STRATEGIC FINANCIAL MANAGEMENT, SECOND EDITION SOFAT, RAJNI, HIRO, PREETI, 2015-10-28 The Second Edition of the book encompasses two new chapters: Strategic Cost Management and Business Ethics. A Strategic Financial Management Instrument. The book, being an augmented version of the previous edition, equips the young managers with the fundamentals and basics of strategic management and financial management in a cogent manner. The text now provides a better orientation to the students on the topics like corporate restructuring, divestitures, acquisitions, and mergers in the global context with the help of examples and caselets. The book has been revised, keeping in view the requirements of postgraduate students of management and the students pursuing professional courses such as CA, MFC, and CS. In addition, professionals working in the corporate sector may also find the book beneficial to integrate the financial management functions into business strategy and financial operations. Distinctive features: Model question papers have been appended at the end of the book. Better justification of topics by merging the contents wherever required. Theory supported with caselets inspired from global as well as Indian context.

Management Andragogics 2 Albert Stähli,2005-09-23 At a time when managers often provide fodder for unseemly headlines and some are even compared unflatteringly with locusts today s business leaders are called upon as never before to demonstrate the moral justification for their activities and to ensure that it is understood by all the key stakeholders of a company What is required is nothing less than a management renaissance based on a thoroughgoing concept of corporate leadership there is no less a need for decision makers who hold themselves to the highest standards with a positive perception of their function as agents of dissemination and who are committed to the good not only of their firm but also of society in general Particularly in today s environment of significant movements of goods the highest priority is accorded to the social and labor policy elements of company management For its part the State must create advantageous framework conditions and promote the willingness to accept risk that is fundamental to the

entrepreneurial spirit A social constitutional state with a liberal social structure has always been and remains the prime concern of democratically spirited forces everywhere When managers live up to the expectations with which they are entrusted they lend the social market economy often misunderstood and sometimes even misused a new luster This in turn fulfils the hopes and expectations of those Europeans for whom the development of pan European structures stands for the recovery from post communist stagnation

RESEARCH TREND IN BUSINESS AND ECONOMICS Dr. Nitashree Barman,

Case Method and Pluralist Economics Kavous Ardalan, 2017-12-09 This book discusses the relationship between pluralist economics and the case study method of teaching advocating the complimentary use of both to advance economics education Using a multi paradigmatic philosophical frame of analysis the book discusses the philosophical methodological and practical aspects of the case study method while drawing comparisons with those of the more commonly used lecture method The book also discusses pluralist economics through the exposition of the philosophical foundations of the extant economics schools of thought which is the focal point of the attention and admiration of pluralist economics More specifically the book discusses the major extant schools of thought in economics Neo Classical Economics New Institutional Economics Behavioral Economics Austrian Economics Post Keynesian Economics Institutional Economics Radical Economics and Marxist Economics and emphasizes that these schools of thought in economics are equally scientific and informative that they look at economic phenomena from their certain paradigmatic viewpoint and that together they provide a more balanced understanding of the economic phenomenon under consideration Emphasizing paradigmatic diversity as the cornerstone of both the case method and pluralist economics the book draws the two together and makes an effective case for their combined use A rigorous multi faceted analysis of the philosophy methodology and practice of economics education this book is important for academicians and students interested in heterodox economics philosophy and education
