Writing Theology Well 2nd Edition Lucretia B. Yaghjian, 2015-09-24 A working guide for students conducting theological writing and research on theology and biblical studies courses this book integrates the disciplines of writing rhetoric and theology to provide a standard text for the teaching and mentoring of writing across the theological curriculum As a theological rhetoric it also encourages excellence in theological writing in the public domain by helping to equip students for their wider vocations as writers preachers and communicators in a variety of ministerial and professional contexts This 2nd Edition includes new chapters on Writing Theology in a New Language which explores the linguistic and cultural challenges of writing theology well in a non native language and Writing and Learning Theology in an Electronic Age addressed to distance learning students learning to write theology well from online courses and dealing with the technologies necessary to do so

Writing Down the Bones Natalie Goldberg, 2005 Offers advice on writing creatively discusses the importance of discipline and suggests writing exercises *Book Magic (2nd ed.)* Julie H. Ferguson, 2008-08-18 Book Magic 2nd ed is indispensable for every writer who dreams of publication Easy to read and practical it provides all the information and tools you need to understand the publishing industry and increase your chances of getting commercially published or ably manage your own self publication Books are magic They turn unknown writers into authors and perhaps even into household names But publishing is a complex world full of insider rules and financial constraints that if not respected cause good book ideas to vanish into thin air and writers to question their calling Discover how to weave some spells that boost your chances of getting published explore the wizardry surrounding agents query letters and book proposals and look into a crystal ball at trends in the North American market and in self and electronic publishing Find out how the Canadian and American publishing scenes differ and how approachable medium and small publishers really are Most importantly learn the best publishing option for your project Second edition is in paperback only

Pathways Through Writing Blocks in the Academic Environment Kate Evans, 2013-04-19 Writing blocks are likely to strike any writer even experienced ones at sometime or another Academia has its own challenges which can provoke blocks particular to that environment Drawing on her knowledge as writer psychotherapeutic counsellor and university tutor Kate Evans has put together a book which addresses many of the differing aspects of writing blocks including looking at their emotional and psychological foundations With discussion and practical exercises this volume suggests that an infusion of creative techniques can offer pathways through writing blocks in the academic environment The case studies provide an in depth consideration of varying experiences of writing blocks The book is aimed at students with essays projects or reports to write or theses to tackle as well as academics who are working on articles and books It will also offer insights for supervisors who wish to support those who are writing and guidance for people running writing groups within academia Over all the book encourages a creative collaborative approach which aims to equip academics for writing within the context of the twenty first century This book offers something for every academic

writer whether budding or experienced Students struggling with essays and dissertations will find many practical exercises along with invaluable advice More practised writers will encounter fresh insights I am confident that you the reader will enjoy this book which is itself a model of good writing Dr Linda Finlay the Open University UK *Alive in the Writing* Kirin Narayan,2012-03 Anton Chekhov is revered as a boldly innovative playwright and short story writer but he wrote more than just plays and stories In this book the author introduces readers to some other sides of Chekhov The Teacher-Writer Christine M. Dawson,2016-12-12 The Teacher Writer shows how teachers can pursue and sustain personally and professionally worthwhile writing practices even amidst the many demands associated with teaching It meets teachers wherever they are as novice teachers just beginning to pursue writing as teachers emerging from a professional development experience or as accomplished writers seeking to further their craft Chapter by chapter the book provides strategies to help teachers get started on projects build energy for writing overcome obstacles of limited time create support systems using online technologies and develop coherence across their writing lives The text includes useful writing group routines questions for framing collaborative inquiry methods for adapting writing communities to online settings and rich examples of conversations and texts shared in actual teacher writing group meetings Book Features Focuses on teacher writers and their actual experiences working together in a writing group including benefits and challenges Includes vignettes taken from writing group meetings that demonstrate the variety of ways teachers may participate and engage in writing Offers practical suggestions for teachers seeking to form writing groups including plans for online groups Shares strategies to help teacher writers expand their concepts of writing to include everything from exploratory texts to professional and academic writing An extremely important read for every teacher of writing this book focuses on the development of ideas and the exploration of language and structure instead of formulaic routines Here we see how teachers can locate or reawaken themselves as writers bringing fresh language literacy excitement and expertise into their classrooms Judith A Langer distinguished research professor University at Albany Readers of Christine Dawson s new book might be surprised to find themselves in a novelistic world where the literary characters are women who through talk and writing act in and on their complex lives They are teachers yes but they are also thoughtful mothers and daughters wives and friends and ready companions This is a newly liberated notion of a writing group of women who teach and a practical guide to those readers inspired to start their own group Anne Haas Dyson University of Illinois at Urbana Champaign **Writing Alone, Writing Together** Judy Reeves,2010-10-06 The lonely life of a writer need not be There are ways to break that isolation and find encouragement and support within groups of like minded people Sections in Writing Alone Writing Together include Writing Practice Groups Creating Writing Prompts Group Leadership and even What to Do with the Bores Whiners Control Junkies and Thugs Whether the group is oriented toward writing the great American novel or a family memory book this useful book offers an array of effective techniques to help writers achieve their goals The Making of Buddhist Modernism David L.

McMahan,2008-11-14 A great deal of Buddhist literature and scholarly writing about Buddhism of the past 150 years reflects and indeed constructs a historically unique modern Buddhism even while purporting to represent ancient tradition timeless teaching or the essentials of Buddhism This literature Asian as well as Western weaves together the strands of different traditions to create a novel hybrid that brings Buddhism into alignment with many of the ideologies and sensibilities of the post Enlightenment West In this book David McMahan charts the development of this Buddhist modernism McMahan examines and analyzes a wide range of popular and scholarly writings produced by Buddhists around the globe He focuses on ideological and imaginative encounters between Buddhism and modernity for example in the realms of science mythology literature art psychology and religious pluralism He shows how certain themes cut across cultural and geographical contexts and how this form of Buddhism has been created by multiple agents in a variety of times and places His position is critical but empathetic while he presents Buddhist modernism as a construction of numerous parties with varying interests he does not reduce it to a mistake a misrepresentation or fabrication Rather he presents it as a complex historical process constituted by a variety of responses sometimes trivial often profound to some of the most important concerns of the modern era

Fiction Across Borders Shameem Black,2010-01-12 Theorists of Orientalism and postcolonialism argue that novelists betray political and cultural anxieties when characterizing the Other Shameem Black takes a different stance Turning a fresh eye toward several key contemporary novelists she reveals how border crossing fiction represents socially diverse groups without resorting to stereotype idealization or other forms of imaginative constraint Focusing on the work of J M Coetzee Amitav Ghosh Jeffrey Eugenides Ruth Ozeki Charles Johnson Gish Jen and Rupa Bajwa Black introduces an interpretative lens that captures the ways in which these authors envision an ethics of representing social difference They not only offer sympathetic portrayals of the lives of others but also detail the processes of imagining social difference Whether depicting the multilingual worlds of South and Southeast Asia the exportation of American culture abroad or the racial tension of postapartheid South Africa these transcultural representations explore social and political hierarchies in constructive ways Boldly confronting the orthodoxies of recent literary criticism *Fiction Across Borders* builds upon such seminal works as Edward Said's *Orientalism* and offers a provocative new study of the late twentieth century novel **Writing Theology**
