Hill, Kent Lineback, 2011-01-11 You never dreamed being the boss would be so hard You're caught in a web of conflicting expectations from subordinates your supervisor peers and customers You're not alone As Linda Hill and Kent Lineback reveal in *Being the Boss* becoming an effective manager is a painful difficult journey It's trial and error endless effort and slowly acquired personal insight Many managers never complete the journey At best they

just learn to get by At worst they become terrible bosses This new book explains how to avoid that fate by mastering three imperatives Manage yourself Learn that management isn't about getting things done yourself It's about accomplishing things through others Manage a network Understand how power and influence work in your organization and build a network of mutually beneficial relationships to navigate your company's complex political environment Manage a team Forge a high performing team out of all the I's who report to you Packed with compelling stories and practical guidance *Being the Boss* is an indispensable guide for not only first time managers but all managers seeking to master the most daunting challenges of leadership *Being the Boss* Linda Annette Hill, Kent Lineback, 2011 Are you the boss you need to be As good as your firm expects you to be Good enough to achieve your career aspirations *Being the Boss* can help no matter where you are on your journey In it Harvard Business School's Linda Hill and executive Kent Lineback combine six decades of research teaching practice and observation to provide the insights and information you need to move forward Some managers are content with just getting by But most stop making progress because they don't understand how to become a great boss what great bosses actually do or where they currently stand in comparison with where they should be In this book the authors show you how to measure yourself against what's required At the end you will clearly understand your strengths where you need to make progress and how to move forward Whether you're new or experienced this book is your guide to becoming the great boss you need to be for your firm your people and yourself *Being the Boss, with a New Preface* Linda A. Hill, Kent Lineback, 2019-02-26 Are you the boss you need to be You never dreamed being the boss would be so hard You're caught in a web of conflicting expectations from your subordinates from those above you and from your peers and customers You're not alone As Harvard Business School's Linda Hill and manager and executive Kent Lineback reveal in *Being the Boss* becoming an effective manager is a painful difficult journey It requires trial and error endless effort and slowly acquired personal insight Many managers never complete the journey and instead just learn how to get by At worst they become terrible bosses This essential book now with a new preface explains how to avoid that fate by mastering three imperatives Manage yourself Learn that management isn't about doing all the work on your own It's about leading others to accomplish things with you as their guide Manage your network Understand how power and influence work in your organization and build a network of mutually beneficial relationships to navigate your company's complex political environment Manage your team Create a high performing team out of all the I's who report to you Packed with compelling stories and practical advice *Being the Boss* is an indispensable guide not only for first time managers but for all managers seeking to master the most daunting challenges of leadership **Winning in Emerging Markets** Tarun Khanna, Krishna G. Palepu, 2010 About the Book The best way to select emerging markets to exploit is to evaluate their size or growth potential right Not according to Tarun Khanna and Krishna Palepu In *Winning in Emerging Markets* these leading scholars on the subject present a decidedly different framework for making this crucial choice The authors argue that the primary exploitable characteristic of emerging markets

is the lack of institutions credit card systems intellectual property adjudication data research firms that facilitate efficient business operations While such institutional voids present challenges they also provide major opportunities for multinationals and local contenders Khanna and Palepu provide a playbook for assessing emerging markets potential and for crafting strategies for succeeding in those markets They explain how to Spot institutional voids in developing economies including in product labour and capital markets as well as social and political systems Identify opportunities to fill those voids for example by building or improving market institutions yourself Exploit those opportunities through a rigorous five phase process including studying the market over time and acquiring new capabilities Packed with vivid examples and practical toolkits Winning in Emerging Markets is a crucial resource for any company seeking to define and execute business strategy in developing economies About the Authors Tarun Khanna is the Jorge Paulo Lemann Professor at Harvard Business School and the author of Billions of Entrepreneurs How China and India Are Reshaping Their Future and Yours Krishna Palepu is the Ross Graham Walker Professor of Business Administration and senior associate dean for international development at the Harvard Business School *The Path To Management Excellence* Mahmoud Shaban, This book is about communication It intends to share the situation of your organization with its employees shareholders and even customers It also help management to stay alert of any development within the organization It helps employees to keep updated and have a direct communication with management This book can benefit all managers and employees how to run their organization and how to keep in contact with stakeholders Finally it is also an efforts from the author to share his experience with others for fruitful results and better achievement **Crashkurs Geschäftsprozesse steuern** Michael Wörle, 2020-10-27 Geschäftsprozesse effizient zu steuern ist für Firmen eine zentrale Herausforderung und trägt maßgeblich zum Unternehmenserfolg bei Dieses Buch vermittelt die Grundlogik wie Prozesse richtig aufgebaut sein müssen und wie die Umsetzung in der Praxis erfolgt Der Autor zeigt worauf es bei Veränderungen in den Abläufen ankommt wie Sie konsequent nachhalten korrigieren mit Widerständen umgehen und die Beteiligten mit auf die Reise nehmen Mit den zahlreichen Beispielen in diesem Crashkurs optimieren Sie Ihre Prozesse und die wirtschaftliche Ausrichtung Ihres Unternehmens erfolgreich Inhalte Definition Prozess und was gute Prozesse auszeichnet Ziele vereinbaren und Wege zum Ziel Der Soll Prozess Wie sieht der optimale Workflow aus Der Ist Prozess Bestandsaufnahme Problemfelder Hebel für Veränderungen Vom Soll zum Ist Prozess Wie gelingt der bergang Steuern mit Zahlen Managing People in Organizations Thomas Klikauer, 2018-10-06 This new and engaging core textbook offers a unique line manager perspective that presents students with HRM topics and issues that they will be confronted with once they enter the world of work in a managerial role It is a concise text that focuses on providing students with all they need to know to equip them with a comprehensive understanding of the role the non HR manager plays in the day to day running of an organization The author's deep understanding and wide ranging knowledge of the subject matter means that the text is firmly founded on the latest research while the case studies topical and international examples and

experiential exercises that form a fundamental part of the book ensure that theory is always clearly applied to real world practice This text is an essential companion for MBA and postgraduate students who are studying modules on Human Resource Management or Managing People but who are non HRM specialists and do not require the exhaustive detail found in other HRM texts It is also suited for use alongside upper level undergraduate modules on these topics on mainstream business degrees
