When God Talks Back Understanding The American Evangelical Relationship With Tm Luhrmann:

When God Talks Back T.M. Luhrmann, 2012-03-27 How does God become and remain real for modern evangelicals How are rational sensible people of faith able to experience the presence of a powerful yet invisible being and sustain that belief in an environment of overwhelming skepticism T M Luhrmann an anthropologist trained in psychology and the acclaimed author of *Of Two Minds* explores the extraordinary process that leads some believers to a place where God is profoundly real and his voice can be heard amid the clutter of everyday thoughts While attending services and various small group meetings at her local branch of the Vineyard an evangelical church with hundreds of congregations across the country Luhrmann sought to understand how some members were able to communicate with God not just through one sided prayers but with discernable feedback Some saw visions while others claimed to hear the voice of God himself For these congregants and many other Christians God was intensely alive After holding a series of honest personal interviews with Vineyard members who claimed to have had isolated or ongoing supernatural experiences with God Luhrmann hypothesized that the practice of prayer could train a person to hear God s voice to use one s mind differently and focus on God s voice until it became clear A subsequent experiment conducted between people who were and weren t practiced in prayer further illuminated her conclusion For those who have trained themselves to concentrate on their inner experiences God is experienced in the brain as an actual social relationship his voice was identified and that identification was trusted and regarded as real and interactive Astute deeply intelligent and sensitive *When God Talks Back* is a remarkable approach to the intersection of religion psychology and science and the effect it has on the daily practices of the faithful Luhrmann's "When God Talks Back. Understanding the American Evangelical Relationship with God". A Critical Reflection of her Findings and Approach Timothy McGlinchey, 2016-05-17 Essay from the year 2015 in the subject Ethnology Cultural Anthropology grade 1 0 Queen s University Belfast School of History and Anthropology course Social Anthropology language English abstract In this essay I will seek to summarise and critically engage with the theories Luhrmann developed the findings she made and importantly the approaches she used in the formation of her book *When God Talks Back* In doing so I hope to shed more light onto the field of the anthropology of religion by exploring the broader applications of her work I intend to introduce this essay in the same way Tanya Luhrmann 2012 introduces her book with perhaps some of the most intriguing and pertinent questions that challenge both the modern day understanding of religion and indeed the anthropologists who study it How are rational sensible people able to sustain belief in an endlessly powerful yet completely invisible God in an environment of overwhelming scepticism And how does this God become real for these people Luhrmann sought to answer these questions through long term ethnographic fieldwork amongst evangelical Christians more specifically congregants of the Vineyard churches across America **Devoted! Corporate Spirit Amanda Porterfield, 2018-03-01 In this groundbreaking work Amanda Porterfield explores the long intertwining of religion and commerce in the history of incorporation in the United States Beginning with the antecedents of that history in western Europe she focuses on organizations to show how corporate strategies in religion and commerce developed symbiotically and how religion has influenced the corporate structuring and commercial orientation of American society Porterfield begins her story in ancient Rome She traces the development of corporate organization through medieval Europe and Elizabethan England and then to colonial North America where organizational practices derived from religion infiltrated commerce and commerce led to political independence Left more to their own devices than under British law religious groups in the United States experienced unprecedented autonomy that facilitated new forms of communal governance and new means of broadcasting their messages As commercial enterprise expanded religious organizations grew apace helping many Americans absorb the shocks of economic turbulence and promoting new conceptions of faith spirit and will power that contributed to business Porterfield highlights the role that American religious institutions played a society increasingly dominated by commercial incorporation and free market ideologies She also shows how charitable impulses long nurtured by religion continued to stimulate reform and demand for accountability

The Study of Ministry Martyn Percy, Ian Markham, Emma Percy, Francesca Po, 2019-05-05 The Study of Ministry is a comprehensive guide to the theory and practice of ministry that attends to historical sources the social sciences pastoral theology ecclesiology and cultural studies The book argues for the study of ministry to be taken seriously as an aspect of ecclesiology and pastoral theology providing a stimulating resource both for practising ministers and for all those training for ministry in a range of denominations

