Williams, 2021-09-03 This collection of papers and other materials from English philosopher Peter S Williams develops a holistic vision for Christian apologetics centered around a biblical understanding of spirituality Grounded in two decades of practical experience here is a vision of apologetics that's interested in communicating through beauty and goodness as well as logic and arguments

Say What? Jeremiah Campbell, 2018-03-27 Have you ever wondered about the gifts of tongues prophecy or the Baptism of the Holy Spirit So many opinions and points of view vary on these topics Are they for today Did they die with the apostles This book takes a look at these issues with a panoramic journey throughout the Bible in both the

Old and New Testaments their effects in church history and what that means for us today If you have ever wondered or struggled with these topics then this book is for you Training Spirit-Filled Local Church Leaders for the Twenty-First Century Ray Miller,2021-08-23 Who decides what your church local or denominational will look like twenty five or thirty years from now How can you ensure that your church will continue to fulfill its God given purpose in the next generation What can be done now to reverse negative trends in ministry such as pastoral burnout Much of the answer to these questions about pastors and other local church leaders is tied to the training they receive Training Spirit Filled Local Church Leaders for the Twenty First Century encourages all stakeholders in ministry training educators pastors and other local church leaders church members and those who sense God is calling them to ministry to prayerfully consider the foundational issues that determine the effectiveness and relevance of a ministry training program These foundational issues are What is the local church really What is spiritual leadership What is ministry training What is the role of the Holy Spirit in all this What did effective training look like in the past and what might it look like in the twenty first century The Leviathan Factor Lawrence E. Burkholder,2017-01-12 The Leviathan Factor tells the incredible story of how Satan created as Lucifer the morning star self transformed into Leviathan God s serpentine arch foe When he tried to achieve immortality by tweaking creation s lowest level laws a sophisticated computer automaton he created death instead As the serpent he reappeared in the Genesis tree of good and evil where he seduced humans to attempt immortality apart from covenant with God Leviathan is responsible for the false belief that we each have an inner divine spark which when reconnected to our ego awakens our true inherent divinity Unfortunately he and his demonic spirits also impact our minds bodies and environment as psi A few of the many markers of these demonic psi are levitation telepathy telekinesis deja vu emotional oppressions poltergeist activities past lives memories voices and visions near death and out of body experiences and trance channeling Many of these psi phenomena are co factors in mind disorders such as schizophrenia or epilepsy Manifestations in Christian circles include false tongues and holy laughter The Leviathan Factor is not a healing how to It is the first book to place demonic evil into the context of creation s basic structures and laws *God's Mandate for Transforming Your Nation* Dexter Low,2016 What is the church s mission in the 21st century Malaysian apostle and missiologist Dexter Low says nation transformation must become our new agenda for fulfilling the Great Commission in our time The current model which calls for uniting the church s leaders worldwide to win 1 billion souls and plant 5 million churches by 2021 isn t working Ultimately it cannot because its emphasis on church planting and evangelism excludes social transformation But when the key pillars of social influence are also realigned according to kingdom principles then your nation any nation will be transformed God s Mandate for Transforming Your Nation provides practical instructions on advancing God s kingdom globally True examples of ways that lead to measurable results are included Low will both challenge and inspire you as a Christian leader to take a significant step forward in fulfilling the church s mission in the 21st century Peace, Politics, and Religion Jeffrey Haynes,2020-12-14

Relationships between peace politics and religion are often controversial and sometimes problematic Religion is a core source of identity for billions of people around the world and it is hardly surprising that sometimes it becomes involved in conflicts At the same time we can see religion involved not only in conflict It is also central to conflict resolution peace making and peacebuilding Religious involvement is often necessary to try to end hatred and differences frequently central to political conflicts especially but not only in the Global South Evidence shows that religious leaders and faith based organisations can play constructive roles in helping to end violence and in some cases build peace via early warnings of conflict good offices once conflict has erupted as well as advocacy mediation and reconciliation The chapters of this book highlight that religion can encourage both conflict and peace through the activities of people individually and collectively imbued with religious ideas and ideals

Faszination alternative Spiritualität Sarah Franziska Tran-Huu, 2021-01-12 Die Suche nach spiritueller innerer Erfahrung und Alternativen zu bisher Bekanntem sowie das Streben nach persönlichem Wachstum und Selbstfindung sind prägende Merkmale westlich moderner Gesellschaften des 21. Jahrhunderts geworden Sie führen immer mehr Menschen zu neuartigen Gruppen die Elemente und Praktiken aus fremden religiösen Systemen und anderen Kulturen übernehmen diese adaptieren und so neue Formen spiritueller Praktiken entwickeln Sarah Franziska Tran-Huu blickt in ihrer religionspsychologischen Studie am Beispiel der Terra Sagrada auf das Erleben und die Erfahrungen der Einzelnen um die Wirkmacht und die Faszination dieser religiösen Praktiken zu erklären

Confucius Charlene Tan, 2014-10-23 Charlene Tan's text offers a coherent account of Confucius educational thought and its implications for the modern world Arguing that Confucius is more than an ancient master who emphasised tradition rote learning and teacher centredness Tan portrays Confucius as a progressive educator who challenged the social norms of his time and transformed the nature of teaching and learning in China and beyond Through a textual study of the Analects this text provides a critical exposition of Confucius work particularly with respect to his interpretations of human beings mission in life potentials relationships with one another and educational process Further highlighting the contemporary relevance of Confucius work the author offers a Confucian framework for 21st century education one that harmonises modern knowledge and skills with universal values on shared humanity and loving others

