And The Land Lay Still James Robertson:

Im Schatten des Fuchsmondes Antje Babendererde, 2022-10-14 Der wild romantische Liebesroman der preisgekrönten Antje Babendererde wie Urlaub für Herz und Seele Dieses Jahr ist für Lia auf dem Landsitz ihrer Familie nichts mehr wie es einmal war wegen Finn dem Neffen des Wildhüters Lia kann sich seiner geheimnisvollen Art nicht entziehen Obwohl er sie mit seinen spirituellen Sprüchen herausfordert verliebt sich Halsber Kopf in ihn Als Finn ihre Gefühle erwidert scheint Lias Sommer perfekt Doch wer ist dieser Junge wirklich der mit einem wilden Fuchs Ball spielt und ihm Gedichte vorliest Bald erreichen die Schatten der Vergangenheit die Wildnis von Badfearna Sie bringen Dinge bei Finn ans Licht die keinen Zweifel lassen Ein Mädchen wie Lia hat in seinem Leben keinen Platz Kann man vor der Liebe weglaufen oder vor sich selbst Wild und rau wie Schottland Die privilegierte Lia und Finn aus der Arbeiterklasse verlieben sich gegen alle Widerstände Eine Geschichte bei verletzter Gefühle und die Kraft der Natur sie zu heilen Zum Dahinschmelzen schön und voller kribbelnder Sehnsuchtsmomente Gedruckt auf Recycling Umweltschutzpapier zertifiziert mit dem Blauen Engel Ausgezeichnet mit dem DELIA Literaturpreis Junge Liebe 2023 Contemporary Scottish Gothic T. Baker, 2014-10-29 An innovative reading of a wide range of contemporary Scottish novels in relation to literary tradition and modern philosophy Contemporary Scottish Gothic provides a new approach to Scottish fiction and Gothic literature and offers a fuller picture of contemporary Scottish Gothic than any previous text *The 2010s* Emily Horton, Nick Bentley, Nick Hubble, Philip Tew, 2024-02-08 This volume relates the British fiction of the decade to the contexts in which it was written and received in order to examine and explain contemporary trends such as the rise of a new working class fiction the ongoing development of separate national literatures of Scotland Wales and Ireland and shifts in modes of attention and reading From the aftermath of the 2008 global financial crash to the Covid 19 pandemic of 2020 the 2010s have been a decade of an ongoing crisis which has penetrated every area of everyday life Internationally there has been an ongoing shift of global power from the US to China and events and developments such as the election of Donald Trump as US President the emergence of the Black Lives Matter movement the rise of the populist right across Europe and very gradually the incipient effects variously of AI Nationally there has been a decade of austerity economics punctuated by divisive referendums on Scottish independence and whether Britain should leave or remain in the EU Balancing critical surveys with in depth readings of work by authors who have helped define this turbulent decade including Nicola Barker Anna Burns Jonathan Coe Alys Conran Bernadine Evaristo Mohsin Hamid James Kelman James Robertson Kamila Shamsie Ali Smith Zadie Smith and Adam Thirlwell among others this volume illustrates exactly how their key themes and concerns fit within the social and political circumstances of the decade **The Deindustrialized World** Steven High, Lachlan MacKinnon, Andrew Perchard, 2017-07-20 Since the 1970s the closure of mines mills and factories has marked a rupture in working class lives The Deindustrialized World interrogates the process of industrial ruination from the first impact of layoffs in metropolitan cities suburban areas and single industry towns to the

shock waves that rippled outward affecting entire regions countries and beyond Scholars from France Canada Australia the United Kingdom and the United States share personal stories of ruin and ruination and ask others what it means to be working class in a postindustrial world Part 1 examines the ruination of former workplaces and the failing health and injured bodies of industrial workers Part 2 brings to light disparities between rural resource towns and cities where hipster revitalization often overshadows industrial loss Part 3 reveals the ongoing impact of deindustrialization on working people and their place in the new global economy Together the chapters open a window on the lived experiences of people living at ground zero of deindustrialization revealing its layered impacts and examining how workers environmentalists activists and the state have responded to its challenges

