## **An Anthropology Of War Views From The Frontline:**

An Anthropology of War Alisse Waterston, 2008-10-01 As we move deeper into the twenty first century power lethal force and injustice continue to explode violently into war and the prospects for lasting peace look even bleaker The horrors of modern warfare the death dehumanization and destruction of social and material infrastructures have done little to bring an end to armed conflict In this volume leading chroniclers of war provide thoughtful and powerful essays that reflect on their ethnographic work at the frontlines The contributors recount not only what they have seen and heard in war zones but also what is being read studied analyzed and remembered in such diverse locations as Colombia and Guatemala Israel and Palestine Iraq Afghanistan and Haiti In detailed reports from the field they reflect on the important issue of accountability and offer explanations to discern causes patterns and practices of war Through this unique lens the contributors provide the insight and analysis needed for a deeper understanding of one of the greatest issues of our times Contributors Avram Bornstein Paul E Farmer R Brian Ferguson Lesley Gill Beatriz Manz Carolyn Nordstrom Stephen Reyna Jose N Vasquez

**My Father's Wars** Alisse Waterston, 2013-09-11 Winner International Congress of Qualitative Inquiry Outstanding Book Award 2016 My Father's Wars is an anthropologist's vivid account of her father's journey across continents countries cultures generations and wars It is a daughter's moving portrait of a charming funny wounded and difficult man And it is a scholar's reflection on the dramatic forces of history the experience of exile and immigration the legacies of culture and the enduring power of memory This book is for Anthropology and Sociology courses in qualitative methods ethnography violence migration and ethnicity Heimatsdiskurs Michael Daxner, Hannah Neumann, 2014-03-15 Erst Kosovo dann Afghanistan deutsche Soldaten sind im Ausland stationiert Deutschland ist wieder im Krieg Die Einsatze verdeutlichen nicht nur die Rolle Deutschlands in der Weltpolitik sondern vor allem die Wahrnehmung der Nation von sich selbst Die Auseinandersetzung mit den Anderen vor allem den Afghanen und Terroristen aber auch mit den Heimkehrern den Gefallenen und den Traumatisierten ist immer auch eine Auseinandersetzung mit der eigenen Identität Die Beiträge dieses Buches liefern eine beispielhafte Analyse des Heimatdiskurses in Deutschland zwischen 2000 und 2012 *The Cambridge Handbook of Social Problems*: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research *The Big Gamble* Milena Belloni, 2019-12-17 A free open access ebook is available upon

publication Learn more at [www.luminosoa.org](http://www.luminosoa.org) Tens of thousands of Eritreans make perilous voyages across Africa and the Mediterranean Sea every year Why do they risk their lives to reach European countries where so many more hardships await them By visiting family homes in Eritrea and living with refugees in camps and urban peripheries across Ethiopia Sudan and Italy Milena Belloni untangles the reasons behind one of the most under researched refugee populations today Balancing encounters with refugees and their families smugglers and visa officers The Big Gamble contributes to ongoing debates about blurred boundaries between forced and voluntary migration the complications of transnational marriages the social matrix of smuggling and the role of family expectations emotions and values in migrants choices of destinations Engaging Violence Ivana Maček, 2014-03-26 This volume opens up new ground in the field of social representations research by focusing on contexts involving mass violence rather than on relatively stable societies Representations of violence are not only symbolic but in the first place affective and bodily especially when it comes to traumatic experiences Exploring the responses of researchers educators students and practitioners to long term engagement with this emotionally demanding material the book considers how empathic knowledge can make working in this field more bearable and deepen our understanding of the Holocaust genocide war and mass political violence Bringing together international contributors from a range of disciplines including anthropology clinical psychology history history of ideas religious studies social psychology and sociology the book explores how scholars students and professionals engaged with violence deal with the inevitable emotional stresses and vicarious trauma they experience Each chapter draws on personal histories and many suggest new theoretical and methodological concepts to investigate emotional reactions to this material The insights gained through these reflections can function protectively enabling those who work in this field to handle adverse situations more effectively and can yield valuable knowledge about violence itself allowing researchers teachers and professionals to better understand their materials and collocutors Engaging Violence Trauma memory and representation will be of key value to students scholars psychologists humanitarian aid workers UN personnel policy makers social workers and others who are engaged directly or indirectly with mass political violence war or genocide **Digital Horror** Xavier Aldana Reyes, Linnie Blake, 2015-10-13 In recent years the ways in which digital technologies have come to shape our experience of the world has been an immensely popular subject in the horror film genre Contemporary horror cinema reflects and exploits the anxieties of our age in its increasing use of hand held techniques and in its motifs of surveillance found footage fictional films that appear real comprising discovered video recordings left behind by victims protagonists and digital haunting when ghosts inhabit digital technologies This book offers an exploration of the digital horror film phenomenon across different national cultures and historic periods examining the sub genres of CCTV horror technological haunting snuff films found footage and torture porn Digital horror it demonstrates is a product of the post 9 11 neo liberal world view characterised by security paranoia constant surveillance and social alienation Digital horror screens its subjects via the transnational technologies of our age

