Annexed Sharon Dogar:

Annexed Sharon Dogar, 2010-10-04 Everyone knows about Anne Frank and her life hidden in the secret annex but what about the boy who was also trapped there with her In this powerful and gripping novel Sharon Dogar explores what this might have been like from Peter's point of view What was it like to be forced into hiding with Anne Frank first to hate her and then to find yourself falling in love with her Especially with your parents and her parents all watching almost everything you do together To know you're being written about in Anne's diary day after day What's it like to start questioning your religion wondering why simply being Jewish inspires such hatred and persecution Or to just sit and wait and watch while others die and wish you were fighting As Peter and Anne become closer and closer in their confined quarters how can they make sense of what they see happening around them Anne's diary ends on August 4 1944 but Peter's story takes us on beyond their betrayal and into the Nazi death camps He details with accuracy clarity and compassion the reality of day to day survival in Auschwitz and ultimately the horrific fates of the Annex's occupants Tolerance Discourse and Young Adult Holocaust Literature

Rachel Dean-Ruzicka, 2016-11-25 What exactly does one mean when idealizing tolerance as a solution to cultural conflict This book examines a wide range of young adult texts both fiction and memoir representing the experiences of young adults during WWII and the Holocaust Author Rachel Dean Ruzicka argues for a progressive reading of this literature Tolerance Discourse and Young Adult Holocaust Literature contests the modern discourse of tolerance encouraging educators and readers to more deeply engage with difference and identity when studying Holocaust texts Young adult Holocaust literature is an important nexus for examining issues of identity and difference because it directly confronts systems of power privilege and personhood The text delves into the wealth of material available and examines over forty books written for young readers on the Holocaust and in the last chapter neo Nazism The book also looks at representations of non Jewish victims such as the Romani the disabled and homosexuals In addition to critical analysis of the texts each chapter reads the discourses of tolerance and cosmopolitanism against present day cultural contexts ongoing debates regarding multicultural education gay and lesbian rights and neo Nazi activities The book addresses essential questions of tolerance and toleration that have not been otherwise considered in Holocaust studies or cultural studies of children's literature

The Legacy of Anne Frank Gillian Walnes Perry, 2018-08-30 Unusual and illuminating will appeal to all who are moved by and curious about Frank's story and legacy and everyone interested in humanitarian activism Booklist Although many books and literary analyses have been written about Anne Frank's life and diary none have explored the surprising influence she has had on young people in countries all over the world helping to shape their moral framework and giving them critical life skills This is due in part to the merits of a traveling exhibition created by the Anne Frank House in Amsterdam in 1985 which has so far been seen by over nine million people The Anne Frank exhibition along with its innovative educational and cultural activities has circumnavigated the globe many times In this fascinating study Gillian Walnes Perry explores the various legacies of Anne Frank's influence She looks at the complex life of Anne Frank's father and the motivations that powered his educational philosophy She shares new insights into the real Anne Frank personally gifted by those who actually knew her Global icons such as Nelson Mandela and Audrey Hepburn relate the influence that Anne Frank had on shaping their own lives This book presents all in one place and for the very first time the inspirational stories of a diverse variety of people from all over the world brought together by the words of one particularly articulate and inspiring teenage victim of the Holocaust

The Palgrave Handbook of Britain and the Holocaust Tom Lawson, Andy Pearce, 2021-01-19 This handbook is the most comprehensive and up to date single volume on the history and memory of the Holocaust in Britain It traces the complex relationship between Britain and the destruction of Europe's Jews from societal and political responses to persecution in the 1930s through formal reactions to war and genocide to works of representation and remembrance in post war Britain Through this process the handbook not only updates existing historiography of Britain and the Holocaust it also adds new dimensions to our understanding by exploring the constant interface and interplay of history and memory The chapters bring together internationally renowned academics and talented younger scholars Collectively they examine a raft of themes and issues concerning the actions of contemporaries to the Holocaust and the responses of those who came after At a time when the Holocaust related activity in Britain proceeds apace the contributors to this handbook highlight the importance of rooting what we know and understand about Britain and the Holocaust in historical actuality This the volume suggests is the only way to respond meaningfully to the challenges posed by the Holocaust and ensure that the memory of it has purpose