Who Are We Now? Jason Cowley, 2022-03-31 A Sunday Times Paperback of the Year Jason Cowley editor in chief of the New Statesman examines contemporary England through key news stories from recent times He reveals what they tell us about the state of the nation and to answer the question Who Are We Now I can't tell you how refreshing it is in these polarised times to read a book on politics that doesn't have an axe to grind an essential read The Sunday Times Spanning the years since the election of Tony Blair's New Labour government to the aftermath of the Covid pandemic the book investigates how England has changed and how those changes have affected us Cowley weaves together the seemingly disparate stories of the Chinese cockle pickers who drowned in Morecambe Bay the East End Imam who was tested during a summer of terror the pensioner who campaigned against the closure of her GP's surgery and Gareth Southgate's transformation of English football culture And in doing so he shows the common threads that unite them whether it is attitudes to class nation identity belonging immigration or religion He also examines the so called Brexit murder in Harlow the haunting repatriation of the fallen in the Iraq and Afghan wars through Wootton Bassett the Lancashire woman who took on Gordon Brown and the flight of the Bethnal Green girls to Islamic State Fleshing out the headlines with the very human stories behind them Through these vivid and often moving stories Cowley offers a clear and compassionate analysis of how and why England became so divided and the United Kingdom so fragmented and how we got to this cultural and political crossroads Most importantly he also shows us the many ways in which there is genuine hope for the future

Bannockburns Robert Crawford, 2014-01-14 Explores the literary cultural background to Scottish nationalism and how writers have set out in poetry fiction plays and on film the ideal of Scottish independence from 1314 to today Publication coincides with the 700 year anniversary of the Battle of Bannockburn

Blossom Lesley Riddoch, 2020-04-24 Blossom is an account of Scotland at the grassroots through the stories of people I've had the good fortune to know the most stubborn talented and resilient people on the planet They've had to be Some have transformed their parts of Scotland Some have tried and failed But all have something in common they know what it takes for Scotland to blossom We should too Weeding out vital components of Scottish identity from decades of political and social tangle is no mean task but it's one journalist Lesley Riddoch has undertaken Dispensing with the tired yo-yoing jousts over fiscal commissions Devo Something and EU in or out Blossom pinpoints both the buds of

growth and the blight that's holding Scotland back Drawing from its people and history as well as the experience of the Nordic countries and the author's own passionate and outspoken perspective this is a plain speaking but incisive call to restore equality and control to local communities and let Scotland flourish

Literary Politics of Scottish Devolution James Scott James, 2019-11-01 Provides a cultural history and political critique of Scottish devolution Provides the first critical history of Scottish devolution Offers the first multidisciplinary study of UK or Scottish devolution engaging extensively with the work of historians sociologists political scientists and cultural theorists Combines close attention to political and electoral factors with cultural issues and developments Draws on political theory which illuminates devolution from outside its terms This book is about the role of writers and intellectuals in shaping constitutional change Considering an unprecedented range of literary political and archival materials it explores how questions of voice language and identity featured in debates leading to the new Scottish Parliament in 1999 Tracing both the dream of cultural empowerment and the grind of electoral strategy it reconstructs the influence of magazines such as Scottish International Radical Scotland Cencrastus and Edinburgh Review and sets the fiction of William McIlvanney James Kelman Irvine Welsh A L Kennedy and James Robertson within a radically altered picture of devolved Scotland

Wealth of the Nation Cairns Craig, 2018-03-07 Reveals Britain's secret counter subversive policies and security measures implemented in the post war Middle East

Regional Aesthetics Hugh Chignell, Ieuan Franklin, Kristin Skoog, 2015-09-15 This book is about forms of media that have reflected or increased consciousness of a sense of place or a regional identity From landscape painting in the Romantic era to newspaper coverage of devolution the chapters explore through contextualized case studies the aesthetics of a wide range of local regional and grassroots forms of media