When the Spirit Is Your Inheritance Jonathan Calvillo, 2024-11-12 Pentecostalism one of the fastest growing global religious movements counts Latine people among its earliest adopters Drawing on US based and migrant traditions Latine Pentecostals today continue to reinvent themselves in creative and adaptive ways While Pentecostalism initially drew attention for its ecstatic practices participants maintain a spirituality of deep interiority that has sustained Latine Pentecostals in the borderlands for generations When the Spirit Is Your Inheritance explores Latino Pentecostalism from an intergenerational insider perspective As a sociologist born and raised in Latino Pentecostalism Jonathan Calvillo curates an autoethnographic journey through the converging sociocultural streams shaping his Latino Pentecostal lifeworlds Focusing on lived religious practices sociological perspectives and grounded theological reflection Calvillo paints a critical and caring picture of Latino Pentecostalism Through snapshots of Pentecostal belonging in social and geographic borderlands the book

addresses issues of migration Latinidad race and social justice Ultimately Calvillo considers what the empathetic Spirit centric practices he has observed within Pentecostalism might teach others God's Unconditional Love Wilkie Au, Noreen Cannon Au, 2016 God's Unconditional Love shows how we meet God's love in our places of shame and darkness and how distorted images of God such as the judging God the indifferent God the demanding God keep us from approaching the God revealed by Jesus *New Paths in Jewish and Religious Studies* Glenn Dynner, Susannah Heschel, Shaul Magid, 2024-06-15 The work of Elliot R Wolfson has profoundly influenced the fields of Jewish studies as well as philosophy and religion more broadly His radically new approaches have created pioneering ways of analyzing texts and thinking about religion through the lens of gender sexuality and feminist theory The contributors to *New Paths in Jewish and Religious Studies* Essays in Honor of Professor Elliot R Wolfson many of whom are internationally renowned scholars hearken from diverse fields Each has learned from and collaborated with Wolfson as student or colleague and each has expanded the new scholarly directions initiated by Wolfson's groundbreaking work Wolfson's scholarship gives us innovative ways to think about Judaism and a fresh understanding of religion Not only a scholar Wolfson is one of the most important Jewish thinkers of our day Chapters are grouped according to the categories of religion Jewish thought and philosophy and a focused section on Kabbalah Wolfson's primary specialization The volume concludes with a bibliography of Wolfson's published work and a selection of his poetry **Edinburgh Companion to the Critical Medical Humanities** Whitehead Anne Whitehead, 2016-06-14 Original critical engagements at the intersection of the biomedical sciences arts humanities and social sciences In this landmark Companion expert contributors from around the world map out the field of the critical medical humanities This is the first volume to comprehensively introduce the ways in which interdisciplinary thinking across the humanities and social sciences might contribute to critique and develop medical understanding of the human individually and collectively The thirty six newly commissioned chapters range widely within and across disciplinary fields always alert to the intersections between medicine as broadly defined and critical thinking Each chapter offers suggestions for further reading on the issues raised and each section concludes with an Afterword written by a leading critic outlining future possibilities for cutting edge work in this area Key Features Offers an introduction to the second wave of the field of the medical humanities Positions the humanities not as additive to medicine but as making a decisive intervention into how health medicine and clinical care might think about individual subjective and embodied experience Exemplifies the commitment of the critical medical humanities to genuinely interdisciplinary thinking by stimulating multi disciplinary dialogue around key areas of debate within the field Presents thirty six original chapters from leading and emergent scholars in the field who are defining its new critical edge Youth Beyond the Developmental Lens Wesley W. Ellis, 2024-01-23 What happens when we stop thinking of young people as projects and recognize them for who they are here and now Wesley Ellis exposes the insidious impact of developmental psychology upon youth ministry and practice arguing instead for a theological anthropology of youth that can

help us see all people including adolescents as uniquely created in the image of God Propelled by the conviction that ministry requires us to see youth as beings rather than becomings Ellis demonstrates how we can reorient our vision toward ministry that prioritizes relationship and inclusion over rigid developmental frameworks A veteran youth minister across multiple denominations Ellis knows his subject deeply as both practitioner and theologian Youth beyond the Developmental Lens mines personal accounts the biblical narrative and a vast array of theological expertise to release readers from restrictive assumptions that have long bound youth ministry Ellis s finely tuned pastoral sensibilities bring all these elements into focus helping us understand ministry as relational and all humans as part of God s story Rostered ministers lay leaders and others engaged with youth will find an antidote to anxiety about the future of the church Ellis reminds us that God is here already Our call is simply to be

Religious Diversity Today Jean-Guy A. Goulet, Liam D. Murphy, Anastasia Panagakos, 2015-12-01

This insightful three volume set examines faith through the social and cultural perspective of anthropology sociology and religious studies shedding light on the role of religion in the human experience Why is human suffering and the existence of evil part of the human experience How does religious doctrine establish one s identity In what ways does religion interact with and shape the social order This thought provoking work ponders these questions and explores the concept of religion from various perspectives as a tool for self and community based spiritual awareness as a set of practices that translates faith into interaction with others and as a cornerstone of society for those who seek to harness or hinder its influence Written in accessible and inviting language each volume focuses on a particular dimension of religion The first book examines religious experience in the modern world and explores suffering in religious faiths the second volume centers around ritual and pilgrimage and the last book analyzes the controversial relationship between religion and societies The content features such thought provoking topics as death and green burials sexuality and sex trade and how and why evil manifests in the human experience

