Dumont,2014-03 This Is A New Release Of The Original 1914 Edition Law of Attraction Jenny Hashkins,2020-06-03 Are you living up to your true potential Have you found your calling in life Are you attracting enough wealth If the answer to any of these questions is no then I encourage you to pay attention to the advice given in this book You will learn more about yourself about how to save up more money and attract more of it and how to manage stress In these pressing times many people lose their sense of self or become less confident in their ability to achieve much But your personality traits may just be all that s needed to live the life of your dreams Live up to it now Start out by getting the information from this book **The Attraction Blueprint** Dawn Peters,2020-06-24 Attraction is nature s strong force that enabled our ancestors to mate with each other to produce offspring If the force of attraction were not strong enough they would have been too busy trying to survive and forget to create offspring This same powerful force of attraction still drives men and women to mate with each other Yet most men find it difficult to attract women The specific attributes that trigger attraction has remained the same despite the change in civilization and culture Yet most men do not understand attraction they follow what seems rational and even what women say they like in a man doesn t attract them Attraction is a biological impulse and hence it s not controlled by the rational mind When a man sees the attractive traits he finds in a woman he cannot choose his reaction to it Similarly when a woman sees a man with the attractive traits she desires she cannot choose her reaction to it That s why women are attracted to jerks Even though these men behave unscrupulously they have the traits that naturally attracts women more than nice men do So women are attracted to these men over the nice men Women are attracted to masculine men and jerks possess masculine traits more than the nice men do Most men have long lost touch with their masculinity and hence struggle with their lives However this book helps to develop the masculine traits
