When Harlem Was in Vogue David Levering Lewis, 1997-06 Stretching from the close of World War I to immediately after the Depression the Harlem Renaissance was a time of glorious artistic freedom and intellectual collaboration between black artists and white bohemians of Greenwich village In his masterful and fascinating study of this era Lewis takes a daring look at what was considered to be a successful utopian effort at assimilating and validating black culture in white America photos

The Muse in Bronzeville Robert Bone, Richard A. Courage, 2011-08-27 The Muse in Bronzeville a dynamic reappraisal of a neglected period in African American cultural history is the first comprehensive critical study of the creative awakening that occurred on Chicago's South Side from the early 1930s to the cold war Coming of age during the hard Depression years and in the wake of the Great Migration this generation of Black creative artists produced works of literature music and visual art fully comparable in distinction and scope to the achievements of the Harlem Renaissance This highly informative and accessible work enhanced with reproductions of paintings of the same period examines Black Chicago's Renaissance through richly anecdotal profiles of such figures as Richard Wright Gwendolyn Brooks Margaret Walker Charles White Gordon Parks Horace Cayton Muddy Waters Mahalia Jackson and Katherine Dunham Robert Bone and Richard A Courage make a powerful case for moving Chicago's Bronzeville long overshadowed by New York's Harlem from a peripheral to a central position within African American and American studies

The Restless City Joanne Reitano, 2010-07 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world's most exciting and diverse metropolis It shows how New York's perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation's premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that
