Anas M. Alahmed

Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback:

America's Kingdom Robert Vitalis, 2009-03-02 Now newly updated America's Kingdom debunks the many myths that now surround the United States's special relationship with Saudi Arabia also known as the deal oil for security Exploding the long established myth that the Arabian American Oil Company Aramco made miracles happen in the desert Robert Vitalis shows how oil led the US government to follow the company to the kingdom and how oil and Aramco quickly became America's largest single overseas private enterprise From the establishment in the 1930s of a Jim Crow system in the Dhahran oil camps to the consolidation of America's Kingdom under the House of Fahd the royal faction that still rules today this is a meticulously researched account of Aramco as a microcosm of the colonial order **The Oxford Handbook of Energy**

Politics Kathleen J. Hancock, Juliann Emmons Allison, 2020-12-02 The global regional and local energy landscape has changed dramatically in the twenty first century Many factors have affected what we know about energy a consensus among scientists on climate change and related support for renewable energy evolving energy and resource extraction technologies growing resource demand in the developing world new regional and global energy governance actors new major fossil fuel discoveries on land and underwater in states that have previously been under resourced rising interest in corporate social responsibility in energy companies and the need for energy justice The Oxford Handbook of Energy Politics synthesizes the diverse literature on these topics to provide a foundational resource for teaching and research on critical energy issues in international relations and comparative politics Through chapters authored by both scholars and practitioners the Handbook further develops the energy politics scholarship and community and generates sophisticated new work that will benefit all who work on energy issues **Pop Culture in North Africa and the Middle East** Andrew Hammond, 2017-05-22 Ideal for

students and general readers this single volume work serves as a ready reference guide to pop culture in countries in North Africa and the Middle East covering subjects ranging from the latest young adult book craze in Egypt to the hottest movies in Saudi Arabia Part of the new Pop Culture around the World series this volume focuses on countries in North Africa and the Middle East including Algeria Egypt Iran Iraq Israel Jordan Kuwait Lebanon Libya Morocco Saudi Arabia Syria the United Arab Emirates and more The book enables students to examine the stars idols and fads of other countries and provides them with an understanding of the globalization of pop culture An introduction provides readers with important contextual information about pop culture in North Africa and the Middle East such as how the United States has influenced movies music and the Internet how Islamic traditions may clash with certain aspects of pop culture and how pop culture has come to be over the years Readers will learn about a breadth of topics including music contemporary literature movies television and radio the Internet sports video games and fashion There are also entries examining topics like key musicians songs books actors and actresses movies and television shows popular websites top athletes games and clothing fads and designers

allowing readers to gain a broad understanding of each topic supported by specific examples An ideal resource for students the book provides Further Readings at the end of each entry sidebars that appear throughout the text providing additional anecdotal information appendices of Top Tens that look at the top 10 songs movies books and much more in the region and a bibliography

Deconstructing 'Energy Security' in Oman Lamya Harub, 2022-10-25 This book makes a substantial and timely contribution to discussions on energy security in Oman providing a systematic analysis of energy security in Oman from 1920 to 2020 It is particularly relevant in light of the recent global geopolitics of the Gulf particularly and the Middle Eastern region broadly as well as connecting to current climate change research and debates Combining a political sociological account with postcolonial concepts within a theoretical and empirical exploration of energy politics the book weaves a study of energy security into the historical and contemporary development of political economic security and social structures in Oman Including interviews with Omani and Oman based practitioners as well as grounded in historical documents which include Arabic language sources this book evaluates the energy question beyond the typical economic perspective considering socio political opportunities and challenges It also makes economic related recommendations in tandem with rentier state theory Unlike the dominant accounts of energy security in Oman this book sets itself apart by moving away from utilising liberal and realist approaches for its analysis and engages systematically with critical security studies to introduce a non Eurocentric perspective to the arena Of interest to scholars in Middle Eastern history energy security and security studies this book assumes an important place in the critical literature on the Gulf particularly within environmental studies and energy policy literature

