Full Tilt Dervla Murphy, 2004-01-01 Dervla Murphy's epic journey began during the coldest winter in living memory and took her through Europe Persia Iran Afghanistan over the Himalayas to Pakistan and into India A woman travelling alone in these countries was the unusual focus of interest and even when the weather improved there were difficulties and dangers enough to satisfy the most dedicated traveller But although in a world of vanishing tracks and political chaos the solitary cyclist was grateful for the revolver in her saddle bag her journey was enriched by acts of unexpected kindness Full Tilt was Dervla Murphy's first journey and first book starting a long and celebrated life of travel writing in the most remote and wildest parts of the world So for someone who has read one of her books and enjoyed it or for anyone who would like to get to know the work of one of our greatest and most intrepid travel writers this is the book to take you back to where it all started

The Vagabond's Way Rolf Potts, 2022-10-04 Thought provoking encouraging and inspiring Gretchen Rubin reflections on the power of travel to transform our daily lives from the iconoclastic travel writer scholar and author of *Vagabonding* For readers who dream of travel yearn to get back out on the road or want to enrich a journey they're currently on *The Vagabond's Way* explores and celebrates the life altering essence of travel all year long Each day of the year features a meditation on an aspect of the journey anchored by words of wisdom from a variety of thinkers from Stoic philosopher Seneca and poet Maya Angelou to Trappist monk Thomas Merton and Grover from Sesame Street Iconoclastic travel writer and scholar Rolf Potts embraces the ragged edged harder to quantify aspects

of travel that inevitably change travelers lives for the better in unexpected ways The book s various sections mirror the phases of a trip including dreaming and planning the journey All life affecting journeys and the unexpected wonders they promise become real the moment you decide they will happen embracing the rhythms of the journey The most poignant experiences on the road occur in those quiet moments when we recognize beauty in the ordinary finding richer travel experiences Developing an instinct to venture beyond the obvious on the road allows you to see places as mysteries to be investigated expanding your comfort zone No moment of instant gratification can compare to savoring an experience that has been earned by enduring the adversity that comes with it The Vagabond s Way encourages you to sustain the mindset of a journey even when you aren t able to travel and affirms that travel is as much a way of being as it is an act of movement

Asian Home: Situating Self in Western Women's Select Travel Narratives Dr. Devika S, 2023-03-09 How did the West's countercultural notions widen their zeal and zest onto the Himalayas How did Nepal turn out to be a safe haven for Western women who made their travels to different Asian countries With no direct traces of colonialism the opening of Nepal to foreigners after 1951 offered travelers a new destination for imbibing Eastern spiritual traditions The post War condition was fertile for several radical movements Many people found solace in traveling to escape from the brutal after effects of the Second World War The socio political and economic conditions of Europe and America post World War II necessitated the need to travel to overcome the trauma of the war For women travel became the means of empowerment and at the same time a spiritual endeavour The knowledge and understanding of theology and other spiritual knowledge led many travelers to be part of the hippie trail in which Nepal is the final destination This book offers a fresh outlook to women's perceptions of a second home in a foreign land
