**The True History of the First Mrs. Meredith and Other Lesser Lives** Diane Johnson, 2020-06-23 A classic of alternative biography and feminist writing this empathetic and witty book gives due to a lesser figure of history Mary Ellen Peacock Meredith who was brilliant unconventional and at odds with the constraints of Victorian life Many people have described the Famous Writer presiding at his dinner table He is famous everybody remembers his remarks We forget that there were other family members at the table a quiet person now muffled by time shadowy whose heart pounded with love perhaps or rage So begins The True History of the First Mrs Meredith and Other Lesser Lives an uncommon biography devoted to one of those lesser lives As the author points out A lesser life does not seem lesser to the person who leads one Such sympathy and curiosity compelled Diane Johnson to research Mary Ellen Peacock Meredith 1821 1861 the daughter of the famous artist Thomas Love Peacock 1785 1866 and first wife of the equally famous poet George Meredith 1828 1909 Her life treated perfunctorily and prudishly in biographies of Peacock or Meredith is here exquisitely and unhurriedly given its due What emerges is the portrait of a brilliant well educated woman raised unconventionally by her father only to feel more forcefully the constraints of the Victorian era First published in 1972 Lesser Lives has been a key text for feminists and biographers alike a book that reimagined what biography might be both in terms of subject and style Biographies of other lesser lives have since followed in its footsteps but few have the wit elegance and empathy of Johnson's seminal work

FILM-KONZEPTE 43 - Francois Ozon Johannes Wende, 2016-08-26 In einer gro en Tradition franz sischer Autorenfilmer steht Fran ois Ozon heute als einer der wenigen deren Namen auch einem gr eren Kinopublikum hierzulande noch bekannt ist Dies ist vor allem deshalb erstaunlich weil Ozon in den letzten 20 Jahren sehr unterschiedliche Filme gemacht hat sein Name also kaum zur Marke taugt die einem Publikum im Voraus verspricht was zu erwarten ist Ein Film von Fran ois Ozon das bezeichnet ein Fr hwerk von aufsehenerregenden Kurzfilmen von bunten Publikumserfolgen wie 8 Frauen oder Swimming Pool aber auch psychologischen Dramen wie Unter dem Sand oder Jung und Sch n Dieser noch junge und sehr produktive Autor verweist dabei immer wieder auf die gro e Filmgeschichte seines Landes ohne dass seine Filme je eine Ehrfurcht vor ihr zu l hmen scheint

Angel on a Leash David Frei, 2011-11-08 David Frei's heartwarming collection of stories about the therapy dogs in his life and the people whom they touch Angel on a Leash celebrates the ministry that Frei shares with his wife Chaplain Cheryl Frei the director of spiritual care at the Ronald McDonald House of New York Frei may be the most recognizable face and name in the dog sport as the Voice of Westminster the famous New York kennel club for which he has worked for the past two decades but his true passion in dogs is therapy work In the book's eighteen chapters Frei retells the stories of the everyday miracles he's witnessed his therapy dogs perform over hundreds of trips to their favorite places Currently in his second generation of therapy dogs Frei gives his Cavalier King Charles Spaniel Angel and Brittany Grace all the credit for the life altering work they do cheering up ailing

children at Morgan Stanley's Children's Hospital spending time with recovering patients at New York Presbyterian Hospital and placing a paw in the hand of world weary veterans at the Washington DC VA Medical Center Never sappy or sentimental Frei's writing style is straightforward and honest with a swiftness that keeps the reader turning pages and wiping tears Beyond the inspiring storytelling the book also offers practical advice to potential therapy dog handlers about how to get a dog certified with a proper registry the responsibilities that accompany therapy work and the importance of community involvement Frei's association with Westminster yielded the formation of a nonprofit organization called Angel on a Leash the book's namesake which Frei was the key founder Although the organization is now a separate entity from its famous parent Best in Show winners of Westminster have frequently retired from the show ring into the realm of therapy work receiving Frei's encouragement and guidance Among the many exquisite moments captured in the book's photography section are portraits of Rufus the Colored Bull Terrier James the English Spring Spaniel and Uno the Beagle all supreme victors of the famous show spending time with children on therapy visits

