The Palgrave Handbook of Small Arms and Conflicts in Africa Usman A. Tar, Charles P. Onwurah, 2021-04-05 This handbook provides critical analyses of the theory and practices of small arms proliferation and its impact on conflicts and organized violence in Africa. It examines the terrains, institutions, factors and actors that drive armed conflict and arms proliferation and further explores the nature, scope and dynamics of conflicts across the continent as well as the extent to which these conflicts are exacerbated by the proliferation of small arms. The volume features rich analyses by contributors who are acquainted with and widely experienced in the formal and informal structures of arms proliferation and control and their repercussions on violence, instability and insecurity across Africa. The chapters dissect the challenges of small arms and light weapons in Africa with a view to understanding roots, causes and drivers and generating a fresh body of analyses that adds value to the existing conversation on conflict management and peacebuilding in Africa. With contributions from scholars, development practitioners, defence and security professionals and civil society activists, the handbook seeks to serve as a reference for students, researchers and policy makers on small arms proliferation, control and regulation, defence and security practitioners and those involved in countering violence and managing conflicts in Africa.

Politics of Democratic Breakdown Gangsheng Bao, 2022-05-30 Democratic breakdown as a political and historic event can impact the fate of millions if not hundreds of millions of people by changing the political complexion of a country. This book attempts to systematically explain why democracies collapse. The author's main theoretical argument is based on the examination of two factors. One is political cleavages among voters. These can cause serious political conflicts and may lead to fierce political confrontation and major upheaval at the society level. The other revolves around the types of political and institutional arrangements under democratic regimes. Centrifugal democratic regimes are likely to weaken government capacity or state capacity, rendering governments incapable of effectively resolving political conflicts and when these two factors come together, political conflicts are less likely to be controlled effectively. These situations can evolve into serious political crises and eventually lead to the collapse of democratic regimes. The empirical research of this book is based on a comparative historical analysis of Germany, Nigeria, Chile and India. Examining democratic collapses from both theoretical and empirical perspectives, this book will be of interest to those engaged in the study of democracy.

Political Science Comparative Politics and Political Theory **Keeping**

the Republic Christine Barbour, Gerald C. Wright, 2025-04-01 Keeping the Republic Brief Eleventh Edition draws students into the study of American politics showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship With students living through one of the most challenging periods in American life this text is a much needed resource to help them make sense of politics in America today and become savvy consumers of political information Carefully condensed from the Full Edition by authors Christine Barbour and Gerald C Wright Keeping the Republic Brief Eleventh Edition gives your students the same continuity and crucial content in a more concise value oriented package

Anglia ,1896 Mitteilungen aus dem gesamten Gebiete der englischen Sprache und Litteratur ,1896 Research in Education ,1974

Indian Political Thought: Themes and Thinkers Mahendra Prasad Singh, Roy Himanshu, 2011 Indian Political Thought Themes and Thinkers covers all major Indian political thinkers from the ancient through medieval to the modern times Thus this book provides an overview of the evolution of the Indian political thought through different historical periods giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking It does not only talk about the lives and times of the thinkers but also explores the important themes that formed the basis of their political ideologies The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state civil rights ideal polity governance nationalism democracy social issues like gender and caste swaraj satyagraha liberalism constitutionalism Marxism socialism and Gandhism With a comprehensive coverage of both the thinkers and the themes of the Indian political thought this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities It is valuable also for UGC NET and civil service examinations

Principles and Theory of Political Science Urmila Sharma & S.K. Sharma, 2000 This Book Deals With The Principles And The Theory Of Political Science Besides The Introductory Portion Including Definition Scope Value Nature And Methods Of Political Science This Book Includes The Discussion On All Those Topics Which Find A Place In The Syllabi Of Political Theory Or Principles Of Political Science In Any Indian University These Include Political Power Behavioural And Post Behavioural Revolutions The State The Rise And Growth Of Nation States The Political System Sovereignty Monist And Pluralist View Of Sovereignty The Theory Of Rights Concepts Of Liberty Concept Of Equality Law And International Law Concept Of Property Concept Of Justice Political Obligation Political Revolution Punishment Etc As Political Sociology Is Today An Integral Part Of Political Science This Book Deals With The Main Concepts Of Political Sociology Including Political Development Political Culture Political Socialisation Political Participation Political Recruitment Political Elites Political Alienation Political Communication Political Legitimacy And Effectiveness And Bureaucracy Principles Of Political Science Deal With The Theories Of State And Government Thus This Book Discusses Forms Of Government Democracy Socialism Marxism Syndicalism Guild Socialism Evolutionary Socialism Fabianism Anarchism Fascism Liberalism Individualism And Sarvodaya A Bibliography Has Been Given At The End For Those Who Desire To Go To Originals And Have A Wide Study Of

