Audio script

Ethan: Hey, Sarah, look at these optical illusions! My cousin has just emailed them to me. Have you seen any of them before?
Sarah: Cool! I haven't seen all of these. What does it say about them?

Ethan: For A it says 'Are the lines straight and parallel?'

Sarah: They can't be straight. They look as if they're going up and down, and the bands are wider and narrower at the sides, so there's no way they can be parallel.

Ethan: Well apparently it only appears that way. And you can test it with a ruler.

Sarah: Wow! Look, they are parallel! That's incredible!

Ethan: Oh, I've seen B before. They're called the Penrose Stairs.

Sarah: Yes, the ones that look as if they're going up and up forever. It looks so weird! You know it must be an illusion, but it looks like the stairs really are going up!

Ethan: C is a new one to me. It just looks like an old lady. I can't see the illusion.

Sarah: Oh, I can see it. Take another look. Can you see anything else?

Ethan: Oh yeah! It could also be a young woman. That's clever! I love the way that when you see one thing, the other disappears completely!

Sarah: Yes, that's what happens with D. It could be a black picture on a white background, or it might be a white picture on a black background. You see one, a glass, and then the other, two faces.

Ethan: It only seems like a black glass to me ... Oh, hang on, yes, I can see the two faces now. They look as if they're staring at each other.

Sarah: E is hurting my eyes! The dots between the squares look white at first, and then they look black.

Ethan: Yes, and it looks as if they disappear completely as you move your eyes around.

Sarah: What does it say about F?

Ethan: It says 'Which of the diagonal lines is longer?'

Sarah: The one on the left definitely looks longer – it must be quite a bit longer.

Ethan: No, they're the same length!

Sarah: I don't believe it, they can't be. Where's that ruler ... ? Oh, no, it's true! That's amazing!

Exploring Language Assessment and Testing Anthony Green, 2013-10-01 Routledge Introductions to Applied Linguistics is a series of introductory level textbooks covering the core topics in Applied Linguistics primarily designed for those beginning postgraduate studies or taking an introductory MA course as well as advanced undergraduates. Titles in the series are also ideal for language professionals returning to academic study. The books take an innovative practice to theory approach with a back to front structure. This leads the reader from real world problems and issues through a discussion of intervention and how to engage with these concerns before finally relating these practical issues to theoretical foundations. Additional features include tasks with commentaries, a glossary of key terms and an annotated further reading section. **Exploring Language Assessment and Testing** is a straightforward introduction to the field that provides an inclusive and impartial survey of both classroom based assessment by teachers and larger scale testing using concrete examples to guide students to the relevant literature. Ranging from theory to classroom based scenarios, the author provides practical guidance on designing, developing and using assessments with flexible step by step processes for improving the quality of tests and assessment systems to make them fairer and more accurate. This book is an indispensable introduction to the areas of language assessment and testing and will be of interest to language teachers as well as postgraduate and advanced undergraduate students studying Language Education, Applied Linguistics and Language Assessment. **Role Play** Gillian Porter Ladousse, 1987-04-09 This popular series gives teachers practical advice and guidance along with resource ideas and materials for the classroom. The tasks and activities are clearly presented and offer teachers the information they need about level, time, preparation, materials, classroom management, monitoring and follow up activities. Each book offers up to 100 ideas as well as variations that encourage teachers to adapt the activities to suit their individual classrooms. **The British National Bibliography** Arthur James Wells, 2005 **Economic and Political Weekly**, 2003-07 **Current Catalog** National Library of Medicine (U.S.), 1985 First multi year cumulation covers six years 1965-70 **Face2face Pre-intermediate Teacher's Book with DVD** Chris Redston, Jeremy Day, Gillie Cunningham, 2012-03-22 Face2face Pre-intermediate is an easy to teach General English course that helps adults and young adults to speak and listen with confidence. Photocopiable Oxford University Press Solutions Test Introduction

In the digital age, access to information has become easier than ever before. The ability to download Photocopiable Oxford University Press Solutions Test has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Photocopiable Oxford University Press Solutions Test has opened up a world of possibilities. Downloading Photocopiable Oxford University Press Solutions Test provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Photocopiable Oxford University Press Solutions Test has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Photocopiable Oxford University Press Solutions Test . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Photocopiable Oxford University Press Solutions Test . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Photocopiable Oxford University Press Solutions Test , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Photocopiable Oxford University Press Solutions Test has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers,

and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
