Rockin' the Classics and Classicizin' the Rock: Janell R.

Duxbury, 2001-02-05 Rock music of all varieties has been influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation The average listener may be unaware of the many links between rock music and the classics One might remember a few examples such as Walter Murphy's chart topping A Fifth of Beethoven or Eric Carmen's All by Myself but pass them off as interesting anomalies However the influence of the classics on rock music is pervasive and grows from a long line of precedents This second supplement to Janell R Duxbury's original 1985 discography Rockin the Classics and Classicizin the Rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists In these examples the musical style varies from strict classical interpretations to pop style orchestral renditions The second supplement then expands Duxbury's original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles Lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works An extended list of selected non rock background examples is included in several new appendixes The Preface is updated A general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles With its incomparable scope and content this supplement together with Duxbury's previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics

Codename: Lehi Jon Beckmon, 2011-07-27 This book is the condensed version of my life It contains the things I can remember most about what has occurred in my life It is in effect the autobiography of Jonathan Daniel Beckmon which is my full legal name given to me by my parents Raymond Beckmon and Linda Helms her maiden name and assigned to me in the United States of America where I was born At my current stage of life my only real goal is to get married I have been looking for a suitable spouse for at least 15 years as of the time this book is being published with no luck Its very hard to find a decent moral woman with the current state of our society and general lack of moral values in the United States of America I honestly feel that had I been born in Russia I would have been married long ago I had much better luck finding women there that were interested in my qualities and that were decent human beings However I have only managed to make it to Russia

once as it is beyond my current financial means to go there a lot until I find a wife Since I refuse to lower my very high standards Ive lived out my life alone It is better to die alone than to marry a wicked woman You can read the book to find where the codename Lehi comes from **Inside Rock Guitar** Dave Rubin,2015-11-01 Guitar Educational Inside Rock Guitar traces the lives and licks of the 30 greatest electric rock guitar pioneers of all time Spanning four decades this authoritative book and audio package by acclaimed music historian Dave Rubin captures the styles and historic insights of legendary trail blazing guitarists who changed the face of rock forever Inside Rock Guitar provides stylistic music examples in standard notation and tablature access to audio demonstrations of every music figure and many rare photos Guitarists covered include Jeff Beck Chuck Berry Ritchie Blackmore Eric Clapton Bo Diddley Kirk Hammett Jimi Hendrix Alex Lifeson Yngie Malmsteen Jimmy Page Joe Satriani Slash Pete Townshend Steve Vai Eddie Van Halen Angus Young and more