The Subjects **Principles And Theory In Political Science Vol# 1** Urmila Sharma,S.K. Sharma,2000 This Book Deals With The Principles And The Theory Of Political Science Besides The Introductory Portion Including Definition Scope Value Nature And Methods Of Political Science This Book Includes The Discussion On All Those Topics Which Find A Place In The Syllabi Of Political Theory Or Principles Of Political Science In Any Indian University These Include Political Power Behavioural And Post Behavioural Revolutions The State The Rise And Growth Of Nation States The Political System Sovereignty Monist And Pluralist View Of Sovereignty The Theory Of Rights Concepts Of Liberty Concept Of Equality Law And International Law Concept Of Property Concept Of Justice Political Obligation Political Revolution Punishment Etc As Political Sociology Is Today An Integral Part Of Political Science This Book Deals With The Main Concepts Of Political Sociology Including Political Development Political Culture Political Socialisation Political Participation Political Recruitment Political Elites Political Alienation Political Communication Political Legitimacy And Effectiveness And Bureaucracy Principles Of Political Science Deal With The Theories Of State And Government Thus This Book Discusses Forms Of Government Democracy Socialism Marxism Syndicalism Guild Socialism Evolutionary Socialism Fabianism Anarchism Fascism Liberalism Individualism And Sarvodaya A Bibliography Has Been Given At The End For Those Who Desire To Go To Originals And Have A Wide Study Of The Subjects *The Politics-Administration Dichotomy* Patrick Overeem,2017-09-25 The politics administration dichotomy is much mentioned and often criticized in the Public Administration literature The Politics Administration Dichotomy Toward a Constitutional Perspective Second Edition offers a book length treatment of this classical notion While public administration academics typically reject it as an outdated and even dangerous idea it re emerges implicitly in their analyses This book tells the story of how this has happened and suggests a way to get out of the quandary It analyzes the dichotomy position in terms of content purpose and relevance What s in the Second Edition Extensive study of the politics administration dichotomy as a classic idea in Public Administration A much overlooked constitutionalist line of argument in defense of this widely discredited notion Exploration and further development of the intellectual legacy of Dwight Waldo Coverage of the dichotomy s conceptual origins in 18th and 19th century Continental European thought An assessment of main criticisms against and alternatives for the dichotomy presented in the literature Contributions to the newly emerging Constitutional School in the study of public administration An argument against the institutional separation of Political Science and Public Administration in academia Completely revised and updated the book examines the idea that politics and public administration should be separated in our theories and practices of government A combination of history of ideas and theoretical analysis it reconstructs the dichotomy s conceptual origins and classical understandings and gives an assessment of the main criticisms raised against it and the chief alternatives suggested for it Arguing that one sided interpretations have led to the dichotomy s widespread but wrongful dismissal the study shows how it can be recovered as a meaningful idea when understood as a constitutional principle This study helps readers make sense of

highly confused debates and challenge the issues with an original and provocative stance **Catalogue of the James Blackstone Memorial Library, Branford, Conn** James Blackstone Memorial Library (Branford, Conn.),1897 *Resources in Education* ,1997 *Katalog der fremdsprachigen bücher in der bibliothek der Juristischen fakultät der Kaiserlichen universität zu Kyoto* Kyōto Daigaku. College of law. Library,1903 *Allgemeine Bibliographie Der Staats- und Rechtswissenschaften* ,1886 *Uebersicht der gesammten staats und rechtswissenschaftlichen litteratur ...* Otto Mühlbrecht,1887 *Handbook of Labour Market Policy in Advanced Democracies* Daniel Clegg,Niccolo Durazzi,2023-10-06

Bringing together contributions from leading labour market policy scholars from across the globe this state of the art Handbook offers extensive and compelling analyses of labour market policy in advanced democracies This title contains one or more Open Access chapters **Beyond the Boundaries** Georgia A. Persons,2017-09-29 In the past African American aspirations for political office were assumed to be limited to areas with sizeable black population bases By and large black candidates have rarely been successful in statewide or national elections This has been attributed to several factors limited resources available to African American candidates or identification with a black liberationist ideological thrust Other factors have been a relatively small and spatially concentrated primary support base of black voters and the persistent resistance of many white voters to support black candidates For these reasons the possibility of black candidates winning elections to national office was presumably just a dream Conventional wisdom conceded a virtual cap on both the possible number of black elected officials and the level of elective office to which they could ascend But objective political analysis has not always made sufficient allowances for the more universal phenomenon of individual political ambitions The contributors to this volume explore the ways ambitious individuals identified and seized upon strategies that are expanding the boundaries of African American electoral politics This volume is anchored by a symposium that focuses on new possibilities in African American politics Both the electoral contests of 2006 and the Barack Obama presidential campaign represent an emergent dynamic in American electoral politics Analysts are beginning to agree that the contours of social change now make the electoral successes of black candidates who are perceived as ideologically and culturally mainstream increasingly likely The debate captured in this volume will likely inspire further scholarly inquiry into the changing nature and dimensions of the larger dynamic of race in American politics and the subsequent changing political fortunes of African American candidates **Status of Voluntary Teachers' Associations in Cities of 100,000 Population Or More** M. David Hoffman,1931 **Congressional Primary Elections** Robert G. Boatright,2014-08-21 Congressional primaries are increasingly being blamed for polarization and gridlock in Congress Most American states adopted congressional primaries during the first decades of the 20th century as a means of breaking the hold of political bosses on the nomination of candidates Yet now many contend that primaries have become a means by which the most dedicated party activists choose candidates unrepresentative of the electorate and so general election voters are forced to choose between two ideologically

extreme candidates. Consequently, there have been recent instances in both parties where nominees were chosen who were clearly not preferred by party leaders and who arguably lost elections that their parties should have won. This book is the first to focus solely upon congressional primary elections and to do so for a student readership. Boatright organizes his text around the contention that there are important differences between types of primaries and these differences prevent us from making blanket statements about primary competition. He focuses on explanations of two sources of difference: differences in electoral structure and differences brought about by the presence or absence of an incumbent seeking reelection. The first three chapters introduce these differences, explore how they came to exist, and outline some of the strategic considerations for candidates, parties, interest groups, and voters in primary elections. The subsequent four chapters explore different types of primary elections, and the final chapter evaluates actual and proposed primary reforms. *Congressional Primary Elections* is the first book to provide a history and analysis of congressional primary elections and will serve as a crucial part of courses on political parties and campaigns and elections. The book gives students the tools for understanding arguments for and against the reform of primary elections and for understanding the differences between types of primaries.

When somebody should go to the books stores, search creation by shop, shelf by shelf, it is in reality problematic. This is why we provide the books compilations in this website. It will totally ease you to see guide **Political Science An Introduction 11th Edition** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections.
