TREMPER LONGMAN III,PETER ENNS,2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God s world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP s celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical

book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation. Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme. And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology. In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches. The Dictionary of the Old Testament: Wisdom, Poetry and Writings is sure to command shelf space within arm's reach of any student, teacher or preacher working in this portion of biblical literature. An Introduction to the Literature of the Old Testament Samuel Rolles Driver, 1898 **Basic Guide to the Old Testament**, A Ska, Jean-Louis, 2019

A simple tool for a first reading of the Bible that answers the first questions that are posed by the reader who has little familiarity with the Bible and helps with the critical reading of the Bible i.e. to maintain the right distance to avoid the problems that arise when the text is taken literally. A Biblical Theology of Gerassapience Joel A. A. Ajayi, 2010

Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years. In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts. There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel's life that is in pre monarchical monarchical and post monarchical Israel. Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel's neighbors and of modern societies such as the West African Yoruba tribe. The overall results are bi dimensional. On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age. Both terms have strong contextual affinity with minimal exceptions. Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament. On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies. On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience. Yahwistic wisdom. Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise. An Introduction to the Old Testament Poetic Books C. Hassell Bullock, 1985 **The Old Testament** Brent A. Strawn, 2019-09-24

This concise volume introduces readers to the three main sections of the Hebrew Bible Tanakh and to the biblical books found in each. It is organized around two primary stories: the story that scholars tell about the Old Testament and the story the literature itself tells. Concluding with a reconsideration of the Old Testament as more like poetry than a story, three main chapters cover The Pentateuch Torah The Prophets *Nevi'im* The Writings *Ketuvim*. With key summaries of what the parts of the Old Testament are all about and including suggestions for further reading, this volume is an ideal introduction for students of and newcomers to the Old Testament. *An Annotated*
