,1997-12-31 **December 11, 1975** United States. Congress. Joint Economic Committee,1976 *Information Rights* Philip Coppel,2014-12-01 This is the fourth edition of what is the leading practitioner's text on freedom of information law Providing in depth legal analysis and practical guidance it offers complete authoritative coverage for anyone either making handling or adjudicating upon requests for official information The three years since the previous edition have seen numerous important decisions from the courts and tribunals in the area These and earlier authorities supply the basis for clear statements of principle which the work supports by reference to all relevant cases The book is logically organised so that the practitioner can quickly locate the relevant text It commences with an historical analysis that sets out the object of the legislation and its relationship with other aspects of public law Full references to Hansard and other Parliamentary materials are provided This is followed by a summary of the regime in five other jurisdictions providing comparative jurisprudence which can assist in resolving undecided points The potential of the Human Rights Act 1998 to support rights of access is dealt with in some detail with reference to all ECHR cases Next follows a series of chapters dealing with rights of access under other legislative regimes covering information held by EU bodies requests under the Data Protection Act and the Environmental Information Regulations public records as well as type specific rights of access These introduce the practitioner to useful rights of access that might otherwise be overlooked They are arranged thematically to ensure ready identification of potentially relevant ones The book then considers practical aspects of information requests the persons who may make them the bodies to whom they may be made the time allowed for responding the modes of response fees and

vexatious requests the duty to advise and assist the codes of practice government guidance and its status transferring of requests third party consultation The next 13 chapters comprising over half the book are devoted to exemptions These start with two important chapters dealing with general exemption principles including the notions of prejudice and the public interest The arrangement of these chapters reflects the arrangement of the FOI Act but the text is careful to include analogous references to the Environmental Information Regulations and the Data Protection Act 1998 With each chapter the exemption is carefully analysed starting with its Parliamentary history giving full references to Hansard and other Parliamentary material and the treatment given in the comparative jurisdictions The analysis then turns to consider all court judgments and tribunal decisions dealing with the exemption The principles are stated in the text with footnotes giving all available references Whether to prepare a case or to prepare a response to a request these chapters allow the practitioner to get on top of the exemption rapidly and authoritatively The book concludes with three chapters setting out the role of the Information Commissioner and the Tribunal appeals and enforcement The chapter on appeals allows the practitioner to be familiar with the processes followed in the tribunal picking up on the jurisprudence as it has emerged in the last eight or so years Appendices include precedent requests for information a step by step guide to responding to a request comparative tables and a table of the FOI Act s Parliamentary history Finally the book includes an annotated copy of the FOIA Act the Data Protection Act 1998 the Environmental Information Regulations 2004 all subordinate legislation made under them EU legislation Tribunal rules and practice directions and the Codes of Practice Contributors Prof John Angel former President of the Information Tribunal Richard Clayton QC 4 5 Gray s Inn Square Joanne Clement 11 KBW Gerry Facena Monkton Chambers Eleanor Gray QC

The Nexus Between Legal Pluralism and Inclusive Finance Gebreyesus

Yimer, 2024-12-10 This open access book provides detailed information on informal credit markets in Africa and how various legal systems affect these markets Laws that impose strict formalism exclude many people from the financial system The lessons learned from the informal credit markets in Ethiopia and South Africa indicate that pluralism offers better opportunities for people to access affordable and sustainable financial services Inclusive legal systems promote inclusive financial systems Therefore international development organisations financial institutions international financial policymakers and standard setters should embrace pluralism to foster sustainable inclusive and equitable financial systems Pluralism recognises local innovation and creativity which are vital for inclusive financial systems to flourish In developing countries many people who have no or only limited access to the services of official financial institutions often depend on informal credit markets National law is the most critical element in terms of determining the operations of informal credit markets defining the boundaries between formal and informal markets and shaping the consequences of involvement in informal credit markets This book will interest researchers scholars and students in the fields of legal theory law and society law and anthropology legal pluralism law and culture and African law However its relevance extends beyond academia