Regime Stability in Saudi Arabia Stig Stenslie, 2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession He offers a strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular

International Relations of the Middle East Louise L'Estrange Fawcett, 2016 Now in its fourth edition *International Relations of the Middle East* provides a thematic overview of the subject combining a history of the region with analysis of key themes actors and conflicts as well as topical material and perspectives

A Critical

Political Economy of the Middle East and North Africa Joel Beinin, Bassam Haddad, Sherene Seikaly, 2020-12-22 This book offers the first critical engagement with the political economy of the Middle East and North Africa Challenging conventional wisdom on the origins and contemporary dynamics of capitalism in the region these cutting edge essays demonstrate how critical political economy can illuminate both historical and contemporary dynamics of the region and contribute to wider political economy debates from the vantage point of the Middle East Leading scholars representing several disciplines contribute both thematic and country specific analyses Their writings critically examine major issues in political economy notably the mutual constitution of states markets and classes the co constitution of class race gender and other forms of identity varying modes of capital accumulation and the legal political and cultural forms of their regulation relations among local national and global forms of capital class and culture technopolitics the role of war in the constitution of states and classes and practices and cultures of domination and resistance Visit politicaleconomyproject.org for additional media and learning resources

The Struggle of Entertainment and Neoliberal Postcolonial Capitalist Politics in "New" Saudi Arabia Anas M. Alahmed, 2022-07-07 Anas M Alahmed argues that the Entertainment Authority of Saudi Arabia created in 2016 was meant to introduce a new Saudi to the Western outsider audience and that the new Saudi state is on a mission to transform the country from a traditional and conservative kingdom to a new state dedicated to social modernization and openness Alahmed contends that globalization and the neoliberalism capitalist mode of politics have reinforced the transformation of cultural production into global entertainment production Therefore the author shows how the entertainment sector relies heavily on reproducing the Western culture of entertainment production and depends on Western businesses to bring entertainment into the country instead of investing in local entertainment businesses which forces the state to adopt neoliberal capitalism The author provides evidence on how the new modernity of Saudi Arabia has become a political tool through which neoliberal capitalists can create positive relationships with Western capitals as part of the postcolonial struggle of neoliberalism in the Global South Alahmed argues that there is a connection between the role of geopolitical power in globalization and postcolonial studies that explains the struggles of indigenous cultures related to providing their own production to society

The Social Question in the Twenty-First Century Jan Breman, Kevan Harris, Ching Kwan Lee, Marcel van der Linden, 2019-07-30 A free open access ebook is available upon publication Learn more at www.luminosoa.org Want disease ignorance squalor and idleness first recognized together in mid nineteenth century Europe these are the focus of the Social Question In 1942 William Beveridge called them the giant evils while diagnosing the crises produced by the emergence of industrial society More recently during the final quarter of the twentieth century the global spread of neoliberal policies enlarged these crises so much that the Social Question has made a comeback The Social Question in the Twenty First Century maps out the linked crises across regions and countries and identifies the renewed and intensified Social Question as a labor issue above all The volume includes discussions from every corner of the globe focusing

on American exceptionalism Chinese repression Indian exclusion South African colonialism democratic transitions in Eastern Europe and other phenomena The effects of capitalism dominating the world the impact of the scarcity of waged work and the degree to which the dispossessed poor bear the brunt of the crisis are all evaluated in this carefully curated volume Both thorough and thoughtful the book serves as collective effort to revive and reposition the Social Question reconstructing its meaning and its politics in the world today

