Becoming Good David W. Gill,2022-07-07 Becoming Good Building Moral Character 2000 is a study of character the kind of people we are our habits dispositions inclinations virtues and vices Without good character we do not have the strength or wisdom to fight off temptation and do the right thing no matter how good our principles may be For this study Jesus Beatitudes are the primary guide with Paul s faith hope and love a close second Becoming Good digs deep into the biblical text and vocabulary listens to the great biblical and ethical teaching of the past two millennia and provides abundant contemporary illustrations and applications Becoming Good works as a stand alone study the ethics of being virtue ethics but it is also the companion to Doing Right the ethics of doing decision and action

Ethics in Pharmacy Practice: A Practical Guide Dennis M. Sullivan,Douglas C. Anderson,Justin W. Cole,2021-06-16 This textbook offers a unique and accessible approach to ethical decision making for practicing pharmacists and student pharmacists Unlike other texts it gives clear guidance based on the fundamental principles of moral philosophy explaining them in simple language and illustrating them with abundant clinical examples and case studies The strength of this text is in its emphasis on normative ethics and critical thinking and that there is truly a best answer in the vast majority of cases no

matter how complex The authors place high trust in a pharmacist's moral judgment This teaches the reader how to think based on ethical principles not necessarily what to think This means navigating between the two extremes of overly theoretical and excessively prescriptive The cogent framework given in this text uses the language of competing duties identifying the moral principles at stake that create duties for the pharmacist This is the balancing act of normative ethics and of deciding which duties should prevail in a given clinical situation This work presents a clear cut pathway for resolving ethical dilemmas encountered by pharmacists based on foundational principles and critical thinking Presents a clear cut pathway for resolving the ethical dilemmas encountered by pharmacists based on foundational principles and critical thinking Jon E Sprague RPh PhD Director of Science and Research for the Ohio Attorney General Christian Ethics Steve Wilkens,2017-06-27 Steve Wilkens edits a conversation between four major approaches to contemporary ethics in the Christian tradition virtue divine command natural law and prophetic This accessible introduction includes contributions by Brad Kallenberg John Hare Claire Peterson and Peter Heltzel **Legalism** L. J. Anderson,2025-08-01 What if your definition of legalism is too narrow In this compact theological work L J Anderson exposes legalism not just as a misapplied emphasis on rules but as a fully developed ethical and salvific system that masquerades as righteousness With clarity and conviction Anderson dismantles the appeal of legalism by analyzing both its strengths and fatal flaws Drawing from Scripture historical theology and moral philosophy he demonstrates why legalism ultimately replaces relationship with performance and why God hates it This book challenges both legalists and antinomians to recover a biblical vision of obedience one that is relational Spirit empowered and rooted in love for God It also serves as a theological and ethical prequel to Salvation by Faith Alone Anderson's deeper exploration of faith works and the gospel If you've been labeled a legalist for obeying Scripture or are confused about how obedience relates to grace this book is for you *The Well-Trained Mind* Susan Wise Bauer,Jessie Wise,2009-05-04 Outstanding should be on every home educator's reference bookshelf Homeschooling Today This educational bestseller has dominated its field for the last decade sparking a homeschooling movement that has only continued to grow It will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school Two veteran home educators outline the classical pattern of education the trivium which organizes learning around the maturing capacity of the child's mind With this model you will be able to instruct your child in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Newly revised and updated The Well Trained Mind includes detailed book lists with complete ordering information up to date listings of resources publications and Internet links and useful contact information *Of Mottos and Morals* Mike W. Martin,2012-12-13 Whether in slogans catchphrases adages or proverbs we encounter mottos every day but we rarely take time to reflect on them In Of Mottos and Morals Simple Words for Complex Virtues Martin explores the possibility that mottos themselves are worthy of serious thought examining how they

