resources [The Brotherhood of All Mankind](#) , **The Truth Behind Truths Volume I** Cedric Boswell,2013 Who are the Jews and Israelites of the Bible and why do they matter The Bible records their early history and offers a guide to identifying them today but more is needed to truly understand their significance In The Truth behind Truths author Cedric Boswell shares the history of the Jews as revealed in the Bible He asks pertinent questions not often seen in typical histories and provides Scriptures in support of his answers Beginning with Adam Boswell relates different stories of Jews in the Bible and how they are truly the chosen people of God Boswell argues that those who currently call themselves Jews do not fit the historic evidence in their looks or how they were dispersed from Israel He discusses skin pigmentation and explains that many of the early Jewish people were black and not white He then explores the subject of God s elect the genealogy of the Jews and the tribes of Israel In the last section Boswell tackles the heavy yet crucial subject of redemption An unorthodox and intriguing study The Truth behind Truths seeks to open your eyes to new questions and new perspectives on the Jews of the Bible **Jehovah the First Godfather** Carlton Marion Morris Jr.,2001-02-21 Through ignorance misunderstanding custom and tradition the Jewish and Christian religions have combined three distinct and individual entities into one being they call God This is contrary to their holy scriptures There are in fact three and individual entities in scripture who are know by this title There is GOD the universal creator the Lord God the creator of man and then there is Jehovah the God of the Jews He is the one we are most concerned about For he was the First Godfather In the book entitled Jehovah the First Godfather an agnostics view of God the Bible and Religion the appropriate scriptures are use to separate and explain the differences between these three entities and to explain the part they play in the creation of the universe the creation of man and the religion of one group of nomads called the Israelites For the lack of an understanding of the where when how why and by whom the universe was created we say that it is the handiwork of GOD He She or It designed created and controls this creation through laws and forces we are just now beginning to understand According to biblical scripture organic life both animal and vegetable were a part of that original design Primitive organic life began before the stars and moon were put into motion Gen 1 11 13 After the formation of the stars moons and planets more advance forms of organic life came into existence The Bible identifies a few of those the more advanced forms of life One of the species of life created as a part of that original design and may well have originated in the seas of another world was a race of beings identified by Jehovah during his instruction of Moses as the living creature It was a form of life which evolved into an intelligent creative thinking race of beings who became so advanced in their culture civilization science and technology that they began to travel the stars In their travels they stepped down upon many planets Some they tried to colonized The earth was one of those planets That colonization attempt failed In their one of their later visits a few thousand years ago they came to this planet to mine for minerals It was during this time that mankind was created We were naked slaves created to mine for the minerals they desired to wait on and serve them at their leisure Our creation was not by some heavenly or divine power out of love and

benevolence but out of commercial necessity We were created by the medical and scientific process of cloning The biblical description of the creation of Eve supports such an hypothesis The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life among them man himself The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God and by Melchizedek king and high priest of Salem as the Most High God To be the most high god indicates that there must have been lessor beings also identified as gods One of those lessor beings was Jehovah one of the subordinates of the Lord God He is identified in scripture as YHWH Yahweh Ishi Baali and Jehovah Jehovah assumed the title of a god when he convinced Abraham to follow him He did not become a god until he lead the Hebrews into the Sinai wilderness Gods need worshipers temples priests sacrificial offerings gifts and a land to call ones own Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness This was his first step in establishing his dynasty Once he had the congregation under his control he had taken the first step towards his ambition he had worshipers Next he ordained the tribe of Levi as the priests who would wait on and serve him **Is That**