The Cult of Divine Birth in Ancient Greece M. Rigoios, 2009-04-26 Greek religion is filled with strange sexual artifacts stories of mortal

women's couplings with gods rituals like the basilinna's marriage to Dionysus beliefs in the impregnating power of snakes and deities the unusual birth stories of Pythagoras Plato and Alexander and more In this provocative study Marguerite Rigoglioso suggests such details are remnants of an early Greek cult of divine birth not unlike that of Egypt Scouring myth legend and history from a female oriented perspective she argues that many in the highest echelons of Greek civilization believed non ordinary conception was the only means possible of bringing forth individuals who could serve as leaders and that special cadres of virgin priestesses were dedicated to this practice Her book adds a unique perspective to our understanding of antiquity and has significant implications for the study of Christianity and other religions in which divine birth claims are central The book's stunning insights provide fascinating reading for those interested in female inclusive approaches to ancient religion

Encountering Theology of Mission (Encountering Mission) Craig Ott, Stephen J. Strauss, Timothy C. Tennent, 2010-05-01 This fresh comprehensive text fills a need for an up to date theology of mission It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today The authors who are leading mission experts discuss biblical theology of mission provide historical overviews of the development of various viewpoints and address theologically current issues in global mission from an evangelical perspective This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting It also brings theology of mission into conversation with ecclesiology and eschatology Topics covered include contextualization the missionary vocation church and mission and theology of religions Sidebars and case studies enable readers to see how theology of mission touches real life mission practice

Animals in Heaven? Terry Martin, 2024-09-26 Christians of all traditions have often puzzled with the question Do dogs go to heaven Drawing on Catholic teaching and on his long pastoral experience as a parish priest Terry Martin expands that concept to consider wider issues around all animals domesticated and free living and why they are here Within a context of Christian faith he seeks to understand the place of animals in God's complex creation and the relationship that human beings have for good or ill with those animals More than that he looks at the big questions which so many ask about who under God animals are and what meaning if any animal lives have from a Catholic Christian perspective

Setting in Order T. Patrick Jensen, 2025-08-07 Setting a church in order is a primary task for the pastor Jensen weaves a tapestry of dialogue with Titus and other ancient and contemporary thinkers to underscore this important but sometimes forgotten role The reader will find in Jensen's work part exegesis part theological history part psychosocial integration part contemporary anecdotes all with the appeal for the church to immerse itself in relationship with God and with others that illustrates the heavenly family God is orchestrating and preparing for the coming of Christ Jensen's vision is a renewal of what life together can look like when we gather in our homes and when we gather in our churches

Women in New Religions Laura Vance, 2015-03-13 The author looks at women's evolving place in the birth and development of new religious movements It focuses on four disparate new religions

Mormonism Seventh day Adventism The Family International and Wicca to illuminate their implications for gender socialization religious leadership and participation sexuality and family ideals As new religious movements emerge they often position themselves in opposition to dominant society and assert alternative roles for women But these religions are not monolithic rather than defining gender in rigid and repressive terms new religions sometimes offer possibilities to women that are not otherwise available Vance traces expectations for women as the religions emerge and transformation of possibilities and responsibilities for women as they mature

The Palgrave Handbook of Crisis Leadership in Higher Education Jürgen Rudolph, Joseph Crawford, Choon-Yin Sam, Shannon Tan, 2024-06-04 This handbook provides a frame of reference for the global challenges facing higher education leadership today Focusing on recommendations and directions for the future rather than simply a recap of measures taken during the COVID 19 pandemic the contributors also delve into contexts such as the climate crisis issues of diversity equity and inclusion digitalisation funding and marketisation the war in Ukraine and China Taiwan and Hong Kong tensions They collate a systematic global view of higher education systems during the pandemic and beyond and explore possibilities for the future providing recommendations for the new normal With contributions from across six continents the book will be of interest to students and scholars of higher education and governance university leaders government and accreditation bodies and anyone else interested in reflecting on the past few years in higher education and the road ahead

Lee Edelman and the Queer Study of Religion Kent L. Brintnall, Rhiannon Graybill, Linn Marie Tonstad, 2023-12-07 This book takes the groundbreaking work of Lee Edelman in queer theory and for the first time demonstrates its importance and relevance to contemporary theology biblical studies and religious studies It argues that despite extensive interest in Edelman's work we have barely begun to understand the significance of Edelman's ideas both in their own right and with respect to the study of religion Therefore it offers fresh approaches to Edelman's work that necessarily complicate the established interpretations of his thinking With essays by rising and established scholars as well as a response by Edelman himself it contends that by fully engaging Edelman scholars of religion will have to confront negativity and its consequences in ways that will contribute to reshaping the terrain of scholarship on religion race sexuality and social change The insights provided in this book are new territory for much of the study of religion As such it will be of keen interest to scholars of religious studies theology and Biblical studies as well as gender studies and queer feminist and critical race theory
