An Illustrated Life Danny Gregory, 2008-12-16 Find Insight and Inspiration for Your Creative Life An artist's journal is packed with sketches and captions some rough some polished The margins sometimes spill over with hurriedly scrawled shopping lists and phone numbers The cover may be travel worn and the pages warped from watercolors Open the book and raw creativity seeps from each color and line The intimacy and freedom on its pages are almost like being inside the artist's mind You get a direct window into risks lessons mistakes and dreams The private worlds of these visual journals are exactly what you'll find inside *An Illustrated Life* This book offers a sneak peak into the wildly creative imaginations of 50 top illustrators designers and artists Included are sketchbook pages from R Crumb Chris Ware James Jean James Kochalka and many others In addition author Danny Gregory has interviewed each artist and shares their thoughts on living the artistic life through journaling Watch artists through words and images record the world they see and craft the world as they want it to be The pages of *An Illustrated Life* are sometimes startling sometimes endearing but always inspiring Whether you're an illustrator designer or simply someone searching for inspiration these pages will open a whole new world to you

An Illustrated Journey Danny Gregory, 2013-02-06 Travel Sketching Inspiration When we travel we don't want to follow the same itinerary as everyone who's come before us We want to feel like explorers adventurers in undiscovered territory And that's exactly what sketching can bring to the travel experience *An Illustrated Journey* captures the world through the eyes of 40 talented artists illustrators and designers You'll experience the wonder of seeing familiar sights through a fresh lens but more important you'll be inspired to set pen to paper and capture your own vistas The really wonderful thing about a sketchbook is that it can be totally private You don't have to have an ounce of talent to enjoy learning how to really see what's in front of you But lucky for us the sketchbooks captured here are lovely creative intimate windows into each artist's mind So whether you're just returning to the art of drawing abandoned by most of us after childhood or you're looking for inspiration to take your illustration work in a new direction *An Illustrated Journey* will take you on a wonderful trip of the imagination All you need to pack are a pencil and a piece of paper
