Human Resource Management in South Africa, 1998

Managing Human Resources in Africa Chima Mordi, Hakeem Adeniyi Ajonbadi, Olatunji David Adekoya, Toyin Ajibade Adisa, 2023-07-24 Over the decades academic literature has too often neglected the complexities and diversity of the African continent and the challenges faced by both multinational companies working across Africa and domestic African companies particularly in the field of human resources This edited collection has been compiled with the

aim of developing our understanding and practice of HRM in an African context within an increasingly global work milieu Chapters focus on different African countries and are underpinned by a critical approach to HRM which goes beyond focussing on the business cases but considers the sensitivity of the national context The authors will draw on various types of research conceptual theoretical and empirical and incorporate contextual issues such as technology politics culture and economics to supplement the readers insights into the current state of human resource management in African countries By highlighting theoretical underpinnings and emphasising the practical relevance of HR issues this proposed book will offer an insightful guide for students and scholars interested in HR and management in developing economies **Fresh**

Perspectives: Human Resource Mangement : UJ Custom Publication ,2009 Management Studies in South Africa Shaun Ruggunan,R. Sooryamoorthy,2018-09-20 This book examines the trajectory of management studies in South Africa during the apartheid and post apartheid periods The unique political journey of South Africa provides a distinctive context in which to explore the progression of management studies within a developing state The authors consider how Apartheid has configured the discipline of management studies to reflect certain racial institutional and gendered trends and analyse the extent to which these trends have adapted or changed in post Apartheid times Appealing to management scholars and professionals this book provides implications for policy and practice within the South African higher education sector and presents avenues for future research Textbook for Human Resource Practitioners ,1996 Industrial Relations in South Africa Sonia Bendix,1989 This edition of Industrial relations in South Africa includes new sections on termination transfers affirmative action conflict handling and joint problem solving **Valuing People in Construction** Fidelis Emuze,John Smallwood,2017-08-09 Valuing People in Construction provides contemporary perspectives on the glue that binds the construction process together people The book addresses people issues in the construction industry where behavioural outcomes impact upon business and project performance The main proposition of the book is that as people continue to lead the completion of construction activities their health safety and well being should be seen as a priority and valued by stakeholders As employers and employees the role of people in construction must be to strive for the improvement of individual lives and society This edited collection which is the first book to focus specifically on placing value on people in construction focuses on people at work gender at work conditions at work and respect at work In addition to an editorial overview the book presents tested and refined empirical work and case studies by leading construction researchers from Africa Australia and Europe Essential reading for researchers students and professionals interested in construction management the sociology of construction HRM in construction gender work and health studies Business Management Hannie Badenhorst-Weiss,Tersia Brevis,Mike Cant,2008-02 The world is in a constant state of flux and this influences the operations of every business and organisation Business Management A Contemporary Approach deals with these changes by covering the functions of a business or an organisation and then addressing the contemporary issues that affect them These

issues include globalisation corporate entrepreneurship and citizenship credit diversity and HIV AIDS Every student of business and business manager needs to understand the importance of these issues and their influence on the operations of a business Business Management A Contemporary Approach also highlights the interdependency between the various business functions This interdependency is very important for a business or organisation to operate as a whole The Art of Engaging Unionised Employees Jan Hendrick Nel,Bennie Linde,2018-10-05 This book introduces a framework to assist human resource practitioners and organisations embrace strategies that will drive high engagement levels within organisations with a union presence The authors address established definitions of engagement and how they have been conceptualised in academic and practitioners literature before exploring and unpacking circumstances that influence levels of engagement amongst employees in a unionised environment In doing so the framework introduced elaborates on approaches and interventions with the greatest potential to create improve and embed high levels of engagement within the unionised work environment HR Governance Boris Kaehler,Jens Grundei,2018-07-04 Human resource HR governance is a relatively new construct that has recently begun attracting more and more attention in both research and practice As a part of corporate governance it represents the internal and external normative framework of human resource management and its supervision in organizations This book theoretically integrates HR governance with the related domains of corporate governance general management HR management and leadership By doing so it provides scholars and practitioners in the field with a precisely delineated system of theoretical concepts for their work and helps to translate these concepts into concrete research questions and practical guidelines By interpreting the new ISO 30408 norm on human governance and taking into account recent developments the book helps to comply with and anticipate current and future HR regulations
