Amma Kathalu New:

Amma Cheppina Kathalu Dr.Jayanthi Chakravarthi Ph.D., *Womanwriting=Manreading?* J Devika,2013-08-15 Devika brings to the reader the delight of reading a book rich in concepts and sources Contributions to Indian Sociology The Malayalam literary public is one of the most vibrant in India and thrives on the long history of widespread literacy in the state of Kerala It is well described as the beating heart of Kerala s publiclife Historically it has been the space in which entrenched power structures encountered their earliest challenges Not surprisingly then critiques of patriarchy in twentieth century Kerala were first heard and continued to be raised there even when they had become muffled in wider public discussion Womanwriting Manreading is a provocative take on some of the raging debates in Malayalam literature which surely resonate elsewhere But it also raises the important question can we tell the story of women s anti patriarchal writing in Malayalam in a way that highlights the force and drama of their confrontations with the male dominated literary establishment

Lessons from My Mother's Kitchen Ranjini

Rao,2020-10-20 When I lost my mother to a long and painful battle with cancer four years ago I was thousands of miles away alone and thick with grief At first everything seemed distant and pale and I went through my days like a robot lead footed and sandy eyed trying to make sense of each moment It took a while but I came to understand that the only way out was through At some point I submitted to the dagger of sorrow as it carved out a hollow in my heart turning me into some sort of an unself conscious sculpted form I re lived all the memories of my mother and gleaned new lessons from them Through the eighteen essays in this book I recount how her food music and stories all the things that she birthed in her spacious sun dappled kitchen helped me cope with long distance grief and taught me to look at life with renewed hope I also present some special recipes straight from Amma s kitchen and a bunch of kitchen poems in her honour finding her in such things as the sizzling of spices the bubbling of flavourful broths or a melodious Raga swirled into my cup of coffee My wish is that this book will come to stand for all this and more a celebration of life and a quiet acceptance of death I hope that it will inspire and touch many those who are going through rough times or those who are simply living the ordinary life for often we forget that there s so much magic in it