Literature and Union Gerard Carruthers, Colin Kidd, 2018-01-06 Literature and Union opens up a new front in interdisciplinary literary studies There has been a great deal of academic work both in the Scottish context and more broadly on the relationship between literature and nationhood yet almost none on the relationship between literature and unions This volume introduces the insights of the new British history into mainstream Scottish literary scholarship The contributors who are from all shades of the political spectrum will interrogate from various angles the assumption of a binary opposition between organic Scottish values and those supposedly imposed by an overbearing imperial England Viewing Scottish literature as a clash between Scottish and English identities loses sight of the internal Scottish political and religious divisions which far more than issues of nationhood and union were the primary sources of conflict in Scottish culture for most of the period of Union until at least the early twentieth century The aim of the volume is to reconstruct the story of Scottish literature along lines which are more historically persuasive than those of the prevailing grand narratives in the field The chapters fall into three groups 1 those which highlight canonical moments in Scottish literary Unionism John Bull Rule Britannia Humphry Clinker Ivanhoe and England their England 2 those which investigate key themes and problems including the Unions of 1603 and 1707 Scottish Augustanism the Burns Cult Whig Presbyterian

and sentimental Jacobite literatures and 3 comparative pieces on European and Anglo Irish phenomena **The Book of Scotlands** MOMUS,2020-04-24 The Book of Scotlands outlines 156 possible Scotlands which currently do not exist anywhere but maybe someday could At a moment when after centuries of desire and unrest independence seems to be a real possibility for Scotland Scottish born Berlin based musician author journalist Momus real name Nick Currie offers a delirium of visions practical and absurd Momus who describes himself as a polymath dabbler suggests that the real Scotland is free to embrace or reject this parallel world **Gramsci** Michael Ekers,Gillian Hart,Stefan Kipfer,Alex Loftus,2012-12-26 This unique collection is the first to bring attention to Antonio Gramsci s work within geographical debates Presenting a substantially different reading to Gramsci scholarship the collection forges a new approach within human geography environmental studies and development theory Offers the first sustained attempt to foreground Antonio Gramsci s work within geographical debates Demonstrates how Gramsci articulates a rich spatial sensibility whilst developing a distinctive approach to geographical questions Presents a substantially different reading of Gramsci from dominant post Marxist perspectives as well as more recent anarchist and post anarchist critiques Builds on the emergence of Gramsci scholarship in recent years taking this forward through studies across multiple continents and asking how his writings might engage with and animate political movements today Forges a new approach within human geography environmental studies and development theory building on Gramsci s innovative philosophy of praxis *Ritual, Family and Therapy in Anglophone Literatures* Lars Heiler,2025-03-10 This book investigates the triadic constellations between ritual family and therapy in literature in English Many rituals so called rites of passage in particular are strongly associated with the changing status of individuals as members of a family unit Traditional healing rituals were often designed to have a therapeutic effect sometimes mentally but also physically whereas modern psychotherapies often include ritual elements in order to enhance the efficacy of their treatment Families on the other hand can be the site of therapeutic activity by providing protection stability and emotional comfort yet difficult family constellations may also be the origin of emotional distress and the reason why a person needs counselling and therapeutic support in the first place Modern therapies such as family systems therapy have expanded their range of interest and influence in order to look at the whole family unit not just the symptomatic individual as client This study discusses nine literary texts six novels one literary memoir and two plays in which the three dimensions intersect and mutually influence each other Honey from the Lion Gay Doug,2015-04-21 Doug Gay explores the ethics of nationalism recognising that for many Christians churches and theologians nationalism has often been seen as intrinsically unethical due to a presumption that at best it involves privileging one nation s interests over anothers and at worst it amounts to a form of ethnocentrism or even racism Reminders of the Day Shaun Bythell,2022-09-01 Effortlessly charming it is soothing to sink once again into the rhythms of Bythell s year TLS The Bookshop in Wigtown is a bookworm s idyll with thousands of books across nearly a mile of shelves a real log fire and Captain the bookshop cat You d think after twenty years owner

