Tod's Group wishes to convey the charms of the Italian lifestyle to the world's rich. To do this, it focuses on celebrity and glamour, and its new advertising campaign will feature Italian celebrities. The Chairman says he wants to expand into India and China to capture consumers there who appreciate the Italian lifestyle. To enter such big markets, Tod's will need to think about quantity as well as quality.

Tod's is primarily a fashion company and needs to be much bigger. China and India have more possibility for growth than Tod's traditional markets. The Chairman is worried because China will be able to produce luxury goods more cheaply. In future, Tod's will look to lower production costs by manufacturing in low-cost countries.
