When Christy Peraja was in Junior High, she drew artwork in the school's lobby as requested by one of the teachers, The Visual Arts Club Adviser, who later became her mentor, saw her work and recruited her. He exposed her to many art contests where she received awards within those two years. She eventually became the club's president and graduated with pride of having that title. Realizing how much she had improved her skills gave her the courage to achieve her lifetime dream. Despite the disapprovals and criticisms, she continued practicing. She is able to do different works of art like painting, pop art, portraits, cartoons, vector, manga illustrations and so on. She never stopped dreaming of becoming a real artist that is
