**A Defiant Life** Howard Ball, 2011-04-06 Thurgood Marshall's extraordinary contribution to civil rights and overcoming racism is more topical than ever as the national debate on race and the overturning of affirmative action policies make headlines nationwide Howard Ball author of eighteen books on the Supreme Court and the federal judiciary has done copious research for this incisive biography to present an authoritative portrait of Marshall the jurist Born to a middle class black family in Jim Crow Baltimore at the turn of the century Marshall's race informed his worldview from an early age He was rejected by the University of Maryland Law School because of the color of his skin He then attended Howard University's Law School where his racial consciousness was awakened by the brilliant lawyer and activist Charlie Houston Marshall suddenly knew what he wanted to be a civil rights lawyer one of Houston's social engineers As the chief attorney for the NAACP he developed the strategy for the legal challenge to racial discrimination His soaring achievements and his lasting impact on the nation's legal system as the NAACP's advocate as a federal appeals court judge as President Lyndon Johnson's solicitor general and finally as the first African American Supreme Court Justice are symbolized by *Brown v Board of Education* the landmark case that ended legal segregation in public schools Using race as the defining theme Ball spotlights Marshall's genius in working within the legal system to further his lifelong commitment to racial equality With the help of numerous previously unpublished sources Ball presents a lucid account of Marshall's illustrious career and his historic impact on American civil rights

**Uniting History and Theology** Seth Heringer, 2018-06-04 *Uniting History and Theology* argues that for too long Christians primarily have used the historical method to make historical claims In doing so they have used a method grounded in an incomplete understating of German historicism thereby closing off investigation of the past from the aesthetic and God The author contends that Martin K hler Wolfhart Pannenberg and N T Wright have been unsuccessful in their attempts to unify history and theology because they have not yet rejected the historical method as the primary way to think about past events Unsatisfied with the various mixtures of history and theology the volume looks to the contemporary philosophy of history for new approaches After having examined these approaches and their critiques of the current historical method the work proposes that an intentionally Christian method is needed Setting out five cairns that mark the path forward for such a method the author argues that narratives must be taken seriously objectivity and neutrality do not exist in historical accounts historians must find ways to unite the past present and future aesthetics should be used to judge historical narratives and Christians should write boldly Christian history
