An Actress Prepares Rosemary Malague, 2013-06-17 Every day thousands of women enter acting classes where most of them will receive some variation on the Stanislavsky based training that has now been taught in the U S for nearly ninety years Yet relatively little feminist consideration has been given to the experience of the student actress What happens to women in Method actor training *An Actress Prepares* is the first book to interrogate Method acting from a specifically feminist perspective Rose Malague addresses the Method not only with much needed critical distance but also the crucial insider's view of a trained actor Case studies examine the preeminent American teachers who popularized and transformed elements of Stanislavsky's System within the U S Strasberg Adler Meisner and Hagen by analyzing and comparing their related but distinctly different approaches This book confronts the sexism that still exists in actor training and exposes the gender biases embedded within the Method itself Its in depth examination of these Stanislavskian techniques seeks to reclaim Method acting from its patriarchal practices and to empower women who act I've been waiting for someone to write this book for years a thorough going analysis and reconsideration of American approaches to Stanislavsky from a feminist perspective lively intelligent and engaging Phillip Zarrilli University of Exeter Theatre people of any gender will be transformed by Rose Malague's eye opening study *An Actress Prepares* This book will be useful to all scholars and practitioners determined to make gender equity central to how they hone their craft and their thinking Jill Dolan Princeton University

Self-Cultivation in Chinese and Greco-Roman Philosophy David Machek, 2025-05-15 In early China and ancient

Greece self cultivation was considered crucial for leading a flourishing fulfilled life In this cross cultural study David Macheck presents and interprets six influential Greek and Chinese self cultivation theories advocated by Mengzi Zhuangzi and Xunzi as well as Plato Aristotle and the Stoics in order to put forward the overarching narrative that self cultivation amounts to strengthening the best part of the human self the heart in the Chinese context and the mind in the Greek context Advancing new readings of classic texts Macheck shows that Greek approaches to self cultivation privilege intellectual pursuits while Chinese approaches give more weight to non intellectual activities such as learning manual crafts and performing rituals He also demonstrates how both ancient traditions understand the self as a heterogeneous community of organic entities each needing different provisions to flourish which aligns the ancient Greek view closer to the early Chinese view As such this book reinforces the underlying structural and conceptual similarities between the two traditions and makes an important contribution to diversifying philosophical conversations

Quiet Power Susan Cain, Gregory Mone, Erica Moroz, 2016-05-03 The monumental bestseller *Quiet* has been recast in a new edition that empowers introverted kids and teens. Susan Cain sparked a worldwide conversation when she published *Quiet: The Power of Introverts in a World That Can't Stop Talking*. With her inspiring book she permanently changed the way we see introverts and the way introverts see themselves. The original book focused on the workplace and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world, school, extracurriculars, family life and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain's own story and you'll be able to make use of the tips at the end of each chapter. There's even a guide at the end of the book for parents and teachers. This insightful, accessible and empowering book, illustrated with amusing comic style art, will be eye opening to extroverts and introverts alike.

Sexual Perversions, 1670-1890 J. Peakman, 2009-07-30 A fascinating glimpse into the history of sexual perversions and diversions including fetishism, cross dressing, effeminate men and masculinized women, sodomy, tribadism, masturbation, necrophilia, rape, paedophilia, flagellation and sado masochism, asking how these sexual inclinations were viewed at a particular time in history.