Anne Frank Unbound Barbara Kishenblatt-Gimblett, Jeffrey Shandler, 2018-11-01 A brilliantly conceived and long overdue opening up or deconstruction of the Anne Frank story James Clifford Professor Emeritus History of Consciousness Department University of California As millions of people around the world who have read her diary attest Anne Frank the most familiar victim of the Holocaust has a remarkable place in contemporary memory Anne Frank Unbound looks beyond

this young girl's words at the numerous ways people have engaged her life and writing. Apart from officially sanctioned works and organizations, there exists a prodigious amount of cultural production which encompasses literature, art, music, film, television, blogs, pedagogy, scholarship, religious ritual, and comedy. Created by both artists and amateurs, these responses to Anne Frank range from veneration to irreverence. Although at times they challenge conventional perceptions of her significance, these works testify to the power of Anne Frank the writer and Anne Frank the cultural phenomenon as people worldwide forge their own connections with the diary and its author. This collection of brilliant essays offers fascinating and unexpected insights into the significance of Anne Frank's iconic Holocaust era diary from many disciplinary perspectives in the arts and humanities. Jan T. Gross, the Norman B. Tomlinson Professor of War and Society, Princeton University. This volume is a major contribution to scholarship regarding Anne Frank's diary and its cultural influence. Highly recommended. Choice

Engrossing. The overall aim is to provide a greater understanding of the general and particular engagement with Anne Frank as a person, a symbol, an icon, an inspiration, and perhaps most polarizing, as one victim, not the victim of the Nazi Holocaust. Broadside

A Family of Readers Martha V. Parravano, Roger Sutton, 2012-10-09 Two of the most trusted reviewers in the field join with top authors, illustrators, and critics in a definitive guide to choosing books for children and nurturing their love of reading. A FAMILY OF READERS is the definitive resource for parents interested in enriching the reading lives of their children. It's divided into four sections: 1. Reading to Them: Choosing and sharing board books and picture books with babies and very young children. 2. Reading with Them: Launching the new reader with easy readers and chapter books. 3. Reading on Their Own: Exploring what children read and how they read by genre and gender. 4. Leaving Them Alone: Respecting the reading privacy of the young adult. Roger Sutton knows how and why children read. He must, as the editor in chief of THE HORN BOOK, which since 1924 has been America's best source for reviews of books for young readers. But for many parents, selecting books for their children can make them feel lost. Now, in this essential resource, Roger Sutton and Martha V. Parravano, executive editor at the magazine, offer thoughtful essays that consider how books are read to and then by young people. They invite such leading authors and artists as Maurice Sendak, Katherine Paterson, Margaret Mahy, and Jon Scieszka, as well as a selection of top critics, to add their voices about the genres they know best. The result is an indispensable readers' companion to everything from wordless board books to the most complex and daring young adult novels.

What Do We Tell the Children? Critical Essays on Children's Literature Ciara Ní Bhroin, Patricia Kennon, 2012-03-15 This peer-reviewed collection of critical essays on children's literature addresses contemporary debates regarding what constitutes suitable texts for young audiences. The volume examines what adult writers tell their child readers, with particular focus on the following areas: the representation of sexuality, gender, and the body; the treatment of death and trauma; concepts of race, prejudice, and national identity; and the use of children's literature as a tool for socializing, acculturating, politicizing, and educating children. The focus of the collection is on Irish and international fiction addressed at readers from mid-childhood to young adulthood.

One section of the book examines what child readers were told in the past while another section examines young readers capacity for self invention through the participatory culture of the twenty first century Topics explored include the controversial issue of teenage prostitution and the commodification of the male body in contemporary young adult fiction the allure of celebrity and the impact of today s surveillance culture on young people the representation of the Holocaust for young readers and representations of Muslim characters and culture in a post 9 11 mediascape This collection which offers insights into a range of literary constructions and representations of childhood will be a valuable resource for students and scholars working in children s literature youth culture and childhood studies Contributors Jane Suzanne Carroll Norma Clarke Shehrazade Emmambokus Michele Gill Marnie Hay Eimear Hegarty Nora Maguire Kerry Mallan Anne Markey Kimberley Reynolds Beth Rodgers Kay Sambell This is the fifth publication of the Irish Society for the Study of Children s Literature ISSCL It follows the Society s publication of Studies in Children s Literature 1500 2000 Dublin Four Courts Press 2004 Treasure Islands Studies in Children s Literature Dublin Four Courts Press 2006 Divided Worlds Studies in Children s Literature Dublin Four Courts Press 2007 and Young Irelands Studies in Children s Literature Dublin Four Courts Press 2011
