Time to Awaken and Heal Lois Cunningham,2019-07-26 This is a story about my life and how I overcame Narcissistic abuse I am an Empathic Rescuer When we feel lonely or incomplete we open the door wide to Narcissists Now on a Soul level we bring them in so they bring us to crash and burn so we can become visible to ourselves and begin our Emotional Healing journey Many of us feel like someone dropped us off and forgot to pick us back up We feel like square pegs in round holes Now there is a very good reason for that How many of you sit outside look at the stars and long for home Does not make sense now does it or does it How many of you are frustrated at continually bringing the same type of partners into your relationships Is there something we can do differently to get a different result The answer is YES I invite you to do your own research don t take my word for some of the things I share with you as they are my understandings of situations Have any of you noticed how the education system now a days disapproves of children asking questions They just want children to regurgitate what they have been told Governments don t like you questioning their official version of situations either Your mind works best like a parachute when it is open