Shaun Bythell would be used to the customers by now Don't get him wrong there are some good ones among the antiquarian erotica hunters die hard Arthurians people who confuse bookshops for libraries and the toddlers just looking for a nice cosy corner in which to wee He's sure there are There must be some good ones right Filled with the pernickety warmth and humour that has touched readers around the world stuffed with literary treasures hidden gems and incunabula Reminders of the Day is Shaun Bythell's latest entry in his bestselling diary series *Historical Organization Studies* Mairi Maclean, Stewart R. Clegg, Roy Suddaby, Charles Harvey, 2020-11-26 We are now entering a new phase in the establishment of historical organization studies as a distinctive methodological paradigm within the broad field of organization studies This book serves both as a landmark in the development of the field and as a key reference tool for researchers and students For two decades organization theorists have emphasized the need for more and better research recognizing the importance of the past in shaping the present and future By historicizing organizational research the contexts and forces bearing upon organizations will be more fully recognized and analyses of organizational dynamics improved But how precisely might a traditionally empirically oriented discipline such as history be incorporated into a theoretically oriented discipline such as organization studies This book evaluates the current state of play advances it and identifies the possibilities the new emergent field offers for the future In addition to providing an important work of reference on the subject for researchers the book can be used to introduce management and organizational history to a student audience at both undergraduate and postgraduate levels The book is a valuable source for wider reading providing rich reference material in tutorials across organizational studies or as recommended or required reading on courses with a connection to business or management history Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license **Generation X Goes Global** Christine Henseler, 2012-11-12 This edited volume is the first book of its kind to engage critics understanding of Generation X as a global phenomenon Citing case studies from around the world the research collected here broadens the picture of Generation X as a demographic and a worldview The book traces the global and local flows that determine the identity of each country's youth from the 1970s to today Bringing together twenty scholars working on fifteen different countries and residing in eight different nations this book presents a community of diverse disciplinary voices Contributors explore the converging properties of Generation X through the fields of literature media studies youth culture popular culture sociology philosophy feminism and political science Their ideas also enter into conversation with fourteen other textbox contributors who address the question of Who is Generation X in other countries Taken together they present a highly interactive and open book format whose conversations extend to the reading public on the website www.generationxgoesglobal.com Ties that Bind? Graham Walker, 2023-02-22 Ties That Bind is an engrossing and timely study of the historical cultural and political relationship between Scotland and Northern Ireland at a seminal moment in the constitutional history of both places It has

seldom been acknowledged and rarely explored in any real depth but this important book conclusively demonstrates just how deeply entwined the two countries are The book explores how Scottish Ulster ties historically acted as a bridge between Britain and Ireland and should be central to contemporary debates regarding Britishness sectarianism and devolution It reveals the connections and tensions between ascendent Scottish nationalism Brexit and deadlock in Northern Ireland and argues that rather than the inevitable collapse of the UK these challenges show that the constitutional futures of Scotland and Northern Ireland are both still very much up for grabs

Stuart Hood, Twentieth-Century Partisan David Hutchison, David Johnson, 2020-07-31 This collection introduces the reader to the life and times of Stuart Hood 1915 2011 Highlighting Hood's year spent fighting with the Italian Resistance during the Second World War the essays consider how his experiences as a partisan influenced his peacetime trajectory Written by distinguished scholars from several disciplines each chapter examines different aspects of Hood's life and work including his Scottish boyhood and university education in Edinburgh his distinguished career as a broadcaster presiding over an era of unprecedented creativity at BBC television his role in the establishment of the discipline of media studies and his contribution to radical European culture as the translator of 40 literary works from Italian German French and Russian and as the author of eight acclaimed novels Stuart Hood's reticence made him an enigma to many who knew him This collection assesses his many faceted achievements demonstrating how his life provides fresh insights into twentieth century European history This book will appeal to readers interested in the history of British and European socialism media studies and literature
