Writing Poems Boisseau :

Writing Poems Michelle Boisseau, Christine Wallace, Randall Mann, 2008 A guide for aspiring poets includes advice on meter subject tone metaphor revision and more with numerous examples from poets classic and modern Writing Poems Michelle Boisseau, Robert Wallace, 2004 This book offers comprehensive coverage of the creative process and the technical aspects of writing poetry Filled with practical advice and numerous examples Writing Poems is appropriate for both the beginning and advanced poet Its anthology of classic and contemporary poems enlivens its readers understanding of poetry illustrates poetic principles and above all inspires writing With clear explanations a lively presentation and in depth discussions this book demystifies the process of writing poems and provides the guidance needed to help writers improve their craft For anyone interested in writing poetry *Writing Poetry* Chad Davidson, Gregory Fraser, 2008-11-26 Writing Poetry combines an accessible introduction to the essential elements of the craft with a critical awareness of its underpinnings The authors argue that separating the making of poems from critical thinking about them is a false divide and encourage students to become accomplished critics and active readers of poetic texts *Teaching Creative Writing* Graeme Harper, 2006-06-23 Featuring a collection of twelve teaching focused essays this work includes an introduction to the subject of creative writing by Graeme Harper Each chapter draws on key points about the nature of teaching and learning creative writing and covers vario The Poet's Companion: A Guide to the Pleasures of Writing Poetry Kim Addonizio, Dorianne Laux, 2010-11-22 From the nuts and bolts of craft to the sources of inspiration this book is for anyone who wants to write poetry and do it well The Poet s Companion presents brief essays on the elements of poetry technique and suggested subjects for writing each followed by distinctive writing exercises The ups and downs of writing life including self doubt and writer s block are here along with tips about getting published and writing in the electronic age On your own this book can be your teacher while groups in or out of the classroom can profit from sharing weekly assignments **The Cambridge Introduction to Creative Writing** David Morley, 2007-05-10 This pioneering book introduces students to the practice and art of creative writing and creative reading It offers a fresh distinctive and beautifully written synthesis of the discipline David Morley discusses where creative writing comes from the various forms and camouflages it has taken and why we teach and learn the arts of fiction poetry and creative nonfiction He looks at creative writing in performance as public art as visual art as e literature and as an act of community As a leading poet critic and award winning teacher of the subject Morley finds new engagements for creative writing in the creative academy and within science Accessible entertaining and groundbreaking The Cambridge Introduction to Creative Writing is not only a useful textbook for students and teachers of writing but also an inspiring read in its own right Aspiring authors and teachers of writing will find much to discover and enjoy Reading with Earth Anne Elvey, 2022-08-25 Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar Applying a re envisioned ecological feminist hermeneutics this book builds on two important responses

to twentieth and twenty first century situations of ecological trauma especially the complex contexts of climate change and cross species relations first ecological feminism second ecological hermeneutics in the Earth Bible tradition By way of readings of selected biblical texts this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature principally poetry is helpful in decolonizing ethics Such an approach is both informed by and speaks back to the new materialism in ecological criticism Poetry and Mindfulness Bryan Walpert,2017-11-01 At a time when the Humanities are under threat this book offers a defense of poetry within the context of growing interest in mindfulness in business health care and education The book argues that the benefits and insights mindfulness provides are also cultivated by the study of poetry These benefits include a focus on the present the ability to see through scripts and habits a rethinking of subjectivity and the development of ecological or systems thinking Bryan Walpert employs close readings of traditional and experimental poetry and draws on scientific studies of the effects of mindfulness or reading literature on the brain It argues the skills that poetry like mindfulness cultivates are useful beyond the page or classroom and ultimately are necessary to engage with such global issues as the environmental crisis *Forms of Poetry* Travis Lyon,2004 **Her Words** Felicia Mitchell,2002 A survey of Appalachian women poets includes the work of Maggie Anderson Lisa Coffman George Ella Lyon Nikki Giovanni Jo Carson Lynn Powell Barbara Smith and other female poetic voices Poetry *Negotiating the Personal in Creative Writing* Carl Vandermeulen,2011-08-19 This book describes an alternative way to teach Creative Writing one that replaces the silent writer taking criticism and advice from the teacher led workshop with an active writer who reflects upon and publically questions the work in progress in order to solicit response from a writers group as well as from the teacher Both accompany the writer first as readers and fellow writers only later as critics Because writers ask they listen and dialogues with responders become an inner dialogue that guides later writing and revision But when teachers accompany writers teaching CW becomes even more a negotiation of the personal because this teacher who is listener and mentor is also a model for some students of the writer and even the person they would like to become and still the Authority who gives the grades Dear Writer Maggie Smith,2025-04-10 How I wish I d had access to this book when I was first starting out as a writer Maggie Smith has created an offering here of great substance and generosity walking writers of all levels through the sometimes wild and terrifying landscape of literary endeavour ELIZABETH GILBERT Drawing from her twenty years of teaching experience bestselling writing career and popular newsletter in Dear Writer Maggie Smith breaks down the craft of writing and creativity into ten essential elements attention wonder vision play surprise vulnerability restlessness tenacity connection and hope Each element is explored through short inspiring and focused essays on everything from writing habits to word choice white space and redrafting Throughout Maggie offers practical writing prompts and generative activities that apply to the area of focus and sharpen creative skills Dear Writer provides tools that artists of all experience levels can apply to their own creative practices and carry with them
