## From Idea To Essay 13th Edition:

*The Writers Directory*, 2013      **Carlos Monsivís** Linda Egan, 2001-09 One of Mexico's foremost social and political chroniclers and its most celebrated cultural critic Carlos Monsivís has read the pulse of his country over the past half century The author of five collections of literary journalism pieces called *crónicas* he is perhaps best known for his analytic and often satirical descriptions of Mexico City's popular culture This comprehensive study of Monsivís's *crónicas* is the first book to offer an analysis of these works and to place Monsivís's work within a theoretical framework that recognizes the importance of his vision of Mexican culture Linda Egan examines his ideology in relation to theoretical postures in Latin America the United States and Europe to cast Monsivís as both a heterodox pioneer and a mainstream spokesman She then explores the poetics of the contemporary chronicle in Mexico reviewing the genre's history and its relation to other narrative forms Finally she focuses on the canonical status of Monsivís's work devoting a chapter to each of his five principal collections Egan argues that the five books that are the focus of her study tell a story of ever renewing suspense we cannot know the end until Monsivís is through constructing his literary project Despite this she observes his work between 1970 and 1995 documents important discoveries in his search for causes effects and deconstructions of historical obstacles to Mexico's passage into modernity While anthropologists and historians continue to introduce new paradigms for the study of Mexico's cultural space Egan's book provides a reflexive twist by examining the work of one of the thinkers who first inspired such a critical movement More than an appraisal of Monsivís it offers a valuable discussion of theoretical issues surrounding the study of the chronicle as it is currently practiced in Mexico It balances theory and criticism to lend new insight into the ties between Mexican society social conscience and literature      *An Essay on the Modern State* Christopher W. Morris, 2002-07-29 This important book is the first serious philosophical examination of the modern state It inquires into the justification of this particular form of political society It asks whether all states are nation states what are the alternative ways of organizing society and which conditions make a state legitimate The author concludes that while states can be legitimate they typically fail to have the powers e.g. sovereignty that they claim Christopher Morris has written a book that will command the attention of political philosophers political scientists legal theorists and specialists in international relations      *Crafting Creativity & Creating Craft* Courtney Lee Weida, 2014-11-04 This nine chapter volume explores creativity in art teaching through contemporary craft A variety of artists educators and historians share with readers their wealth of practical resources and frameworks for utilizing craft media fiber ceramics baskets needlepoint knitting etc and craft approaches grassroots projects digital communities craftivism etc within contemporary K 12 art education museum and community programming and teaching artist residencies Authors representing a variety of specialties in craft art and education examine the resurgence of the handmade and homemade in contemporary youth culture digital implications of how we define and teach craft creatively and the overlap of design function and beauty in artists work The anthology also

describes the challenges and potentialities of working with craft in education settings including the overarching craft of teaching practices Each chapter provides a range of creative frameworks and practical models that educators can use comprehensively from dynamic digital resources to community groups and lesson plans and activities in craft with art classes and special needs classes The book serves to propose a working definition and rationale of the functions of craft in daily life popular and youth culture and larger social issues including craft D I Y and activism craftivism *Genetic Linguistics* Joseph Greenberg,2005-03-17 This book collects Joseph Greenberg s most important writings on the genetic classification of the world s languages William Croft sets the work in context and considers its impact and the bitter controversy it excited

known as Landmarkism      *Ancient Logic, Language, and Metaphysics* Andrea Falcon, Pierdaniele Giaretta, 2019-07-16 The  
late Mario Mignucci was one of the most authoritative original and influential scholars in the area of ancient philosophy  
especially ancient logic Collected here for the first time are sixteen of his most important essays on Ancient Logic Language  
and Metaphysics These essays show a perceptive historian and a skillful logician philosophically engaged with issues that are  
still at the very heart of history and philosophy of logic such as the nature of predication identity and modality As well as  
essays found in disparate publications often not easily available online the volume includes an article on Plato and the  
relatives translated into English for the first time and an unpublished paper on De interpretatione 7 Mignucci thinks  
rigorously and writes clearly He brings the deep knowledge of a scholar and the precision of a logician to bear on some of the  
trickiest topics in ancient philosophy This collection deserves the close attention of anyone concerned with logic language  
and metaphysics whether in ancient or contemporary philosophy      **Publishers' Circular and General Record of British
