*Tony Kushner's Postmodern Theatre*  
Hussein Al-Badri, 2014-10-21 The book is an insightful and thorough examination of one of the most prominent political dramatists in the US today Tony Kushner and his theatricalization of politics Moreover it draws heavily on Kushner s wide range of themes and techniques As such it will be beneficial for graduate students and scholars who are concerned with the realm of contemporary American drama at the threshold of the twenty first century In addition the book will appeal to anyone who wants a deeper understanding of Kushner and his major influences such as Bertolt Brecht and will also be valuable for readers with a general interest in American drama This book is primarily concerned with exploring and analyzing political discourse as dramatized in the work of Tony Kushner The author s point of departure is the concept of political theatre as developed by Erwin Piscator and Bertolt Brecht This theoretical exploration serves a double purpose first it is meant to provide a statement of the definitions and concepts central to this study such as political discourse political theatre and postmodern theatre second it offers the tools of analysis by which to read and analyze Tony Kushner s postmodern politically oriented texts Through this the book defines the major features of Kushner s postmodern theatre and explores how he theatricalizes politics American drama in the 1980s and the 1990s witnessed a noticeable thematic shift from the exclusively personal plays and musicals that once dominated American theatre for a long period of time to an increasing number of plays

which put greater emphasis on exploring issues and questions of socio political interest As a result of this thematic shift the predominantly private settings and familial character relationships of the traditional family play have been replaced by a great variety of public settings and non familial characters Tony Kushner s theatre is a pioneering attempt in this respect In Kushner s theatre there is no room for the traditional family plays which dominated the American stage in the 1960s and 1970s Kushner has found that there is not enough political discourse in contemporary American Theatre For this reason he writes his plays to shed special light on the politics of American society in the 1980s the 1990s and in the beginnings of the 21st century

The Playwright's Muse Joan Herrington,2013-05-13 August Wilson penned his first play after seeing a man shot to death Horton Foote began writing plays to create parts for himself as an actor Edward Albee faced commercial pressures to modify his scripts and resisted After Wit Margaret Edson swore off playwriting altogether and decided to keep her day job as a kindergarten teacher instead The Playwright s Muse presents never before published interviews with some of the greatest names of American drama all recent winners of the Pulitzer Prize In these scintillating exchanges with eleven leading dramatists we learn about their inspirations and begin to grasp how the creative process works in the mind of a writer We learn how their first plays took shape how it felt to read their first reviews and what keeps them writing for theater today Introductory essays on each playwright s life and work written by theater artists and scholars with strong professional relationships to their subjects provide additional insight into the writers contributions to contemporary theater

contemporary playwrights attests to the fact the dramatic art is alive and well in America and celebrates the art and talent of fifteen of the theatre's most important artists. In extensive interviews they discuss their work influences and their craft and how the art form relates to our cultural heritage as well as the state of theatre its meaning and purposes as we approach the 21st Century. David Savran lays out their remarkable achievements and provides telling insights to their work in his substantial introductions to each interview. Interviews with Edward Albee Jon Robin Baitz Philip Kan Gotanda Holly Hughes Tony Kushner Terrence McNally Suzan Lori Parks Jos Rivera Ntozake Shange Nicky Silver Anna Deavere Smith Paula Vogel Wendy Wasserstein Mac Wellman and George C Wolfe      *Urban Drama* J. Chris Westgate, 2011-06-20

Identifying an apprehension about the nature and constitution of urbanism in North American plays Westgate examines how cities like New York City and Los Angeles became focal points for identity politics and social justice at the end of the twentieth century and how urban crises inform the dramaturgy of contemporary playwrights      **Geographies of Learning** Jill Dolan, 2001-05-31

Maps the divisions that stall the production of knowledge in theatre and performance studies queer studies and women's studies. Each of Jill Dolan's three academic locations theatre and performance studies lesbian gay queer studies LGQ studies and women's studies is both interdisciplinary and fraught with divisions between theory and practice. As teacher administrator author and performer Dolan places her professional labor in relation to issues of community pedagogy public culture administration university missions and citizenship. She works from the assumption that the production and dissemination of knowledge can be forms of activism extending conversations on radical politics in the academy by other writers such as Cary Nelson Michael Berube Gerald Graff and Richard Ohmann. The five interconnected essays in *Geographies of Learning* map the divisions and dissensions that stall the production of progressive knowledge in theatre and performance studies LGQ studies and women's studies while at the same time exploring some of the theoretical and pedagogical tools these fields have to offer one another      **Love and Anger** Peter F. Cohen, 2014-01-14

*Love and Anger: Essays on AIDS Activism and Politics* is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP. Containing both literary analysis and interviews with activists *Love and Anger* will help you understand the unique struggle of a certain class of gay men why the author challenges the belief that ACT UP is a radical group and why the love story is a central part of the literary response to AIDS. Examining ACT UP in relation to class issues *Love and Anger* discusses how for certain middle to upper middle class men in the group ACT UP represented a political response not to fundamental social inequalities but to the fact that their class position could not benefit them in the absence of an AIDS cure. In addition you will gain insight into the political methods and goals of ACT UP through interviews with ACT UP members and find out why the group is sometimes misperceived as being radical too gay or not gay enough. Different from many other recent works *Love and Anger* also combines literary analysis with fieldwork in order to examine the literary response to AIDS from historical and

sociological contexts not just a literary context Drawing on the fields of anthropology sociology political science history and literary studies this text provides you with an original interpretation of a number of novels and plays including Afterlife a novel by Paul Monette and The Normal Heart a play by Larry Kramer both of which envision the return of the class privileges that certain gay men had before AIDS emerged People in Trouble a novel by Sarah Schulman which challenges gay men to stop striving for the privileges of straight males and instead to focus on an AIDS movement that will support all groups affected by the epidemic Angels in America a play by Tony Kushner which demonstrates the incompatibility of love and political struggle in literature about AIDS By examining AIDS activism and politics through the love story and through real life examples such as ACT UP Love and Anger integrates fact and fiction in a scholarly yet comprehensible manner It will give you a clearer understanding of the issues surrounding AIDS activism and politics as well as give you insight into the attitudes and feelings of those affected by the disease
