rare black owned businesses turning over tens of millions of dollars every year The most successful bankers were known as Black Kings and Queens and they lived royally Yet the very success of bankers like Stephanie St Clair and Casper Holstein attracted Dutch Schultz Lucky Luciano and organized crime to the game By the late 1930s most of the profits were being siphoned out of Harlem Playing the Numbers reveals a unique dimension of African American culture that made not only Harlem but New York City itself the vibrant and energizing metropolis it was An interactive website allows readers to locate actors and events on Harlem s streets
