Faith: The Link with God's Power Reinhard Bonnke,2014-03-03 God s Gift to All Believers Some believe that simply having faith is an entitlement to blessing and prosperity Others believe that faith in oneself is all that is needed in life Still others contend that faith is a cosmic force that breeds superhuman super spiritual invincible power It is none of these Faith is not something requiring you to believe in what you know is not true nor is it believing something for which there is no evidence The Bible a book all about faith provides the evidence that makes faith so vital so important and so astounding In Faith The Link with God s Power international evangelist Reinhard Bonnke draws from his years of personal study and vibrant ministry to reveal that Faith is like a wiring system that carries power into our lives Faith itself is not the power but it links us to the power source There is no link to God s power without faith Our belief in what happens tomorrow stems from what we already experienced yesterday It is not the size of your faith but the size of the God you believe in that determines the results Reinhard Bonnke is more qualified than most to shed light on what it means to minister in the power of the Holy Spirit He and his CfaN team regularly conduct gospel crusades in Africa where signs and wonders follow the preaching of the gospel In one six day crusade more than 1 600 000 people attended a single service with 3 450 000 making positive decisions for Christ over the course of the event Indeed these are days in which God s people can abound in faith **Sermons** David