*The Blue Angel - The Life and Films of Marlene Dietrich* David Stuart Ryan, 2013-10-03 The story of Marlene Dietrich's life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography John Lennon's Secret explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of La Belle Epoque when a very feudal and settled order still existed in Europe The Blue Angel transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes The Berliner Luft the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film Some Like It Hot drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene's story Marlene's big break came when she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down The Blue Angel took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel

**Victorian Metafiction** Tabitha Sparks,2022-11-17 Critics agree in the abstract that metafiction refers to any novel that draws attention to its own fictional construction but metafiction has been largely associated with the postmodern era In this

innovative new book Tabitha Sparks identifies a sustained pattern of metafiction in the Victorian novel that illuminates the art and intentions of its female practitioners From the mid nineteenth century through the fin de siècle novels by Victorian women such as Charlotte Brontë Rhoda Broughton Charlotte Riddell Eliza Lynn Linton and several New Women authors share a common but underexamined trope the fictional characterization of the woman novelist or autobiographer Victorian Metafiction reveals how these novels systemically dispute the assumptions that women wrote primarily about their emotions or were restricted to trivial sentimental plots Countering an established tradition that has read novels by women writers as heavily autobiographical and confessional Sparks identifies the literary technique of metafiction in numerous novels by women writers and argues that women used metafictional self consciousness to draw the reader's attention to the book and not the novelist By dislodging the narrative from these cultural prescriptions Victorian Metafiction effectively argues how these women novelists presented the business and art of writing as the subject of the novel and wrote metafiction in order to establish their artistic integrity and professional authority

*The Strudlhof Steps* Heimito von Doderer, 2021-12-14 The first English translation of an essential Austrian novel about life in early twentieth century Vienna as seen through a wide and varied cast of characters *The Strudlhof Steps* is an unsurpassed portrait of Vienna in the early twentieth century a vast novel crowded with characters ranging from an elegant alcoholic Prussian aristocrat to an innocent ingenue to respectable shopkeepers and tireless sexual adventurers bohemians grifters and honest working class folk The greatest character in the book however is Vienna which Heimito von Doderer renders as distinctly as James Joyce does Dublin or Alfred Döblin does Berlin Interweaving two time periods 1908 to 1911 and 1923 to 1925 the novel takes the monumental eponymous outdoor double staircase as a governing metaphor for its characters intersecting and diverging fates *The Strudlhof Steps* is an experimental tour de force with the suspense and surprise of a soap opera Here Doderer illuminates the darkness of passing years with the dazzling extravagance that is uniquely his

*The Legacies of Jean-Luc Godard* Douglas Morrey, Christina Stojanova, Nicole Côté, 2014-06-18 The artistic impact of Jean Luc Godard whose career in cinema has spanned over fifty years and yielded a hundred or more discrete works in different media cannot be overestimated not only on French and other world cinemas but on fields as diverse as television video art gallery installation philosophy music literature and dance *The Legacies of Jean Luc Godard* marks an initial attempt to map the range and diversity of Godard's impact across these different fields It contains reassessments of key films like *Vivre sa vie* and *Passion* as well as considerations of Godard's influence over directors like Christophe Honor Contributors look at Godard's relation to philosophy and influence over film philosophy through reference to Wittgenstein Deleuze and Cavell and show how Godard's work in cinema interacts with other arts such as painting music and dance They suggest that Godard's late work makes important contributions to debates in memory and Holocaust Studies The volume will appeal to a non specialist audience with its discussions of canonical films and treatment of themes popular within film studies programs such as cinema and ethics But it will also attract academic