such as the camcorder and CCTV and records them in secret footage that may one day be found      The Oxford Handbook of the Social Science of Poverty David Brady, Linda M. Burton, 2016-03-23 Despite remarkable economic advances in many societies during the latter half of the twentieth century poverty remains a global issue of enduring concern Poverty is present in some form in every society in the world and has serious implications for everything from health and well being to identity and behavior Nevertheless the study of poverty has remained disconnected across disciplines The Oxford Handbook of the Social Science of Poverty builds a common scholarly ground in the study of poverty by bringing together an international inter disciplinary group of scholars to provide their perspectives on the issue Contributors engage in discussions about the leading theories and conceptual debates regarding poverty the most salient topics in poverty research and the far reaching consequences of poverty on the individual and societal level The volume incorporates many methodological perspectives including survey research ethnography and mixed methods approaches while the chapters extend beyond the United States to provide a truly global portrait of poverty A thorough examination of contemporary poverty this Handbook is a valuable tool for non profit practitioners policy makers social workers and students and scholars in the fields of public policy sociology political science international development anthropology and economics      **Flows of Faith** Lenore Manderson, Wendy Smith, Matt Tomlinson, 2012-02-18 Unique local transformations of the practice of established religions in Asia and the Pacific are juxtaposed with the emergence of new religious movements whose incidence is growing across the region In *Flows of Faith* the contributing authors take as their starting point questions of how religions manifest outside their cultural boundaries and provide the basis for new social identities political movements and social transformations With fresh insights into the globalization of beliefs their local inflections and their institutionalization the authors explore how old and new religions work in different settings and how their reception and membership challenge orthodox understandings of religion and culture The chapters set in Asia the Pacific Australia and the US illustrate the contrasts and commonalities of these belief systems and their allegiances and networks in the region and beyond They include new religious movements Falun Gong Brahma Kumaris the Hare Krishna movement based in East and South Asia with outreach posts in Australia and the U S and established old religions Christianity Buddhism Hinduism and Islam that are revitalized and recreated in different settings and places *Flows of Faith* describes the transnational reaches of faith Religious practices and their local manifestations track the movement of peoples through mission outreach flight migration and pilgrimage In each new setting religions are shaped by and in turn shape political and cultural forces proving that they are resilient and generative originary and distinctive The volume is a major contribution providing readers with a fresh and creative approach into the living experience of religious communities in a contemporary globalised world      *Dams, Displacement and Development* Nathan Einbinder, 2017-02-08 Using the case of the Chixoy Hydroelectric Dam in Guatemala constructed between 1978 and 1983 this book examines the effects of displacement on the former residents of R o Negro a community forcibly evicted and nearly

eliminated by the military and paramilitary Using open ended interview discussions and testimonies it focuses on this specific incident of displacement and violence and discusses the outcomes 30 years later Guatemala s history is plagued by development projects that resulted in displacement violence and increased marginalization of its indigenous and non indigenous populations In order to make way for development initiatives such as the production of bananas African palm coffee and sugar cane the extraction of metals such as gold and nickel or in this specific case the construction of a hydroelectric dam the land based predominately Maya campesinos have been systematically uprooted from the lands of their birth and launched into uncertainty The research findings presented based on fieldwork conducted from January to April 2009 suggest that the majority of survivors from the massacres that took place are still adversely affected by the destruction of their families and livelihoods While the circumstances pertaining to this event are unique similar struggles over land and human rights continue into the present and if policies remain unchanged in both international development agencies as well as the Guatemalan government clashes of this nature only increase in time

