Hannah Valenzuela, 2020-05-09 This textbook proposes a theoretical approach to linguistics in relation to teaching English  
Combining research with practical classroom strategies and activities it aims to satisfy the needs of new and experienced  
TESOL practitioners helping them to understand the features of the English language and how those features impact on  
students in the classroom The author provides a toolkit of strategies and practical teaching ideas to inspire and support  
practitioners in the classroom encouraging reflection through regular stop and think tasks so that practitioners have the  
opportunity to deepen their understanding and relate it to their own experience and practice This book will appeal to  
students and practitioners in the fields of applied linguistics TESOL EAL English language and linguistics EAP and business

interculturality reflecting on what the addition of the adjective critical means for research and teaching in interdisciplinary  
studies The book consists of 35 chapters including a comprehensive introduction and conclusion It aims to present current  
debates on critical interculturality and to help readers make sense of what the label implies and entails in global and local  
contexts especially where possible beyond dominant scholarship and pedagogical practices The chapters interrogate the use  
of terms in different languages to discuss interculturality drawing on recent literature from as many different parts of the  
world as possible Some contributors also problematise their own autobiographical engagement with critical interculturality  
in their chapters The book will be of interest to Master s and PhD students in education communication and intercultural  
studies who wish to develop their knowledge of critical interculturality Established researchers in these fields will also  
benefit from this invaluable and original source of essential reading      **Catalogue of "A.L.A." Library 5000 Volumes for
