Global Perspectives and Practices for Reform-Based Mathematics Teaching Kartal, Ozgul, Popovic, Gorjana, Morrissey, Susie, 2022-04-22 Reform based mathematics has become a popular topic in the education field as this teaching emphasizes classroom discourse and instructional goals related to student engagement and an understanding of mathematical reasoning concepts and procedures using instructional practices that build on students informal knowledge of mathematics. It also connects mathematics with other disciplines and the real world and provides opportunities for students to contribute and invent their own methods during problem solving. Further study on the best practices, benefits and challenges of implementing this teaching into education is required. Global Perspectives and Practices for Reform Based Mathematics Teaching explores international perspectives on diverse reform based practices in teaching and learning mathematics, describes challenges and issues for teachers and teacher educators, promotes reflection and academic discussion at various levels and in various educational systems and raises questions for the field of mathematics education. Covering a range of topics such as teacher preparation programs and integrated learning spaces, this reference work is ideal for academicians, practitioners, researchers, instructors, educators and students. *Become the Primary Teacher Everyone Wants to Have* Sean Delaney, 2016-10-04 No matter how much you want to teach and no matter how well prepared you are, beginning teaching is tough. A teacher's work is never done even when you work hard; there is always something more you could do. *Become the Primary Teacher Everyone Wants to Have* tells you what teaching is really like. As you set out on your teaching career, this book offers thoughtful and sensible support from an experienced and sympathetic teacher. Whether you read the book through from cover to cover or dip into sections you need at particular times, each page has suggestions and ideas to help you lay a solid foundation for a fruitful and fulfilling career in teaching. Chapters cover Getting Ready for Teaching, Teaching to Reach All Children, Assessing Learning and Teaching, Communicating with Parents and Guardians about Teaching, Relating with Colleagues when Teaching, Integrating Life Teaching and Learning. This book will be an invaluable guide for newly qualified and experienced teachers alike who are wanting to develop their practice and thrive in teaching.
