**The View from the Grass Roots - Another Look** Gregory J. Rummo, 2010-04 Confidently recommended reading The View from the Grass Roots is filled from cover to cover with keen insights profound thoughts and a deep and diverse understanding of the human condition Midwest Book Review Rummo is uniquely qualified It is clear from the quality of his writing that he has been at this for quite a while Plenty of exercise for the mind and soul Willard Samuel Adjunct Scholar at Frontiers of Freedom Greg Rummo is a great writer and a great human being facts that shine like precious stones in his prolific output I have trouble not hating him for his talent and energy Joe Klock Sr Author and Syndicated Columnist Greg Rummo is one of my heroes His book masterfully gives a cohesive view of liberal politics and biased media and the impact they have on the American culture And he does it with engaging evidence Thomas Ciesielka TC Public Relations By approaching the latest public issues from the angle of religion informed by Christianity Gregory Rummo offers an attractive corrective to the assumptions often underlying coverage of stories in mainstream print media His unashamed point of view can be infuriating for example to state his case he often sets up so called liberals as targets then dismantles them by his arguments it is a facile device But there is much merit to what he says And he is never mean Which is high praise indeed Charles Saydah Letters to the Editor The Record *ANOTHER LOOK: Growing up in The Jim Crow South* Betsy Bunn, 2015-12-10 These writings are portraits of light and dark and the bittersweet realities of childhood and adolescence Stories reveal how the joy of black white friendships gives way to larger cultural forces and the necessary secrets and behaviors that keep the scaffolding of everyday life from toppling A trip to see her father late in his life opens long buried wounds and questions about the family childhood experiences and the corrosiveness of secrets and denials Her essays dare to look at the past in sweet and unsweet ways careful to let go of nostalgia when trumped by later insights She holds on to what she finds true and though the costs of truth seeking are great we come to see the mirror of her life constantly changing as she adds insight to inform what she sees reflected back to her Would that we could do the same and stand before a mirror that more accurately reveals what we dare to learn Kendall Dudley [Another Look at Governments' Balance Sheets](#) Ms.Elva Bova, Mr. Robert Dippelsman, Ms. Kara C Rideout, Ms. Andrea Schaechter, 2013-05-02 When discussing debt reduction strategies little attention has been given to the role of governments nonfinancial assets This is in part because data are scarce Drawing on various data sources this paper looks at the size composition and management of state owned nonfinancial assets across 32 economies with particular focus on the advanced G 20 economies We find that reported nonfinancial assets comprise mostly structures such as roads and buildings and when valued land These assets have increased over time mostly due to higher property and commodity prices and are in large part owned by subnational governments Many countries have launched reforms with a view to streamlining public administrations but receipts and savings have been rather small so far Governments tend to consider relatively small sets of assets to be disposable though

preferences could change in the future A potential source for future revenues could be greater reliance on user charges such as road tolls In most cases a first step for more effective asset management has to be the expansion and improvement of data compilation

**What About Same Sex Marriage and Another Look at Religion** Willie J. Duncan Sr. D.D. D.Re. Ph.D,2015-09-02 In light of the new wave of Pseudo religion Ideology it is necessary to give a concrete response to it Same Sex marriages have been put forth as a new civil rights issue Which it must be determined whether it is Civil or Right Should credence be given to Homosexuality to be recognize by religion or government as a new moral or immoral privilege Only Species have the rights to exist When this lifestyle cannot produce off springs it does not exist The concept is pseudo philosophy or pseudo religious It must be governed by the same law and principles of other species Homosexuals should be restricted to the species of the human family Homo Sapiens Male and Female This then will destroy the idea of it *Take Another Look* Pamela Harris Williams,2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won t perceive ourselves as He does It s time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you ll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take Another Look and see yourself the way God sees you *Another Look* A. **Take Another Look** David Hulse D D,David Hulse,2010-04 If you are in the process of re examining old childhood beliefs and have realized there has to be a more excellent way this book is for you With this in mind I invite you to Take Another Look at some of the most important tenants of fundamental Judeo Christian dogma We will explore these basic ideas from the cultural context in which they were experienced and written as well as the influences of the translators This will take us from a fear based message to the Gospel or good news with a love based premise In this day there are several versions of the Bible I suggest choosing the version which best suits your understanding of language II Timothy 2 15 says Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth The study presented in this book is based on the Thompson Chain Reference Bible Strong s Exhaustive Concordance of the Bible the guidance of the inner teacher the Holy Spirit and spiritual common sense The result has challenged much of the second handed information that has been passed down through Christian patriarchy This scripture also mentions rightly dividing the word of truth To do this we need to discern which scriptures are inspired by God and which scriptures contain man s perceptions and hidden political and cultural agenda s I ask that you listen to your own inner Christ intelligence which is able to lead you into all truth rather than listening to the feeble attempts of men s voices on the paths that seem right who are only plunging us into the depths of unanswered questions ever learning but never able to come to the knowledge of the truth [A Second Look at the Second Coming](#) T. L. Frazier,2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days **Medievalism in Finland and Russia** Reima Välimäki,2022-11-03 Since the end of the Cold War the Middle Ages has returned to debates about history culture and politics in Northern and Eastern Europe This volume explores political medievalism in two language areas that are crucial to understanding global medievalism but are due to language barriers often inaccessible to the majority of Western scholars and students The importance of Russian medievalism has been acknowledged but little analysed until now Medievalism in Finland and Russia offers a selection of chapters by Russian Finnish and American scholars covering historiography presidential speeches participatory online discussions and the neo pagan revival in Russia Finland is currently even more poorly understood than Russia in the discussions about global medievalism It is usually mentioned only as of the birthplace of the Soldiers of Odin The street patrol is however a marginal phenomenon in Finnish medievalism as this volume demonstrates Instead of merely adopting the medievalist interpretation of the international alt right even the right wing populists in Finland refer more to the nationalistic medievalist tradition where crusades do not mark a Western Christian

victory over the Muslim East but a Swedish occupation of Finnish lands In addition to presenting particular cases of medievalism the chapters here on Finland challenge and diversify today s prevailing interpretation of shared online medievalism of European and American right wing populists This book reveals that while medievalisms in Finland and Russia share many features with the contemporary Anglo American medievalist imaginations they also display many original characteristics due to particular political situations and indigenous medievalist traditions They have their own meta medievalisms cumulative core ideas and interpretations about the medieval past that are thoroughly examined here in English for the very first time
