Essentials of Economics John

Sloman, Dean Garratt, 2010 Just like the economy Essentials of Economics the market leading concise text in introductory economics has also been through a thorough overhaul While retaining its classic features and clear and engaging writing style it has many new features including a new co author extensive re write of the macroeconomic chapters strengthened theoretical coverage and over 30 revised shorter new boxes Go to www.myeconlab.com your gateway to all the online resources for this new edition including A new regularly updated economics in the news blog with accompanying podcasts A new edition of MyEconLab Redeem your access code included with this textbook to gain access to an unrivalled online study and testing resource providing you with personalised practice exactly where you need it most See inside the book for more details *Books in Print Supplement*, 1977 **Environmental Economics for Tree Huggers and Other Skeptics**

William K. Jaeger, 2012-06-22 Though many students and environmentalists shudder at even the thought of economics a working knowledge of the basics can be a powerful ally Economic arguments carry a great deal of weight and putting them to work for environmental causes can be a deciding factor especially in policy debates The reverse is true as well and an understanding of the possibly flawed misleading or overstated economics behind an opponent's case can be crucially important Environmental Economics for Tree Huggers and Other Skeptics carefully explains the tools of economic analysis and shows how they can be used to help reveal the root causes of and potential solutions for environmental and natural resource problems Jaeger's proven techniques and wonderfully conversational tone assume no economics training and his presentation of the material is designed to facilitate clarity His step by step approach unearths surprisingly simple easy to remember principles and shows how to apply them to real world environmental problems Those with exposure to introductory microeconomics will find Environmental Economics for Tree Huggers and Other Skeptics to be a welcome refresher Undergraduate and graduate students of environmental studies resource management law policy and related fields as well as novices who are skeptical of how the field could possibly help them in their own efforts will be pleasantly surprised
