Nigeria - Politics, Religion, Pentecostal-Charismatic Power and Challenges Akintayo Emmanuel, 2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious encounters in Africa The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non Arab Muslim world The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace Without a domain of tolerance love equity and justice Nigeria will continually be immured by pessimism parochialism cynicism and mutual suspicion Despite being the largest economy in Africa and the most populous Black country Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam The significance of this goes beyond the borders of Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement s historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement s political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal

History of Education in Nigeria A. Babs Fafunwa,2018-10-03 Originally published in 1974 a comprehensive history of Nigerian Education from early times right through to the time of publication had long been needed by all concerned with Education in Nigeria students teachers and educational administrators No one was better qualified than Professor Fafunwa to provide such a book and in doing so he gave due emphasis to the beginnings of Education in its three main stages of indigenous Muslim and Christian Education Nigerian Education had been considered all too often as a comparatively recent phenomenon but this book points out from the start that Education is as old as Man himself in Africa and that both Islam and Christianity were comparative newcomers in the field A historical treatment of these three strands which have combined to make up the modern Educational system was vital to a clear understanding of what was needed for the future and most of the first half of the book is concerned with these Educational beginnings The imposing of a foreign colonial system on this framework did not always lead to a happy fusion of the systems and the successes and the failures are examined in detail There was no shortage of documentary evidence in the form of reports and statistics during the decades prior to publication but this evidence was frequently scattered and inaccessible to the student so that the author's careful selection of key evidence and reports often drawn from his own personal experience will be invaluable for those wishing to trace the development of Education in Nigeria up to the early 1970s A knowledge of the history and development of the Nigerian Education system of the numerous and intensely varied personalities and beliefs which have combined and often conflicted to shape it is indispensable to all students in colleges and universities studying to become teachers It is this knowledge that Professor Fafunwa set out to provide drawing on his wide experience as teacher writer and educationalist *School Life*,1963