Oil Powers Victor McFarland, 2020-07-14 Since the mid twentieth century the United States and Saudi Arabia have built a close but often troubled alliance In this critical history Victor McFarland reveals the deep ties binding the leaders of the two nations Connecting foreign relations and domestic politics McFarland challenges the view that the U S Saudi alliance is the inevitable consequence of American energy demand and Saudi Arabia s huge oil reserves Oil Powers traces the growth of the alliance through a dense web of political economic and social connections that bolstered royal and executive power and the national security state McFarland shows how U S and Saudi elites collaborated to advance their shared interests against rivals at home and abroad During the 1970s as higher oil prices enriched the Saudi government destabilized the American economy and changed the balance of power in the Middle East leaders of both countries responded by consolidating their alliance Facing objections from their own people Washington and Riyadh chose to shield their partnership from public oversight and accountability While American support empowered the Saudi royal family and helped the kingdom expand its influence across the Middle East Saudi elites also encouraged a rightward shift in U S foreign and economic policy with profound long term effects Oil Powers reveals the role of the U S Saudi alliance in laying the groundwork for American military involvement in the Middle East and the entrenchment of a global order fueled by oil

Global Governance from Regional Perspectives Anna Triandafyllidou, 2017 Global Governance from Regional Perspectives argues that the academic debate on global governance has neglected the combination of power with value constellations culture Both input and output legitimacy for instance or the exercise of control and influence are inextricably related to culture worldviews and values The book questions theoretically the Western hegemonic and hence invisible definition of governance and related concepts as well as the Western hegemony over global governance institutions It looks from the ground up whether and how alternative practices institutions networks and concepts norms of global governance are emerging in relation to emerging powers and regional integration systems Global Governance from Regional Perspectives starts with a critical reading of global governance from multi disciplinary views and engages with two important and understudied aspects notably how global governance can be measured and what lies behind such measurements and questions the democratic deficit of global governance The book provides a series of regional and country perspectives on global governance which engage with a specific example of an institution process or issue that is used to highlight why and how the western hegemonic views and practices of global governance are or not contested The book offers a mapping of global governance phenomena in different regions of the world and a critical readings of those As such this volume is different from

all international relations or political science collections on global governance and also opens up a new field of study that has been hitherto neglected in sociological or cultural studies Middle East Report ,2006 □□□□□□ □□□ :□□□□□□ □□□□□□
2016 23 21 01-01-2018,□□□□□□□ □□□□□ □□□□□□ □□□□□ □□□□□□,□□□□□ □□□□□□ □□□□□□□□□□□□ **The Suspended Disaster** Thomas Serres,2023-09-05 After Algeria's president Abdelaziz Bouteflika announced his intention to run for a fifth term in early 2019 a popular peaceful uprising erupted calling for change Bouteflika who had been in office since 1999 was eventually forced to resign but the Hirak movement continued to protest the country's inequalities and entrenched ruling elite The Suspended Disaster examines the dynamics of the Algerian political system offering new insights into the last years of Bouteflika's rule and the factors that shaped the emergence of an unexpected social movement Thomas Serres argues that the Algerian ruling coalition developed a mode of government based on the management of a seemingly never ending crisis marked by an obsession with security and the ever present possibility of unrest violence and economic collapse Identifying this form of rule as governance by catastrophization he shows how attempts to preserve the status quo through emergency policies and constant reforms can also lay the groundwork for a revolutionary situation Serres contrasts the government's portrayal of perpetually imminent disaster with the uncertainty precarity and indignity experienced by much of the population which fueled the rejection of ruling elites a profound mistrust toward institutions and new spaces for grassroots opposition Based on extensive fieldwork and theoretically novel The Suspended Disaster sheds new light on the political economic and social processes underlying an uprising that changed the face of Algerian politics Thicker Than Oil Rachel Bronson,2008-06-05 For fifty five years the United States and Saudi Arabia were solid partners Then came the 9 11 attacks which sorely tested that relationship In Thicker than Oil Rachel Bronson reveals why the partnership became so intimate and how the countries shared interests sowed the seeds of today's most pressing problem Islamic radicalism Drawing on a wide range of archival material declassified documents and interviews with leading Saudi and American officials and including many colorful stories of diplomatic adventures and misadventures Bronson chronicles a history of close and always controversial contacts She argues that contrary to popular belief the relationship was never simply about oil for security Saudi Arabia's geographic location and religiously motivated foreign policy figured prominently in American efforts to defeat godless communism From Africa to Afghanistan Egypt to Nicaragua the two worked to beat back Soviet expansion But decisions made for hardheaded Cold War purposes left behind a legacy that today enflames the Middle East Looking forward Bronson outlines the challenges confronting the relationship The Saudi government faces a zealous internal opposition bent on America's and Saudi Arabia's destruction Yet from the perspective of both countries the status quo is clearly unsustainable **Life Worlds of Middle Eastern Oil** Nelida Fuccaro,Mandana E. Limbert,2023 Studies how oil has shaped the societies and cultures of the modern and contemporary Middle East **The Paradoxical Kingdom** Daryl Champion,2003 A specialist in Saudi Arabian affairs shows how religion tradition society economics politics and the state

