Leah Ross, Torn between family and duty Sanjay is home in Farashtar at the behest of his father He resents deferring his career as a knight to obey royal obligation but he's powerless to escape his father's influence Sanjay soon discovers that the duke's pet project is more than aristocratic fancy though and the corruption lurking within the palace walls could shatter the very foundation of Sehaann Sanjay isn't perfect He's a fighter a strategist deadly with a blade and master of his magic He's a knight not a saint Despite his dishonorable past he'd rather be remembered for his morality and not for his many transgressions Yet with his conscience at war with his responsibility it's maddeningly difficult to decide where his loyalty should lie He'll lose no matter what he does Mired in endless uncertainty only one truth remains ending up on the wrong side will cost him everything Only barely considered part of the Farashtaran aristocracy Josha is used to being overshadowed by the influence and privilege of his peers But as a knight and elite fighter of Sehaann he wields his sword in protection of the realm rejecting the voracious divisive ambition that he despises Back home for the first time in years though Josha comes face to face with the demons of his past Someone is pulling him away from Sanjay and Josha must choose between his best friend and the fate of his country Sanjay and Josha have never known life without the other in it But much has changed since the simplicity of their youth and the pressure of political conspiracy just might tear them apart forever If they can thwart the burgeoning treachery without succumbing to it in the process then perhaps they can begin to right the grievous injustice threatening to topple the Sehaannian throne And if the rampant betrayal proves too difficult to fight then they may be forced to abandon honor just to survive This work is intended for a mature audience and contains mature content For a more comprehensive list of content tags please see this book's information page at the author's website Keywords mm romance sword sorcery magic quest alternate universe AU knight romance royal romance mm fantasy romance gay fantasy romance

Lord and Master Jules Jones, 2007-02-13 When Mark's PhD supervisor sent him for a job interview with an old university friend he didn't mention that the friend was devastatingly handsome. He also neglected to mention to either that the other is gay. Steven was just looking for a young scientist to train as a PA to help him run his technology company. No extra services required. But watching other people react to a young pretty man playing secretary to an openly gay CEO amused them both. Watching people wonder if they were having an affair was an entertaining game. But when the game became real and caught them both up, Mark was left wondering how real. Because he's the one PA in the building who can't marry the boss.

The Warrior King Leah Ross, 2022-01-04 Oron didn't want to rule Sehaann. But now he's leading his nation to war for its very existence. He fights for his people's safety for a peaceful future for freedom from the tyranny trying to eliminate him. Heritage has plagued his life and now that legacy hangs on the edge of oblivion. No matter how he got here he can't let it fall. Because failure means the end of everything he loves. Caught between obligation and duty, treachery and redemption, Sanjay is powerless to stop the machinations dragging him into war on the wrong side of the battlefield. He can't fathom opposing his knightly brethren but when he's forced to face Oron from the enemy lines, all of his worst nightmares suddenly become reality. Destroy Oron and the knights of Sehaann or sacrifice all he holds dear. Either choice means Sanjay loses. The persistent rage simmering in Kyren's soul is now a demon threatening to consume him. Everywhere he turns the consequences of his failure torment and remind him of how unworthy he is of his elite status. He's a liability to those he's sworn to protect and jeopardizes Oron's battle plans at the worst possible moment. If he can't control his seething vengeance, he'll lose much more than his position. He'll take the world down with him. All William wants is to protect his family. The ones he loves are worth everything to him so he extends his power beyond known limits to help Oron and his army succeed. What he achieves is beyond anyone's expectation but it's more than even an immortal winged warrior can withstand. With godlike energy at his fingertips he can alter reality to his whim. If he doesn't obliterate it first. Overwhelmed and under siege, Taj can barely provide for his own community when refugees start arriving from around the country. As casualties mount, his leadership and therapeutic skills are stretched to the brink. But nothing prepares him for the horror of battle where seconds mean the difference between life and death. Not even a gifted healer can save everyone. And sometimes seconds are a luxury that no one can afford. In the ultimate battle for Sehaann's survival, honor will be tested, loyalty will be shattered, sacrifices will be made, and no one will emerge unscathed. Everyone's spent a lifetime giving all they have to fight for what they believe in. Now is when they find out if it's enough. This work is intended for a mature audience and contains mature content.
