

## TEST 1, WRITING TASK 2

This is an answer written by a candidate who achieved a **Band 6.0** score.

In our rather futuristic society for a number of reasons people are getting more interested in the past of their hometowns. With the help of rapidly ameliorating technology their desire to learn about the history can be easily put into life. But what are the roots of such an eagerness?

First of all, the hectic lifestyle that we all experience nowadays does not leave any space for calmness and peace in our souls, so most of the people – especially adolescence – are struggling with finding their feet, whilst having a broad spectrum of knowledge about the world around really gives a feeling of confidence in the impermanence of life. In addition to this, it is said that being aware of the past you can change the future. Consequently, if people want to live a better life in more comfortable environment, they have to explore the history of their homes in order not to repeat past mistakes.

For this aims we are lucky to have multiple tools to carry out research into the subject. Despite libraries being considered as an old-fashioned and not necessarily convinient approach of learning, there are actually quite a few books and magazines which are not available online but which are extremely helpful when it comes to the local interests. News, photos, articles and interviews with different people published in old magazines indeed provide with a clear image of past events. Brousing the internet forums is also a great idea to find new information and make friend with mutual objectives.

Putting everything into a nutshell, learning about the history of your place not only builds a sense of confidence but also might have a big impact on our future way of life.

The goal of this book The purpose of IELTS UP is to improve writing skills and give ideas for people who wish to receive a score of 6 0 7 0 or higher for Task 2 of IELTS Academic and General exam This book strives to reach your desired score by giving you the ideas and vocabulary for current topics I have many years of experience successfully developing learners for the IELTS exam and many more years as a writing examiner The layout of this book has been used with countless students with great success This book can be used in the classroom with a teacher or as a self study manual Description of Writing Task 2 Task 2 is similar to putting a jigsaw puzzle together The exam question gives a tiny picture of what you must make The puzzle pieces are in your mind somewhere but you only have 40 minutes to find them and put them together If you have ever built a jigsaw puzzle you know how essential the corner and edge pieces are This innovative book unlike any other gives you the corner and edge pieces ideas that match with all current exam questions No other book does this Having good ideas for topics is necessary to achieve 7 or higher on your IELTS writing This book will Give 5 to 10 minutes more to do Task 2 Give more ideas to write more Give you great ideas to make your Task 2 look better Give you more vocabulary and grammar Challenges to overcome for Writing Task 2 This book dramatically helps candidates with the two most notable complaints about IELTS Writing Candidate complaint 1 I do not have enough time to write Task 2 well Solution This book provides ALL type 2 questions and ideas so you can save time preparing before you start writing Candidate complaint 2 the topic is strange or not well known to me so it is hard to write a good essay Solution By looking at all the question especially the topics less familiar you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably Candidate complaint 3 It is not easy to use different words to talk about the same topic Solution Each topic in this book has synonyms and idioms to improve your vocabulary score This book has all the connecting words and referencing advice you need to receive a 7 to 8 Connecting words like however and there and knowing how to refer back to previous ideas is necessary for 7 and higher Vocabulary Many books give you lists of words and synonyms However then you lose points on your writing test because you have misused words or have the wrong collocation By looking at how this book uses different words to describe ideas in context you will have a much better idea when you write your exam This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories Task Achievement Coherence Cohesion and Lexical Resource vocabulary Note for teachers You can

format this book from epub to a Word document There are 47 lessons which can begin with the vocabulary questions included for each topic These questions will help learners to activate schemata and personalize lexis to improve writing and speaking For self study students You can study alone but more progress will be made if you have a partner or group You can use the vocabulary questions to improve your understanding of more academic words collocations that will help you with speaking listening and reading The book is not meant to be memorised but rather to give you ideas for you to add your examples You cannot memorise an essay You can have more ideas and vocabulary about many different topics so that when it comes time to write you can do so much more confidently Each essay style is provided with many examples vocabulary and vocabulary questions to help you improve your vocabulary
