## **Anda Curso Elemental 2nd Edition:**

Introduction to Spanish/English Linguistics Dee L. Eldredge, Liesder Mayea, 2016-01-08 This textbook is for three groups of people involved with Spanish first for the students enrolled in Spanish English linguistics courses second for college and university librarians and third for every Spanish language teacher professor We suggest that those who have courses of this type consider this book as a text for those classes For those that do not have them we recommend that you offer them and use this book We also believe that it would also be an ideal book for libraries in which people interested in the topic can go to find out information since there are no available texts as comprehensive as this one It is also a book that all Spanish teachers professors should have on their desks and shelves for reference purposes being that it contains a lot of information about linguistics and grammar

¡Anda! Audrey L. Heining-Boynton, Glynis S. Cowell, 2013 **Teaching Spanish, My Way** Dee L. Eldredge, 2014-05-02 Professor Dee L Eldredge's Teaching Spanish My Way is a treasure trove of information and a resource manual of over 370 pages to aid Spanish teachers professors in their efforts to help students learn Spanish It contains the author's philosophy of teaching suggestions for course and class preparation principles of teaching that he follows general linguistic syntax lexical phonetic and morphological explanations Spanish language rules Spanish historical cultural and geographical information handouts that have been used a lot by the professor and cards that have been utilized with great success to teach Spanish especially at the beginning of classes Would you like to read information about how to take charge of a class and more about the responsibilities of a teacher Chapter 1 of the book gives the reader the author's philosophy of teaching and much information on his perspectives relating to a teacher's responsibilities Topics such as being in charge of the class being prepared for everything grading practices using time efficiently during class presenting grammar implementing oral drills students speaking as much Spanish as possible during the class and before after class with the teacher being courteous and others will help you be a better teacher professor Would you like to be better organized and run your classes more smoothly Chapter 2 details many subjects important to course organization class preparation and class instruction As part of course organization syllabuses schedule of classes handouts marking up textbooks folders copies tests and examining classrooms are discussed Appertaining to class preparation planning of the activities for the next class grading recording and placing papers in folders handouts and tests are explained Concerning class instruction and activities the following topics are presented directing a class starting a class reviewing homework asking questions presenting new grammar practicing new grammar presenting new homework reading using handouts giving tests exams grading and reviewing tests and ending class Would you like to have some excellent rules that would help you teach your classes more suitably Chapter 3 lists the many rules that the author follows in teaching his classes Some deal with the interaction with students others with the organization of the classroom others with the preparation of classes and others with the way he organizes everything Would you like to have explanations of grammar and linguistics that very much help you teach more

competently Chapter 4 which is by far the longest gives explanations of many items in linguistics that can greatly aid Spanish teachers such as synthetic and analytic languages declensions syntactical notation thematic relations and relators complementation arguments vocalic and consonantal languages adverbials markers a sentence moods voices raising pro forms noun phrases cases with pronouns pronouns after prepositions clitics le smo la smo and lo smo relative pronouns clitic doubling determiners homonyms verb phrases verbal complementation verbal particles verbal aspect verb forms the English dummy it usage comparison of auxiliary verbs in English and Spanish prepositional phrases prepositional complementation modifiers position of modifier adjectives conjunctions multiple meanings of English and Spanish verbs and other words affirmative and negative words question words false cognates Spanish and English verb problems the silent h and u juncture phonemes diphthongs phonetic stress vowels and consonants representatives of sounds spelling problems cognates and usage of linguistics in the classroom This chapter aids the teacher to deliver the whys and wherefores to many grammatical problems as for example why the h became silent in Spanish where the name California came from and why the Spanish chose habla     Anda Audrey L.
