An Imperial Affliction :

An Introduction to Literature, Criticism and Theory Andrew Bennett, Nicholas Royle, 2016-03-02 Lively original and highly readable *An Introduction to Literature Criticism and Theory* is the essential guide to literary studies Starting at The Beginning and concluding with The End chapters range from the familiar such as Character Narrative and The Author to the more unusual such as Secrets Pleasure and Ghosts Now in its fifth edition Bennett and Royle's classic textbook successfully illuminates complex ideas by engaging directly with literary works so that a reading of *Jane Eyre* opens up ways of thinking about racial difference for example while Chaucer Raymond Chandler and Monty Python are all invoked in a discussion of literature and laughter The fifth edition has been revised throughout and includes four new chapters Feelings Wounds Body and Love to incorporate exciting recent developments in literary studies In addition to further reading sections at the end of each chapter the book contains a comprehensive bibliography and a glossary of key literary terms A breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader's eyes to the exhilarating possibilities of reading and studying literature

Representations of Anne Frank in American Literature Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's Diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics

Novel Writing Prep Monica Leonelle, 2018-08-29 For creative fiction writers who are writing their next novel *Novel Writing Prep* by USA Today bestselling author Monica Leonelle takes you step by step through planning your novel over the course of 30 days You may be wondering is it possible to write 50 000 words in 30 days without it being a crap draft Yes You can write 50 000 good words on your novel in as little as a month as long as you prepare yourself After helping thousands of authors develop the skills to hit huge word counts in a short period of time I've found one thing in common across all authors at all skill levels from those who have

never written a novel to those who publish professionally This one thing not only helps writers get their book to make sense and read well on paper but also helps them write it faster in the first place And it s simple You must know what you are going to write before you write it That s it The results Most writers can at least double their writing speed some can triple it meaning they can do twice as many words in the same time period as they were doing before Additionally these writers encounter fewer bouts of writer s block and are more likely to see their book in print down the line Novel Writing Prep takes you through a simple flexible easy to implement outlining process that will give you a skeleton of ideas for completing a marathon writing month And best of all you can go through all 30 planning prompts in just a few minutes a day over 30 days or you can complete a pizza and netflix and writing binge over a weekend Doesn t matter your skill level your writing experience or how you prefer to write a first draft For plotters pantsers newbies veterans and everyone in between let Novel Writing Prep help you plan your novel before writing it so you can write an awesome book faster Are you ready to go all in and say yes to a fun filled exciting productive adventure in writing The world needs your book Grab Novel Writing Prep today and make it happen
