From a few shimmering strands of truth, Lauren Chater has spun an intriguing story of love, loss, and fulfilment. Pip Williams, bestselling author of *The Dictionary of Lost Words*. Two women separated by centuries but connected by one beautiful silk dress. A captivating novel based on a real-life shipwreck discovered off Texel Island by the bestselling author of *Gulliver's Wife*. Lauren Chater. The brightness of silk in that dull room was like the heavens parting after a storm. She saw herself remade, no longer a poor laundress but a woman with means. Jo Baaker, a textiles historian and Dutch expat, is drawn back to the island where she was born to investigate the provenance of a 17th-century silk dress. Retrieved by local divers from a sunken shipwreck, the dress offers tantalising clues about the way people lived and died during Holland's famous Golden Age. Jo's research leads her to Anna Tesseltje, a poor Amsterdam laundress turned ladies companion who served the enigmatic artist Catharina van Shurman. The two women were said to share a powerful bond, so why did Anna abandon Catharina at the height of her misfortune? Jo is convinced the truth

lies hidden between the folds of this extraordinary dress But as she delves deeper into Anna s history troubling details about her own past begin to emerge On the small Dutch island of Texel where fortunes are lost and secrets lie buried for centuries Jo will finally discover the truth about herself and the woman who wore the Winter Dress Praise for The Winter Dress Chater has delivered a beautifully told story that takes an intriguing historical mystery and weaves it into a richly imagined tale that is every bit as breathtaking and beguiling as the remarkable dress it is based on Better Reading Vivid expansive and richly imagined The Winter Dress weaves together a fascinating historical mystery and an uncompromising portrait of the possibility and price of female autonomy with remarkable and deeply affecting results James Bradley author of Wrack Wrap yourself in Chater s prose The Winter Dress is a captivating tale of discovery and obsession by one of Australia s very best historical fiction authors Absolutely essential reading Melissa Ashley author of The Birdman s Wife Overland ,1998
