Mrs Moreau's Warbler Stephen Moss,2018-05-01 Swallow and starling puffin and peregrine blue tit and blackcap We use these names so often that few of us ever pause to wonder about their origins What do they mean Where did they come from And who created them The words we use to name birds are some of the most lyrical and evocative in the English language They also tell incredible stories of epic expeditions fierce battles between rival ornithologists momentous historical events and touching romantic gestures Through fascinating encounters with birds and the rich cast of characters who came up with their names in Mrs Moreau s Warbler Stephen Moss takes us on a remarkable journey through time From when humans and birds first shared the earth to our fraught present day coexistence Moss shows how these names reveal as much about ourselves and our relationship with the natural world as about the creatures they describe *Flight of the Throstle* Hire Library Manager Music Department Simon Wright,Simon Wright,2016-02-18 The early 1990 s is a neglected period in West Bromwich Albion s recent history With the exception of the Ardiles year the whole decade is ignored though during that era of low technology fences terraces smoking and 3pm kick offs the Baggies built key foundations of our current lofty status Every Albion season has moments worthy of recording for posterity both on and off the pitch Football is far more than an hour and an half of passive entertainment it s about people family places history social culture it s a way of life Flight of the Throstle aims to fill the 1990 s gap before precious emotional memories fail completely Simon Wright author of West Brom s Cult Heroes and West Brom s Greatest Games examines how Albion slipped into the League s third tier and escaped Phoenix like only after two years of intense struggle thus taking the all important first step towards the Premier League His narrative is weaved around his own first hand experiences leavened with numerous humourous anecdotes and supported by numerous quotes and memories from players management Chairmen and supporters Flight of the Throstles originally an e book had its first print edition in 2014 This updated version includes additional material and for the first time a variety of images of which

some have never previously been published **Mascots** Rick Minter,2004 Mascots help their clubs their fans and their communities This book tells their remarkable stories of heroic deeds embarrassing moments squabbles and even tales of love jealousy and revenge It gives a glimpse of the drama and the plotting that make mascots part of today s football folklore

A Game of Three Halves Dennis Shaw,2014-12-04 The word unique is often wrongly used but in the case of *A Game of THREE Halves* the author s story is indisputably one of a kind No other writer has worked on the inside for both Aston Villa and Birmingham City while keeping an eye on local and national footballing affairs for more than seventy years During that period he met and sometimes worked with many of the best known personalities in world football from Pele to Cruyff Busby to Ferguson Matthews to Cullis Wright to Banks Hill to Coleman Saunders to Atkinson Best to Francis and many more From war time football to the present day across eight decades football has changed so much that not even the ball apart from still being spherical is the same as before The fight to remove the maximum wage the initially steady and ultimately explosive growth in pay the arrival and development of European football the curse of the hooligan the introduction of the Premier League A flavour of these developments can be found in these pages This is not an anorak s football history but a lively collection of real life anecdotal memories laced with controversial personal comment The object of the exercise is simply to be a good read while hopefully introducing a touch of football and social history Here can be found such unlikely characters as an armed robber an exorcist some terrified sky divers half a moustache that went missing a factual hungover Biggles and a shoot to kill former iron curtain guard This is a look at football like no other **The Examiner** ,1841 Examiner ,1841
