Lanfang Zuguang Wu, Zuolin Huang, Shaowu Mei, 1981 **Mei Lanfang's American Journey** Zhaohui Hong, Cunfa Dong, 2025-08-31 This groundbreaking study examines Peking Opera legend Mei Lanfang's 1930 U S visit through extensive primary sources and a cross cultural lens. It meticulously chronicles his 76 performances over 182 days reconstructing his daily itinerary highlighting key events and estimating box office revenues. Drawing on over 1 000 local newspaper reports from 34 states and territories as well as diaries, memoirs, archival records and advertisements, this book offers fresh insights into U S China cultural exchange nearly a century ago, a topic with enduring contemporary relevance. Employing a mixed methods approach, it integrates grounded theory, abductive reasoning and the theory of para text to deliver a rigorous and innovative analysis. As both a theoretical contribution and an analytical framework, the book reimagines transpacific cultural exchange systematically exploring Peking Opera diplomacy which involves non governmental individuals and collectives engaged in cultural, artistic, commercial and educational interactions. Furthermore, it delves into inculturation examining how Mei Lanfang's visit contributed to the localization of Chinese culture in America, fostering cultural accommodation, adaptation and integration. Finally, it introduces the theory of marginalization studies, shedding light on the peripheral figures and events that played a crucial role in Mei's visit. By combining rigorous analysis with innovative theoretical perspectives, this book reinterprets and reimages the significance of Mei Lanfang's visit, offering an essential resource for scholars and anyone interested in modern Chinese history, transpacific studies, cultural diplomacy and U S China relations. *Inscribing*

Jingju/Peking Opera David Rolston, 2021-08-09 What was the most influential mass medium in China before the internet? Jingju, Peking opera. Although its actors were commonly thought to have been illiterate, written and other inscribed versions of plays became more and more important and varied. This book shows how increasing textualization and the resulting fixation of a performance tradition that once privileged improvisation changed the genre. It traces from Jingju's birth in the 19th century to the present, how texts were used for the production and consumption of this important performance genre and the changes in the concepts of authorship, copyright and performance rights that took place during the process. The state's desire to police what was performed is shown to have been a major factor in these changes. The scope and coverage of the book is already unprecedented, but it is also supplemented by an additional chapter on where the plays were performed, who performed them and who went to see them, available for download online. *Advances in Intelligent Information Hiding and Multimedia Signal Processing* Shu-Chuan Chu, Shi-Huang Chen, Zhenyu Meng, Keun Ho Ryu, George A. Tsihrintzis, 2022-07-05 The book presents selected papers from the 17th International Conference on Intelligent Information Hiding and Multimedia Signal Processing in conjunction with the 14th International Conference on Frontiers of Information Technology Applications.
