How To Day Trade For A Living A Beginner's Guide To Trading Tools And Tactics Money Management Discipline And Trading Psychology:

The Wolf of Investing Jordan Belfort, 2023-10-31 From Jordan Belfort author of *The Way of the Wolf* and subject of the hit movie *The Wolf of Wall Street* comes his long anticipated guide for mastering the stock market *The Wolf of Investing* teaches you when to buy sell hold and cash out how to make smarter and safer investments and how to build significant wealth over both the short and long term Unlike traditional investment books each page of Jordan's lessons colorful stories and principles entertains you with the charismatic swagger portrayed so famously on the silver screen by Leonardo DiCaprio When Belfort's brother in law Fernando lost nearly 100 000 dollars in investments in under sixty days Jordan sat him down for some tough love Using the financial acumen and insider's knowledge he learned during his time working on Wall Street Jordan taught Fernando how to turn his portfolio around Along the way he explained which decisions were bad and why as well as how to pivot from failure to success Belfort teaches you everything you need to know about savvy investing even if like Fernando whatever stock you've touched has turned to yesterday's trash As you read this guide you will not only learn life's most profitable lessons but you'll also laugh out loud at Belfort's brazen honesty and salty wit After being enraged by watching big banks steal money from individual investors and determined to right the wrongs of his own infamous past Belfort now shows regular investors how we can use Wall Street to our advantage Whether you're new to investing or want to take your portfolio to the next level you will learn everything Belfort knows about the stock market from *The Wolf of Investing*

How to Day Trade for a Living Andrew Aziz, 2016-07-28 Very few careers can offer you the freedom flexibility and income that day trading does As a day trader you can live and work anywhere in the world You can decide when to work and when not to work You only answer to yourself That is the life of the successful day trader Many people aspire to it but very few succeed Day trading is not gambling or an online poker game To be successful at day trading you need the right tools and you need to be motivated to work hard and to persevere At the beginning of my trading career a pharmaceutical company announced some positive results for one of its drugs and its stock jumped from 1 to over 55 in just two days Two days I was a beginner at the time I was the amateur I purchased 1 000 shares at 4 and sold them at over 10 On my very first beginner trade I made 6 000 in a matter of minutes It was pure luck I honestly had no idea what I was doing Within a few weeks I had lost that entire 6 000 by making mistakes in other trades I was lucky My first stupid trade was my lucky one Other people are not so lucky For many their first mistake is their last trade because in just a few minutes in one simple trade they lose all of the money they had worked so hard for With their account at zero they walk away from day trading As a new day trader you should never lose sight of the fact that you are competing with professional traders on Wall Street and other experienced traders around the world who are very serious highly equipped with advanced education and tools and most importantly committed to making money Day trading is not gambling It is not a hobby You must approach day trading very very seriously As such I

wake up early go for a run take a shower get dressed eat breakfast and fire up my trading station before the markets open in New York I am awake I am alert I am motivated when I sit down and start working on the list of stocks I will watch that day This morning routine has tremendously helped my mental preparation for coming into the market Whatever your routine is starting the morning in a similar fashion will pay invaluable dividends Rolling out of bed and throwing water on your face 15 minutes before the opening bell just does not give you sufficient time to be prepared for the market s opening Sitting at your computer in your pajamas or underwear does not put you in the right mindset to attack the market I know I ve experienced all of these scenarios In *How to Day Trade for a Living* I will show you how you too can take control over your life and have success in day trading on the stock market I love teaching It s my passion In this book I use simple and easy to understand words to explain the strategies and concepts you need to know to launch yourself into day trading on the stock market This book is definitely NOT a difficult technical hard to understand complicated and complex guide to the stock market It s concise It s practical It s written for everyone You can learn how to beat Wall Street at its own game And as a purchaser of my book you will also receive a membership in my community of day traders at www.vancouvertraders.com You can monitor my screen in real time watch me trade the strategies explained in his book and ask questions of me and other traders in our private chat room I invite you to join me in the world of day trading I m a real person who you can connect with I m not just a photograph here on the Amazon site I love what I do You can follow my blog post under Author Updates on my Author page on Amazon It s honest You ll see I lose some days You can read the reviews of my book I know you will learn much about day trading and the stock market from studying my book You can join at no cost and with no obligation my community of day traders at www.vancouvertraders.com You can ask us questions Practical hands on knowledge That s *How to Day Trade for a Living*