**Problematizing Law, Rights, and Childhood in Israel/Palestine** Hedi Viterbo,2021-08-05 In this book Hedi Viterbo radically challenges our picture of law human rights and childhood both in and beyond the Israel Palestine context He reveals how Israel rather than disregarding international law and children s rights has used them to hone and legitimize its violence against Palestinians He exposes the human rights community s complicity in this situation due to its problematic assumptions about childhood its uncritical embrace of international law and its recurring emulation of Israel s security discourse He examines how and to what effect both the state and its critics manufacture shape and weaponize the categories child and adult Bridging disciplinary divides Viterbo analyzes hundreds of previously unexamined sources many of which are not publicly available Bold sophisticated and informative **Problematizing Law Rights and Childhood in Israel Palestine** provides unique insights into the ever tightening relationship between law children s rights and state violence at both the local and global levels

**Islam and Security in the West** Stefano Bonino,Roberta Ricucci,2021-04-26 What changes have the terrorist attacks on the United States in 2001 and the subsequent attacks in Europe brought to Western societies In what ways have these events and their aftermath impacted on the relationships between Muslim communities and Western societies This book explores the remaking of the relationship between Islam and Islamism on the one hand and security and securitization on the other hand by arguing that 9 11 and its aftermath have led to the opening of a new phase in Western and European history and have remade the relationship between Islam and governmental and societal approaches to security The authors utilize case studies across the Western world to understand this relationship

**War, Technology, Anthropology** Koen Stroeken,2011-12-01 Technologies of the allied warfare in Iraq and Afghanistan such as remote controlled drones and night vision goggles allow the user to virtualize human targets This coincides with increased civilian casualties and a perpetuation of the very insecurity these technologies are meant to combat This concise volume of research and reflections from different regions across Asia the

Middle East Latin America and Africa observes how anthropology operates as a technology of war It tackles recent theories of humans in society colluding with imperialist claims including anthropologists who have become involved professionally in warfare through their knowledge of cultures renamed as human terrain systems The chapters link varied yet crucial domains of inquiry from battlefields technologies military driven scientific policy and economic warfare to martyrdom cosmology shifts media coverage of distant wars and the virtualizing techniques and war porn soundtracks of the gaming industry *The ABC of the OPT* Orna Ben-Naftali, Michael Sfard, Hedi Viterbo, 2018-05-10 Israel's half a century long rule over the West Bank and Gaza Strip and some of its surrounding legal issues have been the subject of extensive academic literature Yet to date there has been no comprehensive theoretically informed and empirically based academic study of the role of various legal mechanisms norms and concepts in shaping legitimizing and responding to the Israeli control regime This book seeks to fill this gap while shedding new light on the subject Through the format of an A-Z legal lexicon it critically reflects on challenges and redefines the language knowledge and practices surrounding the Israeli control regime Taken together the entries illuminate the relation between global and local forces legal political and cultural in Israel and Palestine The study of the terms involved provides insights that are relevant to other situations elsewhere in the world particularly with regard to belligerent occupation the law's role in relation to state violence and justice *A Companion to Medical Anthropology* Merrill Singer, Pamela I. Erickson, César E. Abadía-Barrero, 2022-02-23 The fully revised new edition of the defining reference work in the field of medical anthropology *A Companion to Medical Anthropology* Second Edition provides the most complete account of the key issues and debates in this dynamic rapidly growing field Bringing together contributions by leading international authorities in medical anthropology this comprehensive reference work presents critical assessments and interpretations of a wide range of topical themes including global and environmental health political violence and war poverty malnutrition substance abuse reproductive health and infectious diseases Throughout the text readers explore the global historical and political factors that continue to influence how health and illness are experienced and understood The second edition is fully updated to reflect current controversies and significant new developments in the anthropology of health and related fields More than twenty new and revised articles address research areas including war and health illicit drug abuse climate change and health colonialism and modern biomedicine activist led research syndemics ethnomedicines biocommunicability COVID 19 and many others Highlighting the impact medical anthropologists have on global health care policy and practice *A Companion to Medical Anthropology* Second Edition Features specially commissioned articles by medical anthropologists working in communities worldwide Discusses future trends and emerging research areas in the field Describes biocultural approaches to health and illness and research design and methods in applied medical anthropology Addresses topics including chronic diseases rising levels of inequality war and health migration and health nutritional health self medication and end of life care Part of the acclaimed Wiley Blackwell Companions to Anthropology series *A Companion*

