Ice Haven:

Until Mister Charity Parkerson,2022-11-02 Wren thrives on being wicked Haven needs to steer clear of his brand of trouble They are both just trying to survive Most people consider Wren as born blessed He has the looks of an angel the morals of a devil and isn't afraid to use whichever trait he needs most for every situation What his looks won't buy him his connections will As the son of a famous actor there isn't a door in society blocked to him Unfortunately his father blew through his money long before dying of a drug overdose leaving Wren to work to pay his way It's a good thing he has a body men can't resist and a personality to match The last thing he needs is a controlling ex-BDSM master getting in his way Haven aka Mister is just trying to get through the day Between his bestselling BDSM how-to books and his job at Cubs for Rent he isn't hurting for money but his personal life is a different story It's dead in the water After ruining his relationship with the only man Haven cares to love he has no intentions of ever dating again He knows he's poisonous and he won't risk hurting anyone else That's exactly why he has to stay away from Wren Too bad he can't With an unexplainable draw pulling them closer together it's only a matter of time before they break But there's more to Wren than a pretty face and he's in bigger danger of losing everything than even he knows Unless Haven can save him that is *Yachting in the Arctic Seas, or Notes of Five Voyages of Sport and Discovery in the Neighbourhood of Spitzbergen and Novaya Zemlya* James Lamont,William Livesay,2024-06-02 Reprint of the original first published in 1876 **The Star Challengers Trilogy** Rebecca Moesta,Kevin J. Tales throughout history describe the ferocity of polar bear attacks on humans But human hunters have exacted a far larger toll obliging Arctic nations to try to protect their region s iconic species before it s too late Now another threat to the polar bears survival has emerged one that is steadily destroying sea ice and the life it supports Without this habitat polar bears cannot exist The Great White Bear celebrates the story of this unique species Through a blend of history myth personal observations and scientific accounts Kieran Mulvaney tells the story of the polar bear its history its life and its uncertain fate