contribute to moral guidance and help us grapple with complexity *Transformational Ethics of Film* Martin P. Rossouw, 2021-05-31 What is the good of the film experience And how does the budding field of film as philosophy answer this question Charting new routes for film ethics Martin P Rossouw develops a critical account of the transformational ethics at work within the film as philosophy debate Whenever philosophers claim that films can do philosophy they also persistently put forward edifying practical effects potential transformations of thought and experience as the benefit of viewing such films Through rigorous appraisals of key arguments and with reference to the cinema of Terrence Malick Rossouw pieces together the idea of an inner makeover through cinema a cinemakeover which casts a distinct vision of film spectatorship as a practice of self transformation Recasting much of the existing debate Martin Rossouw s emphasis on film s power for enacting ethical transformation rather than theoretical insight or discovery gives a much needed shot in the arm to a topic whose development has stalled in recent years This highly original book offers a unique and provocative contribution to the scholarship Rossouw is a persistent questioner often demonstrating sharp philosophical instincts Shawn Loht *Philosophy in Review* Vol 43 no 1 February 2023 At once a comprehensive record and a ceaseless meta critique Rossouw s *Transformational Ethics of Film* is a thorough and bittersweet investigation into the aspiration and limits of this strand of film philosophy scholarship Rossouw s detailed commitment to this critical exercise both provides a bountiful resource for film ethics scholarship bringing organized clarity to an otherwise scattered but nonetheless commanding school of thought and presents a potentially radical prospect for the position of meta hermeneutics in the world of art theory Daniel E Smith *New Review of Film and Television Studies* Vol 22 no 2 July 2024 *The Unformed Conscience of Evangelicalism* J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century **Handbook of Ethical Foundations of Mindfulness** Steven Stanley, Ronald E. Jumper, Steven E. Keith, Michael W. Langston, 2024-03-26 This comprehensive introduction to the ministry of chaplaincy brings together three authors who oversee three of the leading chaplaincy programs in the United States Written from an evangelical perspective the book covers the foundations of chaplaincy and surveys specific types of chaplaincy work In the first half of the book the authors delve into the history of chaplaincy work as well as its biblical theological and philosophical foundations They introduce students to important topics such as endorsement placement and the constitutional and legal parameters of such work They also consider the person of the chaplain and the understanding of chaplaincy as Christian ministry In the second half of the book the authors bring together expert contributors to survey ten specific contexts for chaplaincy work such as education healthcare the military corporations prisons public safety and sports and they explore the future of chaplaincy This book will be an invaluable resource for students of chaplaincy **Pursuing Moral Faithfulness** Gary Tyra, 2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation *Introducing Christian Ethics* Scott Rae, 2016-08-16 Introducing Christian Ethics helps Christians form a sound basis for making ethical decisions in today's complex postmodern world Raising 14 key ethical questions on today's most pressing issues including abortion war sexual ethics capital punishment and more Scott Rae guides his readers in making moral choices wisely Based on the best selling college and seminary ethics textbook Moral Choices this book distills nearly two decades of teaching and study into a succinct and user friendly volume It is an ideal primer for pastors students and everyday Christians who desire engagement with the world around them in an intelligent and informed manner Teaching and study resources for the book including additional video clips based on the questions corresponding to each chapter make it ideal for use in the classroom as well as for pastors and for teaching settings within the church Resources are available through ZondervanAcademic.com **Bend the Knee or Seize the Throne** Nathan Tong, Michael J. Urlick, 2023-06-12 How is power used and abused What are the effects of abuse of power An examination of ethics and motivation along with concepts of justice and cultural awareness feed into a comprehensive dive into manifestations of leadership throughout the Seven Kingdoms *Atheism?* Stephen E. Parrish, 2019-05-06 Does atheism have a monopoly on reason and science Many think so or simply assume so Atheism challenges the many hidden assumptions that have led to the popular belief that atheism is the default position for explaining

reality Delving into the most basic and fundamental questions of existence this thought provoking book explains that atheism does not and cannot provide a secure foundation for thought and life Specifically it demonstrates that atheistic theories cannot explain the existence of an ordered universe the conundrums of consciousness and knowledge or why there is morality or beauty Rather than being the result of reason atheism is shown to be in effect a revolt against reason If you enjoy pondering the most basic issues that confront us in our world today then Atheism is the book for you *Integration* Paul J. Morrison, 2022-06-23 While the Southern Baptist Convention has so often been a step behind on the issue of race since its formation there was still light shining in the darkness a group of biblically faithful men and women who both recognized and fought for their racially marginalized brothers and sisters Chief among these men and women was Thomas Buford Maston T B Maston faithfully engaged the topic as the SBC s preeminent ethicist from 1922 1963 as a professor at Southwestern Baptist Theological Seminary This stand ultimately cost him his job Even still some sixty years later his theology and ethics model the full unity in Christ This book examines the writings of T B Maston in his efforts to reform the racially misguided interpretations of Scripture in the church and their subsequent prejudices Maston is not merely a visionary who foreshadowed the eventual position of the SBC and more widely the evangelical church but is one who directly caused legitimate change Maston s profound yet humble work gives a blueprint for future racial reconciliation through integration in the church Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New

Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church