specialists on Godard with its chapters on recent works including *Dans le noir du temps* 2002 and *Voyage s en utopie* 2006 interventions in long running academic debates Godard the Holocaust and anti-Semitism and treatment of rarely discussed areas of Godard's work choreographed movement      *The Old Devils* Kingsley Amis, 2012-10-02 Booker Prize Winner A pub gathering of elderly married couples devolves into booze inflected reminiscing and complaining in this sharp and funny English comedy about marriage aging and friendship The Washington Post Age has done everything except mellow the characters in Kingsley Amis's *The Old Devils* which turns its humane and ironic gaze on a group of Welsh married couples who have been spending their golden years when all of a sudden the evening starts starting after breakfast nattering complaining reminiscing and above all drinking This more or less orderly social world is thrown off kilter however when two old friends unexpectedly return from England Alun Weaver now a celebrated man of Welsh letters and his entrancing wife Rhiannon Long dormant rivalries and romances are rudely awakened as life at the Bible and Crown the local pub is changed irrevocably Considered by Martin Amis to be Kingsley Amis's greatest achievement a book that stands comparison with any English novel of the twentieth century *The Old Devils* confronts the attrition of ageing with rare candor sympathy and moral intelligence      ***Angels A to Z*** Matthew Bunson, 2010-08-04 Amid the veritable choirs of popular angel books this is the only one that offers factual information on every facet of angel lore Here at last is a detailed reference for anyone who wants to finally get the straight dope on all aspects of angel arcana 40 photos      ***Memories of Starobielsk*** Jozef Czapski, 2022-03-01 Vivid accounts of life in a Soviet prison camp by the author of *Inhuman Land* Interned with thousands of Polish officers in the Soviet prisoner of war camp at Starobielsk in September 1939 Jozef Czapski was one of a very small number to survive the massacre in the forest of Katyn in April 1940 *Memories of Starobielsk* portrays these doomed men some with the detail of a finished portrait others in vivid sketches that mingle intimacy with respect as Czapski describes their struggle to remain human under hopeless circumstances Essays on art history and literature complement the memoir showing Czapski's lifelong engagement with Russian culture The short pieces on painting that he wrote while on a train traveling from Moscow to the Second Polish Army's strategic base in Central Asia stand among his most lyrical and insightful reflections on art      ***They Play, You Pay*** James T. Bennett, 2012-05-10 *They Play You Pay* is a detailed sometimes irreverent look at a political conundrum despite evidence that publicly funded ballparks stadiums and arenas do not generate net economic growth governments keep on taxing sales restaurant patrons renters of automobiles and hotel visitors in order to build ever more elaborate cathedrals of professional sport often in order to satisfy an owner who has threatened to move his team to greener more subsidy happy pastures This book is a sweeping survey of the literature in the field the history of such subsidies the politics of stadium construction and franchise movement and the prospects for a re privatization of ballpark and stadium financing It ties together disparate strands in a fascinating story examining the often colorful cases through which governments became involved in sports These range from the well known to the obscure from Yankee Stadium and the

Astrodome to the Brooklyn Dodgers move to Los Angeles to a privately built ballpark constructed upon land that had been seized via eminent domain from a mostly Mexican American population to such arrant giveaways as Cowboys Stadium It examines alternatives that might lessen the pressure for public subsidies whether the Green Bay Packers model in which the team's owners are local stockholders or via league expansions It also takes a look at little known yet significant episodes such as President Theodore Roosevelt's intervention in the collegiate football crisis of 1905 a move that indirectly put the federal government on the side of such basic rule changes as the legalization of the forward pass They Play You Play is a fresh look at a political and economic puzzle how it came to be that Joe and Jane Sixpack in the Bronx and Dallas subsidize the Steinbrenners and Jerry Joneses of professional sport Fludd Hilary Mantel, 2010-05-06 From the double Man Booker prize winning author of Wolf Hall Bring Up the Bodies and The Mirror the Light this is a dark fable of lost faith and awakening love amidst the moors
