Gruwell, 2022-03-29 The students of today tell their stories of adversity and growth in letters to the original Freedom Writers, authors of the 1 New York Times bestseller The Freedom Writers Diary, who wrote supportive and powerful letters in response. Over twenty years ago, the students in first-year teacher Erin Gruwell's high school class in Long Beach, California, were labeled unteachable, but she saw past that. Instead of treating them as scores on a test, she understood that each of them had a unique story to tell. Inspired by books like Anne Frank's diary, her students began writing their own diaries, eventually dubbing themselves the Freedom Writers. Together, they co-authored The Freedom Writers Diary, which launched a movement that remains incredibly relevant and impactful today. Their stories speak to young people who feel as if those around them do not care about their lives, their feelings, and their struggles. They want to be heard; they want to be seen. In Dear Freedom Writer, the next generation of Freedom Writers shares its struggles with abuse, racism, discrimination, poverty, mental health, imposed borders, LGBTQIA identity, and police violence. Each story is answered with a letter of advice from an original Freedom Writer. With empathy and honesty, they address these young people not with the platitudes of a politician or a celebrity but with the pragmatic advice of people who have dealt with these same issues and come out on the other side. Through its eye-opening and inspiring stories, Dear Freedom Writer paints an unflinchingly honest portrait of today's youth and offers a powerful message of perseverance.