to Medical Anthropology Second Edition remains an indispensable resource for medical anthropologists as well as an excellent textbook for courses in medical anthropology ethnomedicine global health care and medical policy *War, Maoism and Everyday Revolution in Nepal* Ina Zharkevich, 2019-05-09 Drawing on long term fieldwork in the former Maoist heartland of Nepal this book studies the war time social processes during the civil war and their long term legacy on the constitution of Nepali society **Journal of Soviet and Post-Soviet Politics and Society** Julie Fedor, 2016-01-05 This double special issue investigates the experiences of Soviet Afghan veterans and the ongoing impact of the Soviet Afghan war 1979 89 and the new and reconstituted narratives of martyrdom that have been emerging in connection with 20th century history and memory in the post socialist world The JOURNAL OF SOVIET AND POST SOVIET POLITICS AND SOCIETY JSPPS is a new bi annual companion journal to the Soviet and Post Soviet Politics and Society SPPS book series founded 2004 and edited by Andreas Umland Dr phil PhD Guest editors Felix Ackermann European Humanities University Michael Galbas Konstanz University Uilleam Blacker UCL **War and Peace** Bryan S. Turner, 2013-03-01 Reflections on Leo Tolstoy's War and Peace these original essays examine various facets of violence and human efforts to create peace Religion is deeply involved in both processes ones that produce violence and ones that seek to create harmony In the war on terror radical religion is often seen to be a major cause of inter group violence However these essays show a much more complex picture in which religion is often on the receiving end of conflict that has its origin in the actions of the state in response to tensions between majorities and minorities As this volume demonstrates the more public religion becomes the more likely it is to be imbricated in communal strife Konflikt und Komplexität Christoph Trinn, 2015-05-05 Christoph Trinn analysiert die Möglichkeiten und Grenzen der Vorhersagbarkeit der gewaltsamen Eskalation innerstaatlicher Konflikte Auch wenn diese durchaus einfachen empirischen Gesetzmäßigkeiten unterliegen ist der Ausbruch von Gewalt grundsätzlich unvorhersehbar Die Existenz von Eskalationsmustern und die Unmöglichkeit der Eskalationsprognose erwachsen demselben Phänomen dem Potenzgesetz als Ausdruck selbstorganisierter Komplexität Konfliktdichten entspringen einem einheitlichen Kausalmechanismus der Proteste und Attentate ebenso hervorbringt wie Revolutionen und Bürgerkriege Der Autor bietet eine komplexitätswissenschaftlich fundierte und empirisch umfangreiche Untersuchung die Wege zur Risikoeinschätzung und zum Krisenmanagement weist **Frontier Ethnographies** Nafay Choudhury, Annika Schmeding, 2024-11-01 Ethnography destabilizes the notion of the frontier as merely a geographic space and conveys its limitations that lead researchers to reflect on their methodological approaches Frontier Ethnographies explores the ethnographic edges of contemporary anthropological inquiry in Afghanistan and Pakistan by assembling voices of emerging scholars who have conducted field research within the region in the past two decades Through examining moments of insecurity vulnerability doubt fear failure and daydreaming researchers reflect on their own experiences of field research and how faced with frontiers they have been forced to reimagine or reconstruct their understanding of the social world