interact with each other as the nation lurches into the 21st century **Inside The Mirage** Thomas Lippman,2008-11-10 The relationship between the United States and Saudi Arabia has always been a marriage of convenience not affection In a bargain cemented by President Roosevelt and Saudi Arabia s founding king in 1945 Americans gained access to Saudi oil and the Saudis sent the dollars back with purchases of American planes American weapons American construction projects and American know how that brought them modernization education and security The marriage has suited both sides But how long can it last In Inside the Mirage veteran Middle East journalist Thomas W Lippman shows that behind the official proclamations of friendship and alliance lies a complex relationship that has often been strained by the mutual aversion of two very different societies Today the U S Saudi partnership faces its greatest challenge as younger Saudis less enamored of America rise to prominence and Americans scorched by Saudi based terrorism question the value of their ties to the desert kingdom With so much at stake for the entire ever volatile Middle East this compelling and absolutely necessary account brings the light of new research onto the relationship between these two countries and the future of their partnership

The US, the UK and Saudi Arabia in World War II Matthew Hinds,2016-02-17 The story of Anglo American relations in Saudi Arabia during the Second World War has generally been viewed as one of discord and hegemonic rivalry a perspective reinforced by a tendency to consider Britain s decline and the ascent of US power as inevitable In this engaging and timely study Matthew Hinds calls into question such assumptions and reveals a relationship that though hard nosed functioned through interdependence and strategic parity Drawing upon an array of archives from both sides of the Atlantic Hinds traces the flow of key events and policies as well as the leading figures who shaped events to show why how and to what extent the allies and Saudi Arabia became mixed up together in the words of Winston Churchill Perhaps most fundamentally Britain and the United States were enthralled by the promise of Saudi Arabia serving as an auxiliary to Allied strategy Obtaining King Ibn Saud s tacit support or more specifically his benevolent neutrality meant having vital access not only to the country s prospective oil reserves but to its prized geographic location its centrality within Islam and as international politics increasingly followed an anti colonial path to its credentials as a sovereign and independent Arab state Given what was at stake London and Washington saw their engagement in Saudi Arabia as seminal a genuine blueprint for how to forge a lasting Special Relationship throughout the Middle East Hinds bold new interpretation is a vital work that enlarges our understanding of the Anglo American wartime alliance **Saudi Arabia and the Global Islamic Terrorist Network** S. Stern,2011-11-03 Saudi Arabia influences American policy through both conventional and unconventional methods all due to the petro dollars that have been generated from America s addiction to foreign oil With chapters written by renowned experts this book uses first hand accounts to explore this vast influence

Yeah, reviewing a books **Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback** could go to your near friends listings. Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback Introduction

In today's digital age, the availability of Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Americas Kingdom Mythmaking On The Saudi

Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback books and manuals for download and embark on your journey of knowledge?

FAQs About Americas Kingdom Mythmaking On The Saudi Oil Frontier Stanford Studies In Middle Eastern And Islamic Studies And Cultures Paperback Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Americas Kingdom Mythmaking On