Sexton, 2023-11-10 An essential piece in California Studies Redemptive Dreams Engaging Kevin Starr's California offers the first critical engagement with the vision of California's most ambitious interpreter While Starr's multifaceted and polymathic vision of California offered a unique gaze synthesizing central features big themes and incredible problems with the propitious golden dream his eight volume California Dream series along with several other books and thousands of published articles and essays often puzzled historians and other scholars Historians in the contemporary school of critical historiography often found Starr's narrative approach seeking to tell the internal drama of the California story to be less attuned to the most important work happening in the field Such a perspective fails to acknowledge key developments in historical subfields like Black and African American Studies Chicana/o Studies Asian Studies Native Studies and others that draw from the narrative in their critical work and how this relates to Starr's contribution But it also neglects Starr as a theological interpreter Along with being a major figure in California institutional life with literary output spanning genres from journalism to critical cultural and political commentary to history and memoir Starr's unique contribution to California Studies as a distinctly Catholic historian has yet to be adequately understood Through his lived experience as a devout Catholic to the particular theological features of this faith tradition that animated his views this critical sociological perspective sheds new light on his project With contributions from sociology history and theology akin to investigations appearing in *Theology and California* Theological Refractions on California's Culture Routledge Redemptive Dreams offers interdisciplinary perspectives that highlight key features inherent in interdisciplinary theological reflection on place and illuminates these diverse disciplinary discourses as they appear in Starr's articulation of the California Dream Such a vision remains important for reckoning with California's place in the world *Faith Formation in a Secular Age : Volume 1 (Ministry in a Secular Age)* Andrew Root, 2017-10-03 The loss or disaffiliation of young adults is a much discussed topic in churches today Many faith formation programs focus on keeping the young believing the youthful spirit will save the church But do these programs have more to do with an obsession with youthfulness than with helping young people encounter the living God Questioning the search for new or improved faith formation programs leading practical theologian Andrew Root offers an alternative take on the issue of youth drifting away from the church and articulates how faith can be formed in our secular age He offers a theology of faith constructed from a rich cultural conversation providing a deeper understanding of the phenomena of the nones and moralistic therapeutic deism Root helps readers understand why forming faith is so hard in our context and shows that what we have lost is not the ability to keep people connected to our churches but an imagination for how and where God could be present in their lives He considers what faith is and what steps we can take to move into it exploring a Pauline concept of faith as encounter with divine action **Theologically Engaged Anthropology** J. Derrick Lemons, 2018-08-16 After years of discussion within the field of anthropology concerning how to properly engage with

theology a growing number of anthropologists now want to engage with theology as a counterpart in ethnographic dialogue Theologically Engaged Anthropology focuses on the theological history of anthropology illuminating deeply held theological assumptions that humans make about the nature of reality and illustrating how these theological assumptions manifest themselves in society This volume brings together leading anthropologists and theologians to consider what theology can contribute to cultural anthropology and ethnography It provides anthropologists and theologians with a rationale and framework for using theology in anthropological research

Nine Dimensions of Madness Robert L. Gallon, 2015-11-17 In a book that reframes the mental health debate Robert L Gallon challenges the widely held notion that mental disorders are medical diseases Drawing on his extensive experience as a psychologist who has worked with thousands of patients he argues that there are no objective indicators of mental disorders and therefore no way of drawing a distinct line between people who have them and people who don't He outlines an alternative to the disease model defined by nine dimensions of dysfunction that encompass the range of human dysfunctions typically classified as mental disorders He explains the origin of these problems not as chemical imbalances and genetic abnormalities but as the complex interaction of biological psychological and social factors called the Biopsychosocial model Gallon explains the history of psychiatry and how it came to develop a medical model that codifies mental disorders in the psychiatric bible the Diagnostic and Statistical Manual of Mental Disorders DSM now in its fifth edition He demonstrates how in 1950s and 1960s when the miracle psychiatric drugs came on the market it was to the great economic advantage of both pharmaceutical companies and psychiatrists to describe people's problems in the language of medicine His alternative to this disease model suggests descriptive types Reality Misperception Mood Dysfunction Anxiety Cognitive Competence Social Competence Somatoform Dysfunction Substance Dependence Motivation and Impulse Control and Socialization Dysfunction that we can construct to discuss the kinds and severities of problems people experience These are not discrete abnormalities but are sorts of dysfunction that can be placed on dimensions of dysfunction
