Mexican Whiteboy Matt De La Pena:

Mexican WhiteBoy Matt de la Peña, 2008-08-12 Newbery Award winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship acceptance and the struggle to find your identity in a world of definitions. Danny's tall and skinny. Even though he's not built, his arms are long enough to give his pitch a power so fierce any college scout would sign him on the spot. Ninety-five mile an hour fastball, but the boy's not even on a team. Every time he gets up on the mound, he loses it. But at his private school, they don't expect much else from him. Danny's brown. Half Mexican, brown. And growing up in San Diego, that close to the border means everyone else knows exactly who he is before he even opens his mouth. Before they find out he can't speak Spanish and before they realize his mom has blond hair and blue eyes, they've got him pegged. But it works the other way too. And Danny's convinced it's his whiteness that sent his father back to Mexico. That's why he's spending the summer with his dad's family. Only to find himself he may just have to face the demons he refuses to see, the demons that are right in front of his face. And open up to a friendship he never saw coming. Matt de la Peña's critically acclaimed novel is an intimate and moving story that offers hope to those who least expect it. A first-rate exploration of self-identity. SLJ Unique in its gritty realism and honest portrayal of the complexities of life for inner-city teens, De la Peña poignantly conveys the message that despite obstacles, you must believe in yourself and shape your own future. The Horn Book Magazine The baseball scenes sizzle like Danny's fastball. Danny's struggle to find his place will speak strongly to all teens, but especially to those of mixed race. Booklist De la Peña blends sports and street together in a satisfying search for personal identity. Kirkus Reviews *Mexican WhiteBoy* shows that no matter what obstacles you face, you can still reach your dreams with a positive attitude. This is more than a book about a baseball player; this is a book about life. Curtis Granderson, New York Mets outfielder. An ALA YALSA Top Ten Best Book for Young Adults. A Junior Library Guild Selection. *Exploring Identity Development and Self* Leilya A. Pitre, Mike P. Cook, 2021-02-15 This book offers readers opportunities to explore the most common universal themes taught in secondary English Language Arts classrooms using contemporary young adult literature. Authors discuss adolescence and adolescent readers, young adult literature, and its possibilities in the classroom and ways to teach thematic analysis. The book provides context, traditional approaches to teaching, and examples of thematic explorations of each of the chosen themes. Chapters include developed teaching/instructional units to study three universal themes: a journey of self-discovery, good vs. bad, right vs. wrong, and making difficult choices and developing positive self-perception. Each instructional unit includes rationale, essential questions, and objectives, calendar plans for up to six weeks, examples of introductory reading and discussing, and enrichment activities and assessments. The activities target academic skills for ELA curricula and create safe spaces for exploring topics of identity struggles and personal growth complicated by social issues, all of which adolescents face today. Each instructional chapter suggests a wide range of additional texts and resources for theme explorations. **Tactics of Hope in Latinx Children's and Young Adult Literature** Jesus
